Kavya Bhandari : Wow I started buying hair & face products inspired by you. You were a big part of my 1st college girl gang. Chai aur bitching sun kar hi nostalgia hit kar jata h yaar. Love you and our wing always... <3

Veerupaksh Singla : Chugalkhor, attention seeker. Apna parties ke time ka senti. Ek dusre ko kaam ke time irritate karna. Meets and h16 me jhagadna. And ek kaafi randome incident 😊. Runner ki treat abhi tak mili nahi hai 😊. Aur rona kam karde

Rashi Gupta : Motiii! Thanks for tips and tricks, and giving me some fashion sense. I so miss apne cribs about the rest of the team, especially during the walks from H10 to SAC or H16. Wish we could have been wingies for longer...

Patel Sayan : Aage milte rahenge kyunki you are too special to lose. Aur bahut treks pe jaana hai abhi apan ko

Kushal Agarwal : Shruti! Summers was a good time jab har ideation meet mein tu mere sath fas jaati thi. :p BT kam liya kar logo ki, and apne TV series ka taste sudhaar le. Maza aaya tenure mein. Ab Deloitte mein jaake pareshan kar logo ko.

Rajat Kadam : Yo Iwa-aunty! I remember apni Pre-Summit ke upar arguments (hahaha) thanks for putting up with me then XD , ...soul curry mai Jim Beam enjoy karna, then Parag and Veeru ko gaali dena.... yes CMAP was ultimate torture but we pulled through...Keep in touch dude!

akash kumar : Yooo! sup madam! It's really great to be friends with you. Kaafi chill bandi, a pretty good dancer, with strong comebacks, udane ka mauka to nhi chhodti thi kabhi XD our team trips, road trips were really fun as well. I know maine kaafi BT karayi hai apne songs sunake in road trips, sorry for that:-) We didnt get much time to hang out after the tenure, but I hope we remain in touch and get to do that in future:-)

Namita Soni : Shrutiii, the most epic memory is watching Dr. Strange in theatre in first year. Thank you for being an assignment supplier for 4 years :p aur abki baar pakka trek pe challenge :p

Vedarth Choksi : Shruti! You are the last person I met in insti before the lockdown. Kaafi maze kiye hai trips me apan ne. Summit treats mujhe pakka yaad rahegi 😊. You were there jab mera Day 2 kata tha. Placements me teri infi BT bhi suni hai (Jiski treat bhi baaki hai, bhulna mat! 😊). Chai and Coffee sessions zaroor yaad rahenge! Aur cat memes bhejte rehna! I want you to remember that you are much better than what you think yourself to be. Never ever forget that. And I really hope we get to meet again. ♥

Navoj R : Yo Attention Seeker! Had a great time working with you alongside Sumit and Sumitra for Summit. Media+PR Machata hai. Lol :P. It is a popular opinion, but I probably can't deny, kam roya kar life mn. Anyways, stay happy and best of luck for your future endeavours.

Parag Mundhada : Shruti broo! Mostly the first female friend that I had in insti. Kafi memories hai saath mei. Moodi coordie tenure, Ecell co manager tune mera picha hi nahi choda 😊. Remember we going to Colaba for eating street food. Kafi highs and lows dekhe hai meine and kafi bt bhi sunni hai meine teri 😊 but I can say for sure tu kafi successful hone wali hai life mei! Abhi kafi khana banana sikha hai, merko khane pe bulate rehna aapne ghar pe! I know yeah senti kafi nahi hai tere liye but abhi ke liye kafi attention mil gaya hai terko 😊. P.S.: chole bhature khane kab chalna hai 😊

Sumit Singh Yadav : Yo attention seeker It was a great experience to work with you as a part of the team E-Cell, where we met for the first time. You have within you every quality you need to be successful. Wish you the very best. PS: i still remember the time you didn't let me write for the enspace magazine

Allen Bose : Boys usually ask other single boys for love advice, but why should I ask someone else when my girl bestie is a love guru. I don't think I have even submitted a single assignment without copying a part of it from yours. Fun times, when I used to copy your assignment, double-check the answer and then call you to tell about the mistakes. All those times after we get the papers and say to each other "kitna magta h bhai tu". The long philosophical discussions and ranting we used to have, I am gonna miss them. I have always been amazed by the effort you put into stuff when you are serious. You have some very big dreams and I am pretty sure that you have the willpower and skill to reach them.

