Biosciences and Bioengineering

If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Don't leave any plans for last semester :)

2020

**Krutika Talegaonkar :** Hey cheeku salad!!! I remember the first time I saw you and passed the dialogue accha tum bhi hamari class me ho!! I regret not interacting with you in initial days but later when we shifted to the BSBE wing of H 11, it became one of the most memorable days in IITB. From attending our first interview together to watching some good movies at night 3 am with Athena and Naemma and u becoming my meme supplier in this Lockdown..Your artworks, I love them!! There is thing which I have learnt only from you in this world is to stand up for something bad happening to yourself...This is the best thing about you which I like. I wish we get to spend more time in Mumbai together and make lots of memories together!!!

**Shubham Pallod :** Hey Ruchika, Why you so cool, dude? It's been an amazing time with you in insti. Our long never-ending walks, H1 ki chai, and Chea ke samose, I'll miss every moment spent with you. Your masala persona is probably your biggest asset and maybe that's why you made friends so easily. Your khurafati dimaag and skill of making boring conversations masaledar would even put daily soap villains to shame. It's sad that it had to end such abruptly but I've got many memories to cherish for life. And tbh it'd never feel enough. Also, I learned a lot of things from you and without those I won't even be able to write this. You've been a good friend and I'm grateful to have met you. Thanks for existing.

**Sayan Roy :** Ruchi, I have the happiest and saddest memories with you in insti. You are purely selfless and awesome human being. Without you, our little trips and campus roaming would have lost its terminal excitement. Probably, with you passing out, H1 mess people are relieved to know that their evening tea will not vanish in the air anymore. You faced hard times in the early second year, but you aced liked a Viking in placement and I literally jumped out of bed when I heard your placement news. I am really angry for all the times you first made plans and then let me know so that I cannot cancel them later. You were the coolest host and I am forever grateful to you to bring us four closer.

**Athena Susan Sajan :** Hey neighbour! You have taught me some of the most essential things in life ;) . Thanks for the heads up! You and your snapchat filters!!! We had not even gone through half of our checklist. Damn, woman you gotta learn to float and paddle with what your mamma gave ya! Promise me you will. Thank you for the charcoal pencils. #Lifesaver I wonder if the other half of our Papaya is still in the fridge.... Thank you for the hand-me-downs. I was going to give you my denim jacket. You can rock it better. Now 'stooopid' and 'dogo' are a part of my lingo. Thank you for all the love, my dear Ruchika. <3 I know for sure that this one will stay <3

**Vaghela Sagarkumar Ramniklal :** Dear pandeyji ki bacchi, Floormates in the department...sorry yar me tujhe iit delhi me nahi pahechana..tera patta b kata waha pe mene..but as a person you are really humble and nice with everyone..itna to nahi jnta ujhe but...as in jitna b janta hu tu cool hai..thank you for being with me as my classmate,friend...all the best for bright future..😊

**Bharti Arora :** Hey Mommy, u woke me up daily for breakfast, cut my bangs, sewed my dresses, listened to my endless crib be it love misadventures or career disasters; You did all of it irrespective of how YOU were feeling in ur own life. That's how stupidly caring u are! You were the spice of my iitb khichdii XD. Your self-convincing power of 'liking what u get' amuses me :p. I wish I could learn deceiving myself from u. You are a fighter within, even though chill Dilli vaali bandii kii vibe hai on the exterior. Shaadi kab kar rahi hai Manoj ke saath? Goodluck bro :3

**Naeema Manika :** Cheeks.. I love you too. You say I don't care but you know I do. I would have never survived IITB without you. I MEAN IT! Tera blunt home boldena hurt sometimes but I always knew you were being truthful. Bahar nahi jaane ka naatak I hate that. 1st sem thou baat hee nahi kiya, my bad...but Insha Allah we'll be together for lifetime. Pareshan karungi hamesha🐱. I NEED YOU. This space is too less(<<1%) for me to write about you. Love you for being you in my life <3

**Soumili Sarkar :** Hey 25%Bong Beauty!! I wish we could have started this friendship in 1st semester..I remember how quickly I connected with you, all thanks to A-wing's washroom.Truckloads of thanks for the lovely waffle,you reminded me of Tanya :)Thanks for all your love and support. You have no idea,how excited I was when I got to know that you got placed! I wish I could spend more time in your cozy room.
