Pujan Biswas : Mera kurta de, yeh bolne ke liye khulwaya acc XD Baaki H16 ki saare harkate yahan likh nahi sakte. Uss gaming laptop pe jitne movies tune dekhe hai, utne toh maine sune bhi nahi bhai. H7 aur H18 mai same wing hone se Chemical kitn *god* hai sab pata chal gya but fir bhi UMich chala gaya, mereko pucha bhardoon kya bolke XD Tera electronics ka knowledge shayad sabse jyada yaad rahega. Gala dinners. GC ke saath tere random sutte breaks. TF ke baad ka RUM-over ka shayad one of the most emo moments coz placement mai toh tune jo strength dikhaya hai, kaabil-e-taarif hai. Gwalior ki uss smile and epic song connects ko sabse jyada miss karunga. Please bhool mat jaana. Your Riptide, Bisso!

Vibha Srinidhi : Kushal yaar, I thought you were this serious and studious kinda person, what with your 10 SPI n all, bahut baad mai pata chala about your other side XD. Drunk nights with the team, evening runs listening to your amazing playlist, pizza cravings, and ofc the endless teasing, I'll miss all of it. All the trips together were soo funn.... the last night of the Pondy trip especially, unforgettable. Keep in touch always and machate rehna :D

Ashi Gupta : Yo Kushal! Poore tenure ke baad apni dosti hui😂... I am glad for that😊. You seems to be so sincere with 10 SPI 😂. Me and Rishika getting together to tease you was so much fun. Tera time management and planning👏. You can achieve anything with your hardwork, I have seen you preparing in placement sem. Last sem movie outings, running were the best! Maze karo ghar pe😊. All the best😊. Stay healthy. Stay in touch😊

Shreyash Seth : Mittal! Itne dope baap milenge mujhe insti life mein kabhi socha nahi tha xD. Poora tenure nikaal diya aap se sikhte hue, aur har baar aapke baare mein ek alag level machau cheez pata chalti! Thank you for all your help during and beyond the tenure. Aur woh aapke kamre mein bharpoor gyaan aur GC ya Shivam ke kamre ka aage ka kaaryakram kaafi lit rahe! Aur baap hoke ek bhi treat nhi di aapne...koi na milte rahenge! Aur treat toh nikalwa lenge(itna negotiation toh sikh hi liya hai aapse :P)

Rishika Gupta : It's high time you accept that I am the better Co 😏. Before DAMP, all I knew about you was as the only one from Chemical to have a 10 SPI 🙏. So much has changed since the first time we talked. Those packed interview days to convincing Gudi for something to discussing useless initiatives 😏 so much has changed. You are very smart, talented and hardworking person. Bas apne mein confidence rakha kar, you'll go a long way 😏 You always had my back and I am really glad I had the chance of being friends with you. Bas apne shitty jokes and GIFs thode improve karle to acha rahega 🤖 and also try new poses for your pictures. We still need to complete 2012 🤖

Notable moments would be jab pehli Baar magic juice try kiya tha Maine, aur Abhyuday ki meet pe bas hasta reh gya tha (much to your FOMO :P), that bike ride on the last day of Abhyuday which I'm still surprised we survived; aur bhai tere US jaane se pehle Prem ke room pe celebration (Chand mama ne Chand dikha Di uss din xD) Mumbai me hi rahenge to looking forward to more

Sayali Kshirsagar : Mittal!!!!!! You are such an amazing person. I am so glad that we became friends. Without your guidance, meri US trip mai imagine bhi nahi kar sakti. Our criticisms for each other's food made us better cook😂😂. I regret yaar tum logo ke sath ek bhi trip pe nahi aa payi😭😭. Thank you so much for all the help you have done. (forex card me we both helped each other😂) Plus thanks endsems ke time dry fruits laane ke liye😂😂 uski wajah se hi mera dimaag jyada chala tha exams ke time😂. I miss those study sessions though. Also yono quiz😂😂It was soooo fun. You are very smart but not more than me😂😂. You are definitely gonna rock ahead no doubt. Stay in touch always.♥

Anusha Dubey : Hi Kushal, I have always tried to be the bad cop since our tenure started :P but I know I miserably failed at it. Our Goa trip was awesome and you getting scared from me for 'things' was even more amazing 😂 Good luck for your future :)

Ayushi Panghal : Hi Kushal, I still remember your manager interviews, I had to fight with all my cos to have both you and Naman in the marketing team. I believed in the both of you from the very beginning and I'm so glad I did. You guys were not only fulfilling your *POR* duties but were fuelling my dream and you guys made me so proud. I've always been so inspired from your maggu machauness and extremely humble and calm nature. I'm sorry I couldn't be there as much as I wanted to for your placements but I promise I'll make up for it in future and will always be there when you need me. I just want to say this - believe a little more in yourself, you'll do wonderful things in future. Love always, ayu. <3

Naman Chindaliya : Mittal bro. Mota ho raha hai tu last 4 sem se. Very disciplined and professional when it comes to work. Yaad hai apna target tha sab IBs se zyada paise lane ka, woh nahi hua par kafi progress ki apan ne. Bhutan trip will always be in happy memories section of my brain. Kitni high level baate ki hai apan ne😂. I love to be passive aggressive with you😂😂 irritate karne mae maza aata hai. Itne time sath kaam kiya kabhi difference nahi aya. Apni synergy awesome thi. Tu best hai, aise hi rehna. Milte rahenge.

Rohit Kumar Gupta : Mittal GOD! I still remember our meets with L&T wali ma'am. Apna wo discussion karna meets ko lekar and aur phir H7 lounge mein ppt banana, Bhai wo meets alag hi hoti thi 😊 Bhai tenure mast raha yaar tere saath and fest ki marketing tune alag machayi 🥳 Apni murud-janjira wali trip toh kabhi nahi bhulegi (puri team ko pata hain kyun 😊) Tu bahut chill banda hain yaar and helpful toh kaafi hain 😊 Thanks for all the help you did 😊. And please arpit ke wo faltu ajeeb jokes ko support karna band karde (you know kaun se jokes). GC ke aise hi maze lete rehna and btw mujhe breezer peekar mard nahi banana :P. Touch mein toh rahenge hi apan. Dekhte hain bhagwan kab milne ka mauka dete hain 😊😊

Arjav Shah : Kushal Sir! Someone I've always seen smiling, no matter what! Kaafi machaya hai aapne har jagah _/_ We've had some really fruitful discussions albeit they were constrained to acads or mentorship :P Remember my long formal email to the DAMPCs? :P I still remember the way we awkwardly talked to each other after being introduced thru the ITSP project which we never did xD I've heard a lot of your US stories from Manan & Abhyuday ones from your hon'ble co-manager ;-) Aapki seriousness & sincerity alag level hai! Here's hoping that our paths cross again in the future & wish you the best with everything! Stay in touch :)

Adarsh Rathi : Kushal bhai, first year se hi saath mei b*****di ki hai humne, saath hi kitne assignments diye hai, minor and TF and DAMP. Tu bhai kitna hasta rehta hai, achha hai, matlab teri maaru bhi to tu sportingly has ke leta hai. Imagica trip mast tha be. Bhai tu kitna RR kiya hai pure 4 saal but utna hi mehnat. Apne goals similar hai as we have discussed so many times in mess. I hope you do good ahead in life in anything you pursue! All the best! Touch me rehna.