Riya Singh : Hi Shruti. I think I met this aero bandi in RC-plane workshops. Our interaction was limited to mess-time conversations. I find you a person who takes things seriously and handle a situation with responsibility. All the best.

Ayush Dubey : Over these four years, your sense of humor has rocketed. Keep up the good work! There were some downs in the freshie year but I'm glad we've been good friends!

Tanya Mamgain : Hi Shruti ! Thanks for first year k ED lessons se leke final year k placement prep tak. Ya fir gadgil sir k class notes k lie jo solely tumpe dependent thi XD I had loads of fun with you! Will miss you alot :) Take care and I wish tumhari posting gurgaon ho !

Samruddhi Dodal : Yo! Tujhe dekhke hamesha teen tycoon days yaad aate hai! Proud to see you grow through your tenure. Mere liye hamesha meri bachi hi rahegi :) Stay in touch, and yes, I'm sure everything will always turn out well for you :D

Pujan Biswas : Ms. One Plus (;P), I think you are one of the first person, definitely the first girl with whom I spoke properly, remember the Lab sheets shop in the Main building. From there to this amazing fighter of a person, I was lucky to witness so much that has changed for you in the positive. Dude, also, please let me know how straightening your hair can confuse A. Sinha mannnn!! I sincerely hope those gods things helped for the better haha. I'm proud to see how you bounced strong from your low at H16, but it was all you man. I wish you ace everything you do in life. Yours, Bisso

Kushal P Yadav : Ek hairstyle jo badalde aapki duniya! Still remeber our freshie year antics and teaming up for that stupid controls lab :p P.S. : Don't change your hairstyle again , Deloitte waale confuse ho jayenge Sinha jaise :p

Varun Sule : Yo! Tera chai with sule waala idea kaafi sahi tha, bas mere mein stage presence ki kami na hoti toh main try kar leta kabhi toh XD. Now how that would have turned has become another addition to the list of mysteries, right after the identity of Carole Baskin's husband's murderer. Tera startup ban jaaye toh mujhe usme job dee dena. Keep up with your hardwork and machate reh! and keep in touch.

Rucha Pasalkar : Shruti madam! The influencer of our wing! The girl with high cheekbones, sexy legs and a sassy attitude! The friendship which started with chai deepened while swiping left on Bumble! XD We did have a lot of fun, but more than that, with you I felt genuinely very happy. It was soo much fun being weird with you, laughing so loud that our laughs echoed in the wing, (Chhavi: Didi apka aawaz washroom tak aa raha hain, itna kya has rahe ho?), gandi awaz mein gaane gana, aur tere naye Myntra ke products ki unboxing karna. XD Once a senior told me, that you are never alone in the wing, you always have someone to go. I never did really felt that before this year! Love you dude! <3 :*

Praveen Saran : Yo Forever *****!!! (ykwim 😊). I guess TTMM work ki wjh se apni achhe se mulaqat huyi thi. Maine infi Idai ki but end mai macha diya tune. Thanks a lot for that < 3. 3rd year summer ke chats and random calls hmesha yaad rhenge jab tu infi BT khati thi. Stay in touch bro :)

Umang Chhawchharia : Shruti, mai tera surname kaafi time tak lwanti pronounce karta tha :p . Dude tu team ki one of the most innovative member thi. Tu Team meets mai joh ideas deti thi woh kaafi new and unique hote the, which I always appreciated. I know we had our differences but that let me say this, I never stopped respecting you. Stay in touch dude :)

Patel Harsh : Shruti!!!!!! hamesha khush rehne wali, modern fashion me rehne wali, aur plans ke liye ready rehne wali.. though 3rd and 4th year me interaction kaafi kam hua h to pata nhi kitna change hui h.. :p I was just going through our previous chats and realized how good friends we were used to be. I really regret for not being as close as before to a person like you. I hope and request you if we can be that good friends again! barelli ki barfi(remember this was planned and organised by me and Piyush only:p), aur bhi outings, dinner, patol babu: the film star and aur bhi lots of fun that I had with you yaad rahenge. Would love to be in touch!

