Pankaj Kumar Sahu : Hi Ratnesh! We did not talk too much but still was in touch thought the first year. Mujhe aaj bhi yaad hai We used to play badminton along with other classmates in H4 kaafi maja aata tha usme bhi. Tum jab koi bhi kam krte ho bade lagan s krte ho mehnat s krte ho like a big example of your work played in Magazine last year. You are one of the very mature guy i have ever seen. Kisi cheez ko explain krne ki power and capacity bhi kaafi acchi h tumhari communication skills bhi bhut acchi hai. You are also fun loving person. Kash aur time spend kr paata tere sath institute m kher Congratulations and all the best for your New marriage Life. Thanks Ratnesh Bro!

Padigapati Mallikarjuna Reddy : Bro!!!!!! How are you? I can say that you, me and Praneeth are the luckiest ones who got a chance to relive the college life and enjoy most of it. It took us no time to catch up with others and make the amazing friends during the time we spent there. I can say that sometimes you make me wonder how can a guy be too serious and too cool about same thing at different times. I enjoyed our time in Mtech lab watching movies, doing assignments and at last sleep in class :p. IIT Kanpur ka trip me maja aaya :P. Congrats for Shaadi and sorry for missing it

Ankush Kumar Singh : Bro, Class ke modi to tm. Bolne me expert, doordarshi aur sbko shi advice dene vale. Bhai maturity ka leve alg hai tmhara. Khe the MTP first phase me kuchh kam nhi hua tha aur bad me usi kam ko IITk me suna ke aaye . Jb kabhi mann se kr do ge to MIT (America vale) me bhi ja skte . jokes apart, It is fantastic to have you as friend in these two year. Hope to see you soon. All the best.
