Nikhil Pisal : The gif king. Nowdays It's really difficult to find a person like you (endangered species bolna padega) I mean we have many things in common.(Songs ho ya movies). You always had a good sense of humour. Thank you for suggesting great movies. Somehow you always missed our hostel movie night 🤔. May the force be with you my brother.

Manish Yadav : Bilwal naam viswash ka, bhoot ki kahani share karna aur vo WCTR ka time. Humesha cheerful rahna sikha hai bhai tere se, aur Han bollywood movies ke lia ek baar bolne par tyar ho jaya kar 😄😄. Rato ko bin baat ke lia canteen chalne ke lia, aur har kaand main saath khade rahne ke lia thanks. Aur Han Noida main khle aam goliyan nahi chalti aur sallu bhai movie nahi emotions banate hai 😄😄

Vinay Maurya : Aapno Gujju Bhai!!! You were the one of those in the batch with whom I interacted most in the starting days and soon became roomie with our Tiwariji. You were the one who motivated me to prepare for GPSC btw I couldn't keep myself attached to it long but you made it Bhai!! Itna chill banda jo sirf attendance marne hi department jata hai. Achchha hi hua jo humne jyada kuch nhi kiya project mein. Tu hi tha group mein jisse khi bhi jaane ke liye manana padta tha sabse jyada par last mein maan bhi jaata tha. Ek achchha mentor jiski sabki juniors tarif krte hai. Baaki tera gaana sunne ke liye hum abhi bhi taraste hai!! Ab itni hi khenge ki Sarkari Babu banne ke baad hume bhi yaad rakhna !!!

Ankur Tiwari : There is not a single person whose company I have enjoyed more than you... Though it may sound cheesy but I had spent most of the hours of my day with you bro... For me life of IITB started with you. The question was I am not ur branchmate to hume roommate bnna chahiye? The answer was yes from both sides. Apan Veg, movie lovers, simple life lovers jinko chhoti chhoti cheezo se khushi milti hai... We resonated at all levels. Your smiling face.... and comfort environment around you made the most goto person there... Aur koi bhi bakwas se bakwas baat kyu na ho... I never thought for 2nd time before sharing with you... Major missing sharing dal khichdi of Ruchi....Always keep smiling bhai 😊

Tarun Soni : Lot of memories line up with you. King of Jokes, tere one liners, movie Frick🎲🎲, perfect GIF. #sirf khane bahar kon jata h and one more # bollywood kon dekhne jata h. After so much discussion of plans we all end up with your choice, I must say your taste in movie is pretty good.in #endgames you all take water from____😂😂😂. We have lot of memorable time during these years in TSE and mostly successfully executed GOA TRIP that's all are ossam time.

Debiprasad Bhakta : Hey, billu bhai! Bhot kam logo ko hi dekha hai jo kisi bhi chiz ko itna sarcastically present karta hai😂. Aur tera gifs to lajwaab hai. Eksath phir khelenge mini militia agar firse mile toh. Be happy😁

Monimoy Paul : Sath mein project karne se lekar movie dekhne, party karne, Goa, bohot kuch kiya in do saalo mein. Pehle mein sirf movie dekhne jaata tha, fir movie ke pehle Dominoes mein cheeseburst, fir Dominoes+momos, aur kai prakar ke combinations ke saath mein waakif hua tere and Ankur ki wajah se. All the best for your future. Aur ab jab wapa ayega toh ghar se khakhra le ke aana.

Mohd Raza : Bhai first of all you are an awesome singer and you know lyrics of all my fav songs so meri besuri awaz ke sath bhi jugalbandi achi hojata thi. Woh marine drive ka nightout ♥. You are the gif king as well as the guy with best sense of humour. Manish aur ankur ki taang kheenchna katte wali baat par😂😂😂. The thing which i liked most about you is that you always run your thought process from a neutral POV and then you give your opinion. And your on the spot jokes are 🔥. Stay in touch brother!
