Animesh Singhal : Here's to the 1st Starboi & my best bud! From becoming wingies to sharing life goals with you, kya mast time tha apna yaara! You've literally pushed my back in gymkhana to keep me going. Witnessing your fitness journey has been very inspiring and it proves that you're made of steel! From Kshitij garden, placement prep to dancing & jamming together over the years at Convo, yoga room, H5 lawns, H7 bonfire, OAT, Insti busking, H15, H5GT, Dance room, aur hamari wing, we've made countless memories together. Tera darvaaza, deewar aur bean bag yaad rahega. Yaar teri smile aur tera fun attitude hamesha apne saath rakhna. Aur mujhe phone karte rehna kyuki picture abhi baaki hai mere dost <3

Ravi Jain : Bhai patani sab tujhko chill kyu kehte hai....sabse jayada magne k lie tu hi BT khata bhi tha aur deta bhi tha exams aane pr 😞. Bc tera magna kabhi khtm nahi hota tha, sab magne ke baad bhi koi padha rha hota tha toh tu H5 se 2 aa jata tha. Waise tu mast banda hai...tujhe sab kuch sath m karna hota tha aur tu kr bhi leta tha. Pr wo mere room pr padhai se jayada prof ko gaaliya dena, bakchodi krna har exams k pehle ka scene ban chuka tha 😂😂 Chal aise hi machate rehna and be in touch aur randi rona kam krde ab toh.

Shubham Jain : "Bhai padha de", "Bhai notes dede", and many more!! Jab tak tu har bande se nahi padh leta, teri magai khatam nahi hoti. Itna bada maggu to vivek bhi nahi hain, jitna bada maggu tu hain. First year se POR, aur internship mein jitni mehnat tune ki hain, shayad hi kisi aur ne ki ho. Pdhane ke baad 10 bhi lekar aa gaye, POR mil gayi, internship/ job bhi lakho ki lag gayi, lekin itne achievements ke bhaujood aajtak ek bhi treat nhi di (frugal). You are one of the most dedicated, hardworking person i have met, keep going the same way. Consulting mein macho aur jald hi company khule to hume bhi bata dena joining ke liye. And remember, this post is "not" by mistake :P.

Ujjwal Kumar : Aare bhaiya aur koi lab report ya assignment ya notes to nai chahiye na. Bhai sahab har lab submission ke pehle ekdm last moment pe ek pen aur lab paper leke pahunch jaata tha :, Aur phir pura time lab me bhai ye kyun kr rhe ye nai krna life me uff. Bhai jitna tune lab me give up kraya hai utna hin intern placement ke liye genuine fundae diye hain. Aur I guess 3rd year ke intern ke baad kitna bolne pe tune finally ek pastry khilaya tha :P Aur tera traditional bhai sb chill hai dialogue. Sahi hai bro sb chill hai aur aise hin chill rehna, machate rehna aur civilians group pe kuch bakchodi daalte rehna. Stay in touch bro :)

Poorvi Hebbar : Wigo, wigo, wigo. :) I hope that brings a smile. Holi k mazedaar experience k liye bahut bada dhanyawad. :P Stating the obvious, aap awesome toh hi, ek din ye na sunne mai aa jaye Monisha beta "Luv" bolo, "machaxx" is so middle class. :D Aap toh mere memory booster ho yarr...itne saare references! Uff mind==blown <3. Aasha hai ki aap apna Kanjurmarg vala record tod dein, graduate hone se pehle and Friends finally complete kr dein. Bs hide and seek chupake rakhna nhi toh diet barbaad bc. Maafi. :) Aapke infi aur exciting stories sunna baaki hai yarr! Milte rehna and lastly 4 baj gye and party abhi baaki hai! :P

Kaafi positive attitude hai tera, itna resilient banda aaj tak nai dekha. Keep in touch bro, road trips jarur karenge aur! Looking forward to your start-up! Interns karte rehna!

Vivek Sehgal : You are the most hardworking and dedicated person I know. I hope you realize you have achieved amazing things. Best roomie one can desire for. You have helped me in my difficult times and encouraged me several times I am thankful for that. First year I was not so compatible with you but with time I realized you importance. I know you have changed into more humble and nice person apart from many other qualities. Late night talks we had were great that I will cherish. Hope you continue being the caring, enthusiastic person you are. I think I can write a book on you, but I have to end now. I wish you achieve all you desire for ♥!!!

'BC tu saala Luv ke jaisa Senti maarta h' is surely one of the greatest compliment I've achieved. I will try my best not to make this a vaalfi thread post. Thanks for introducing me to guitar and in general a lot of things. Have to admit it, if it wasnt for you, I wudnt have studied only. id rather start studying than hear you say "mug le bhai/pada de bhai" a million times really. Always wants to sit behind me i dont even know why and ends up scoring amaze anyways. Also, kudos for being almost everywhere from music to dance "etc" (list too big). Also always has something new to show off. Bitch.

All the best for your future. Tumhe time milega to mil bhi lenge :-P

Aditya Kasture : Mr Luv! You know, this is the most difficult one because you are like a batchmate to me and compile karna in limited words to what we have gone through over the years is just not justified.. But anyways, YES mujhe sab kuch yaad hai! <3 Right from the time tu ek naya ladka tha (jo Animesh ke alawa dance me kaafi enthu se aata tha) to our last gyra and the last meet. Tu pillar rha hai yr h5 me and honestly you are one of the few jo truly hostel se pyaar karte hai <3. H5 canteen shop was the ONE time jab i wasnt in control and you just had to be there, didnt you! Puri senti to milne pe hi hogi and I know vo jald hi hoga! I know we'll be in touch. I dont hope :P
