Nishant Mehra : The chill times from room no. 1 to constant struggles from H6 to yadav tea stall, enjoyment and random talks are always the part of these cherished times. From hyper moments such as that of playing FIFA to calmer ones like listening to bhajans on the new year morning near powai lake, the journey is surely remarkable. In conclusion, please canteen jaa rahe ho toh ek coke and thode chips le aana lol.

Satyam Mohla : Sophie year se lukkha kat ta raha tere and kawali ke ke sath. fir pure wing ke sath. Good times. I happy to have known you as a friend in last few years and man, stay in touch.
