Tamanna Meena : What can I say for you, You are just beyond BEST. I should definitely say thanks to someone for setting up our meeting unknowingly, and here we are so called "BEST FRIENDS". You won't believe whatever I say but yeah I can't replace you with anyone else, NO-ONE. From helping me for my semester exams to saving me from bad guys to being my "shoulder to cry" in crisis to always defending myself in every situation, I can't even imagine my life without you. You are my buddy, my bhang- partner and will always be. And a big thankyou for dealing with my mood swings (I really appreciate your patience) and always keeping me your priority. I know you will always be there for me to hold my back. Love Love

Sumit Jain : Hiiii Vikss..... Bhai hai tu mera. There is a long list of memories we have at IITB which can't be listed here but I like one of your habits "Jb bhi call karo, jis wqt bhi call karo, Jis kam ke liye bhi Call karo, Manto Hmesha ata hai" and that's why I love you bro :-) We will meet soon for having another trekking experience, another night out at marine drive together,,, ,,,

Akansha Keshariya : sahi khaa, hmaari dosti sumit ke jane ke baad hi shuru hui. kya kare pahle vinay or fir sumit k jane ke bad tujhi sa kaam chalana pda. tera roj cycle se aakar mere hostel rukna, mere sath new SAC me ghumna, teri lyf ki stories btana, sth mv jana :-) or tere library se aane ke bad H15 jana. I miss everything. vese marine drive ke lie jo tumhe nakara gya tha, i am not responsible for that.. vese tujhe bachane ki to boht koshish ki mene dusri ladkiyo se, pta nahi kitna bacha pai. Thank you, tu har wqt mere sath tha islie. or hmesha ese hi rhna. or filhaal to tu dost banke hi indore aaja, abhi hme boht enjoy krna he, ghumna he.

I can never forget time we had spent in the insti and of course we are going to be in touch forever outside of the campus. You have always inspired me with your dressing sense and your inbuilt confidence. you are shopaholic and that is one of best thing in you that I love. There is a lot of theing i want to want to write like we had cut a bicycle lock. , in numerous incidents.

Rajan Shukla :

Prasad Raju : Vikas, I am happy that you have written so much about me but I am sad as I have nothing much to write about you. After reading what others have written about you, I really feel bad that I missed interaction with you. I have always seen you as a person of high motive and wants to achieve something big in life. You valued friendship more than anything. Thanks for supporting me caring me and remembering me. I wish to maintain friendship with you at least from now onwards. I wish for your success, happiness and good health. 😊
