**Riya Singh :** Hi Rahul! I have talked to you only once I guess (7th sem I guess) and that too approx 5 minutes. But that conversation was enough to make me realise how sweet you are and why your wingies call you mummy.

**Phuntsog Wangchuk :** Bhanduuuuuu! Thanks for putting up with my r@ndirona through the final few sems, teri motherly presence yaad aayegi. IIM mein apne IITB ka naam roshan karke aana, so what if tu apni behen jaisi glory achieve nhi kar paaya CAT mein. Bhagwaan kare tera haircount teri Divya-count ki tarha badhti rahe. Cheers.

**Pranil Joshi :** Your smile is contagious! RR karte karte bhi haste rehta hai xD. I love that you are always available for everyone. One of the coolest people to just hit up and talk to. Can't imagine ever being bored when I'm with you. Always optimistic, always sorted. Will craxx it where it counts, and nowhere else. Mah boi bhandu.

**Aman Mishra :** Bhanduuu! You are one of the smartest people I know. Patil and mene khoob experiments kiye tujhpe. I can proudly say tera gudgudi tolerance badh gaya tha. Apne roomie month me bohat maja aaya, vo apna minimum effort masterpiece kya mast tha. I hope scooty chalana seekh gaya hoga tu. Truly a mommy! Lub you always <3. For future Bhandu: Agar ab gudgudi nahi hoti hai to you have gained a permanent immunity, let me know so that the results can be published. Agar abhi bhi hoti hai to its time to get your dose of extreme gudgudi to increase your tolerance, meet ASAP.

**Sanyyam Khandelwal** : Bhandu!! Puri elec junta jiske pass aake RR karne aati thi phir bhi ek smile ke sath sunta tha sab. Thanks for all the support and guidance mommy. IIM mai macha dena and thoda room saaf rakhna seekhle yaar. Stay in touch and thanks for all the memories. PS: Bachchiyon se yaad aaya, vo Flight kaisi thi xD

**Kratvesh Pandey** : Kya hota mera tere bina insti mein seriously? You were always there for me. Always. Listening to my emotional drama, mera acads ka RR, mera all time sports partner ( aalsi sala). You were the Mummy of whole group but I take pride when I say that meine sabse jyada emotional support liya hai mummy se. Insti mein we have countless memories but the time when you came to meet me in banglore will always stay close to my heart. It was best part of my internship and was the necessary catchup after two months of judayi :) And no doubt, you know me well enough, so you know I'm never getting out of touch. Will always haunt you xD

**Drish Mahnot** : Manglik AKA Mummy bhai kitna zyaada important tha tu for me (and tera room, mera permanent safe space). From only knowing you as Mummy in freshie year who can teach me anything (although hard to call it teaching) to daily infiltrating your room despite your efforts in final sem, it has been a great journey. Logic GC ki kabhi treat nahi mili mujhe :( Finally, always remember ba-ba-ba BAAM, BAAM! Nancy for life. Video banaayenge wo waala kabhi!

**Abhijeet Banthiya** : Mommmmyyy ! <3 You give off a positive caring vibe, and I'll always cherish the time spent with you. Thank you for the special aloo bhujia (please parcel me some more xD). Your dedication towards the things that you get serious about (for instance CAT) is something I admire a lot about you. Always stay the same awesome and chill person! All the best boi ! **Yash Shrivardhankar :** And here I go... Bhandu boi, I missed you man. There's no maybe - YOU ARE THE BEST TEAMMATE TO WORK WITH! And those standards are gonna cost me in the future xD You are one gem of a friend and a person. What a great listener you are! Thanks for standing my random shit for 4 years xD. I have had some of the most interesting conversations & debates with you. Being more than a wingie helped me to learn loads from you! If I am doing anything new, I know you'll always be up for it! Remember the Worli Photo walk! Bhagwaan kare tujhe SOLIDWORKS kabhi chalana na pade xD Chal, it's time to forget the RPD stuff :P Looking at our time at Silverstone, we really need to roam around some more countries xD

**Pragun Badhan :** Don't listen to others, room's clean enough as long as you can find whatever you want. Watching you down IB is a delight. You're gonna go make new friends at your next college, don't forget me ok we're practically family ;-;

**Sriganesh N :** Yo! We had interacted during the IEOR course in 3rd sem and again during Manch. Both times, you came across as a pretty chilled out, smart and enthusiastic guy. And next time I saw you was in the news articles xD

**Viral Shah :** Kya re bhandu har jagah short cut maarega !!! Duniye se alag he chaal hai teri. Sabko itna pyaar deta hai ki Mummy bulane lage hum. Kaafi buckchodiyaan ki hai apan ne saath me par sabse bhari toh redbull racing incident tha tere saath... kya look diya tha bhai usne apan ko. Mumbai aao kabhi toh khane zarror challenge saath me, kya pata wapas double date he ho jaaye. BPP toh tere se karwa ke he rahunga mai. Racing karne ka tera decision toh sahi nikla par saala jab bhi tera naam team members me liya hai gaadi chal nai payi hai competition me.

**Vihang Wagh :** Ab Bhandu bole ya mummy, you have always been a great confidante in my insti life. Will cherish those sophie year summers, those month long nightouts with you and Bhava . I remember that day when you and bhava went to get samosas and only you walked back an hour later saying "Bhava ko actually bike chalanni ni aati" lmao. I was really hurt when you left :( You are great at anything you touch. Will remember our random convos on the walk back from LC. Keep in touch!

**Somansh Chordia :** If I had a choice to become exactly like some other person I know, it would be you. You always show a completely different perspective to things. Though teko heartless bolte but jab bhi kuch vent out karna ho toh patiently sunta tha. I love the way we are able to coordinate so easily. When i look back i can only remember a smiling bhandu. I've learnt a lot from you, sometimes even by imitating. F1 padhane ke liye thanks xD If at all I'm sure of someone being successful in life, it's you. All the best :D

**Anumay Ashish :** Manglik( or mommy), 4 years and a lot of fun, first year ke wing wali masti or that 7th floor ka bakhwas. Or even in class ke random jokes... and ofc saath mein padhna( rather regret that due to reasons best known to you mommy). Mtlb trust me you were one person that really came out as an unbiased and straightforward individual to whom i could go and ask anything and get an answer... Machate raho mommy( aur 7th floor)

**Apurva Chavda :** Manglu Lalu aur kalu ko kabhi nahi bhul payega ab tu😂 Will miss you mommyyy😭
