**Rohan Potdar :** I remember having seen you, a sincere gujju in the freshie year for the first; jisse freshie year ke end tak pata nai tha ki canteen kaha hai. Fir coming years mein asli roop nikal ke aya tera. It was surprising to see dank, anti-feminist and infi such categories of dark jokes become your staple entertainment. Last moment padhai, movies, bakchodi etc. mein kab 4 saal nikal gye pata bhi nai chala. We never got a thank you for the wonderful Bday present :))) Placement team mein bhi you were one of the most hardworking people. Abhi IIM bhi deferral mil gaya, life is sorted! Aise hi machate rehna! Milte hai jald hi!

**Prem Agrawal :** Bhai you truly are a gem, most kind and humble person. Galat yug me paida ho gye sir aap. Tu shi me bhai h mera. I regret so much ki pehle kyu nhi mila terse. Placement prep me infi help kia tune. Aur alag level mchau to ho hi, hme kaha hi tha 🤔 I admire you a lot for many things be it your ideals, thoughts, humbleness and a lot. Placements ke time bhi kaam krte rhe and saath me pura dhyan rkha mera. Is sem bohot masala dosa khaya and hope aage bhi chance mile 😂. Last sem to tere room per hi raha me kaafi infi baatein ki apan ne over many things, you are so much fun to be with. You are one of the best take-away from insti. Bs bs bohot senti ho gya. Baaki text per baat krte. Jsk ❤️

**Adarsh Attavar :** Gujju boi, the original sasti, kya hi likhu m idhar. I think we first met during that treck, kalavantin.. something. Uske baad se toh sab Mast rha h. From all the times you've helped me :) to all the backchodi in your wing, kaafi enriching experience raha h. Sunny legaya m teko itni baar and finally convert hogaya tuh, that is definitely my biggest achievement :p. Talent toh bhar bhar k h tere m and alag hi machaya h tune har jagah. Football, PO nights, road trips sab Mast rha h bro and many more to come. Apan dono intially introverted they but dheere dheere sab sort hogaya and very lucky to call you a dear friend! All the best gujju boi aage toh milte rahenge :)

**Hiranyagarbh Narale :** Thank me for taking you to Sameer this sem. Otherwise tu kabhi nai jata. 😊 It was the best day I had on Sameer! Road trip was awesome! More to come! 🙌 I'm glad that I have a caring, supportive friend who always keeps motivating me. Can't thank enough for always being there for me! ♥ You have excellent communication skills and ability to make friends. Kafi aage jayega tu! 🤗 We've been constantly together since freshie year, and our shared common interests have bonded us stronger than ever! I consider myself lucky to have met someone like you. 🥰 700 words aren't enough. All the best! ♥ We'll stay in touch!

**Akshata Dalvi :** Karan.. we have seen a marvellous journey from that awkward conversation outside PO to having infii long discussions on the most fundamental things. I'm yet to meet anyone more rationally and critically evolved. You've managed to surprise me with real thoughts and learnings about insti. 😊 I'm always going to remember playing connect with you.. kitne tough words bhai. N our Kashid trip.. late-night driving practice, playing catch catch n ur weird sand theory. 🤔🤔 Ur music and movie taste is truly unique.. Keep the recos coming! N I'm sorry for typecasting ur taste 😊 I'm sure you will make a colossal impact no matter where you go. Wishing you all the success and happiness your heart desires! ♥

**Sanit Gupta :** From the maggu freshie jisko 16 ki canteen nahi pata thi, insane growth hui hai tumhari chhotu jiska aadha credit mujhe jaata hai. I'll always remember walking into your room jab bhi mann kare and fir discussions on all sorts of topics from politics, sports, movies and music (I'll admit you have decent taste) to to life in general. Also, doesn't feel nice to see someone flush what you gifted them on their birthday. Touch main rehna ka toh question hi nahi hai, of course rehne hi wale hain.

**Divyam Bapna :** Karan!! Tu to one of my first friends in insti h. NSO me saath saath daudte the, tera sprinting ka enthu bada jaldi nikal gaya lol. First year me to bade plans the fit rehne ke aur ab dekho. I still remember counter strike khelte the apan tere room pe first year me. Machau to tu h hi singing, cricket, finance sab me machata h. Congrats on cracking IIMA, wasn't a surprise though. Aajao Cabo khelte h.

**Naveen Kumar Yalal :** Freshie yr bas classes mein profs se baat karta tha tu, kaha gaya woh maggu karan? abhi toh bas haggi trivedi bacha hai, jisko dekhte hi disgust feel hota hai. Woh teri "I'm very smart and I make mom jokes on you" wala creepy smile nahi bhulunga mein. Kaafi dank sense of humor hai tera(not) aur phir bhi mere comebacks pe "Kya mast joke maarta hai tu" hi bolpaata tha(of all the other things). Sach sach bata tu PO bas phukat ka khana aur AC ke liye jata tha na?(obvious gujju). Mess mein bahut maze aate thei yr tere jokes aur khane ko ek saath digest karte hue. Bahut machaya hai tune waise(ghanta) ghati insaan, marathi bhi bol leta hai par fir bhi single hai(sad). Bas sasti aur hasati rehna be.

**Neil Dalal :** Trivedi!! Or KT, that's how I knew you for years until the 4th year when we started to bond so well. You come off as someone who's always eager to learn and try new things. You seem to know what all you want to do and you get those things done effortlessly. Always fun to hangout with you and hope we continue to have such wonderful trips and outings. Wish you the best in life; Until next time \*Cheers\*
