Saman Siddiqui : Mrigank, You remember the cards analogy that you taught me? The one where you live life with the bets you've lost and the cards you have? I still remember that and often use it to pick myself up! Thanks for being the amazing guy who before a paper spent hours cheering me up and saying really smart things that I'll never forget <3 :P You're a sweetheart and I know you'll do absolutely amazing in life! Thank you for always being honest with me! I'm gonna miss you so much <3 :')

Sumit Singh Yadav : You're the only guy I know who has multiple GFs, never understood how though. The late night BnB chits chats were great. I admire your confidence in everything you do. Wish you a great future ahead.

Sahil Chalak : Cheers to the best mentor I ever had in insti! MI me aapke saath kaam karna, aapke aur team ke saath infi movies dekhne jaana, bahar khaane jaana, aapse life ke saare fundae lena, chahe acads ke ho chahe POR related sab miss karunga. Maine sach me aapki advice se, kaafi bade decisions liye hain apne and every time I look back, I realise aap nahi hote to kya hota mera! Thanks for being there for me always, hearing out to me every single time and convincing me to take some of the best decisions in life that I could have. Pata nahi next time aapko laxmi e? kab pooch paunga but I hope we stay connected always. Thank you Mrigank! All the best, aap machaoge hi waise toh but fir bhi :p

Atri Dutta : Cant remember even how we met, just yaad hai ki there was always this tall thin guy around. Tereko yaad hai tere ghar ke bahar wala fire hydrant, jahan hamare stone throwing championships hote the school ke baad? Kya epic din the. Ab to tu colony se nikal gaya, Strategy& me bada aadmi banke hamein mat bhoolna. Keep in touch, bro!

Rishabh Agrawal : Yooo Mrigank !! Met through TT, bonded through MI and will always be in touch (via messenger games 😊). Apna last encounter best tha, bahut buri tarah haraya tha aapko 😂😂 All those bakchodi and treats will be missed 😞

Mrinal Agarwal : Hi Mrigank! I hope graduate hoke Strategy& mei machane k baad bhi kabhi time nikal ke "Yo" message aaye apka 😊. Although mei kabhi laxmi chal nahi paayi apke saath but I will miss those random post dinner 11pm messages on hospi group which says "Laxmi enthu?". But I promise the next time you ask this, hum sab challenge and try krenge ki Himank bhi aaye 😂. Don't forget your so called "Aye Aye Captain" of your incomplete design project 😞. See you soon senior 😊. All the best♥!

Puneet Kaur : Heyy mishuu♥ agar koi hai jiska merese bhi kharab sleep cycle hai, toh voh tu hai xD I'll always remember how we prepped for your interview, H7 mein :) Breakfast with you, at McDonald's after cleanliness drive was epic ♥ so were the walks and CS dept mein baith kar kari baatein and endsems ke time kari padhai and masti. Elec lab mein argue bhi kara toh final project submission ke baad 😂😂 Kaisa sa hai 😊♥ Some of your philosophical and logical stuff is so heavy and true, mujhe process karne mein time lag jaata hai xD Teri smartness ke liye toh next level respect hai 🙏 BB, Marine Drive, bhandup, pizza hut sab mast time tha yaar ♥ strategy& macha dena har baar jaise. I'll miss you ♥ yaad rakhna mujhe 😞

Suchit Sharma : Yo Mrigank<3! No one can deny the fact that you are one of the most helping seniors in insti. I'll always remember the day jab aapne subah 7 baje mujhe apna consult interview ka case explain kiya tha. Itna laxmi enthu hone ke baad bhi sirf ek hi baar leke gaye ho mujhe laxmi. Mujhe laga tha ki last sem toh aap bhar bhar ke treats doge. Aapki treat hamesha ke liye pending nahi honi chahiye... Ab jab jab miloge tab treat doge! Finally, Thank you so much for everything and All the best for all your future endeavours! Itne sare common groups hain apne... kisipe bhi msg dalte rehna aage bhi :p

Rushabh Vora : Yo sir! Apan mile in the 2nd year as hospi coordies and waha se leke playing TT together se you helping me out with my placements ♥♥, we have had some great times. Tere fundae kabhi kabhi bahot heavy hote and mujhe bilkul nhi chamakte the😅. I will miss our senseless chats which comprised mainly of "Arre sir, nhi sir, wo to aap ho sir"😂. All the best for your future endeavours (ik ki usme bhi machayega hi like every other thing) and stay in touch

Pavani Jeet Jignesh : Mrigank my boy I don't remember how we met but I guess we share tons of memories together 😊 studying late nights in library, being room-mates, last days before placements, and random Gullu dinners. End moment me padh kar Nanavati me AA lana 🙏, MI machana and bhai bandiyon wala gyan in CRE. You have always been supportive when needed, which is always during midsem endsems, and during Placements ki prep especially for FlowTraders ♥. I still remember the day jab tu bhand hoke room pe aya tha, after ur MI handing over party.. Ur ppt design and analytic skill 🔥 lit hai (Masters' Union). Kafi machaya hai kafi machana baki hai, chill koi mast B-school mil hi jayegi 😊. Best of luck

Sagar Kumar Seth : Yo roomie ! From strangers living together to close friends ! It was quite a journey staying with you. I remember how complementary our sleep cycle was in the beginning. We were usually never in the room together ! Eventually I succumbed to your sleeping habits :P. We really became close friends in the later years. I am still looking forward to defeating you in 100m someday ! Thank you for all the life fundaes ! You are one of the smartest person I have met. Your attitude of making things work for you inspires me. Aise hi machate rehna ! And baada aadmi banke bhul mat jana :P.

Vedant Ladha : Bhai!! I think hum pichle 5 sem har midsem-endsem ke liye saath hi prep kiye the. You are one of the smartest and most hardworking people I have met in insti. Ek raat padhke bhi machata tha yaar tu. :P And thanks for helping me out on so many occasions bhai. From helping me out with assignments, exams and most notably placements, you were really there for me and I couldn't thank you enough for it. I still haven't given you a proper treat for it (gulle cafe mein nahi deni thi bhai mujhe ye treat), jaaha bolega chal lenge once this gets over. Let's hope ki apan milte rahenge, kyuki dono ki posting idhar hi hai 😊

Himank Jain : Hey Co, I will tell you one thing which we can't do and you will come back with a solution how we can do it. That's pretty much sums up our equation. You are so motivated and determined towards things which matters to you in life. There are lot of things to learn from you be it meticulous or hardwork. You have always amazed me with your sheer ability to turn arounds things so easily. I am not saying that it was easy to become a Co with you:P but it was completely worth it and I totally enjoyed it. I hope our bonds will remain the same over the years to come. I would like to end with "Please don't think too much." It has been a long time we played TT together. Let's catch up soon.