Himani Gangurde : Hello Madam! New wing jaaneke baad aapke darshan milna band hogaye. Teri dresses bhi nahi pehni kaafi time se 😊 Sab khulne k baad chalte wapis ahopping pe! And may you get all the Victoria's Secret products you want ❤️

Yash Kothari : Yo Shruti! From my lab partner in 2nd year to a really good friend, this was a great Journey. Talking about the lab group to usme to tu hi infi machaa deti thi jaar. Remember that mini project jiske liye kaafi time diyaa tha apan ne but finally rofessor ko trick karnaa padaa coz wo chala nahi tha and it worked😂. Kaafi study sessions aur all nighters kiye hai apan ne saath me 2nd year me. Aur thode nakhre ke baad hi sahi but mixed cricket me tu aa hi gayi and the match turned out to be epic(Tie in Super Over as well), thanks for that. Stay connected always and ho sake to mil bhi liyaa karnaa kabhi. All the best for your Future.

Bhatt Maulik Chunilal : Yo, hum exactly kab mile vo toh exactly mujhe bhi yaad nahin. But the first interaction I remember is from first year dept trip. Tab toh itna pain nahin hua tha tereko but pata nahin ye saal kya ho gaya. Remember your birthday in first year jab raste mai rok ke treat liya tha tere se 😊 . Sorry, aaj tak ek bhi treat nahi diya tereko. Pakke se next time milne par treat dunga. Fir 2nd year mai toh saath mai Rakshak mai aa gae aur infi mastiyan ki. Tere saath ladaiya karne mai toh infi maze aate hain. agar Rakshak ke dino mai kuch zyada hi pareshan kar liya toh.... Kuch farak nahin padta. Tu usi ke layak thi 😊. Ek achhe se trek pe toh tujhe pakke se leke jana hain. Tere mai ek achha hiker dikhta hain mujhe. Aur haan prom me mera jo kaata uske liye kabhi kshma nahin kiya jayega aapko 😊. Can't believe ki abhi saath masti nahi kar paayenge. Ek request hain ki insti chhodte time pakke se milke jaan. Ek last time ki photo khincha ke alwida karenge aapko. Life mai toh tu infi machayegi, bas iss gujju dost ko mat bhulna kabhi. mai toh idhar hi rahunga insti mai. Mauka mile toh aate rehna. Sath mai trek karenge. Will definitely miss you 😭

Kosuri Sandeep : Yo shruti!! I have known you from my first year since we were happened to be in the same division(You probably might not know me from then). My heartfelt sorry for troubling you in developing enspace. I am that guy in our group who could possibly defend you in any argument(in your absence). Same with you, you had defended me throughout the tenure cooking excuses for enspace. You are really a strong, bold, resolute, very mean and understanding girl. I wish we could have worked together for more time. Actually, I missed out writing review for you on that day(haha). I will be there for you in any trouble. Stay in Touch.

Apurv Tiwari : "Aap sabko bachcha banante ho mujhe bhi banao" randomly said in Kresit one day, and then there was no looking back. Bachhiyon mein sabse zyada treats tumhin ko mili hain :p Itna touch mein to nahi rahe apan, but jab bhi milte the it didn't feel ki infi time baad mile hain. Hamesha machati raho <3

Tera vo Nashe mei hokar senti marna and force krna and sone ke priority dena (koi mare toh mar Jaye par gate nhi kholne ka aur phone nhi uthane Ka) yaad rhega hame. Thank you for introducing me to dating sites (lol), forcing me to drink beer(love you for that), watching TVD together (hawtttttt stuff), planning trips together (kafi toh hue bhi nhi😂). There are so many things coming in my mind right now all at once. Starting from thinking about how the we became so close friends and how introduced us(I legit can't remember 😂). After our first few outings in freshie year, I knew that you are definitely my kind of girl and you are going to stay(and it was trueeeee). I enjoy your company soooo much, it's always fun and so real. Anusha Dubey : Shruti ♥ Starting from getting impressed by the cleanliness of your room in freshie year, I have always admired your discipline and dedication towards anything that you do. Hamesha se I wished we could have got more close but due to change in wings and PORs we somewhere got busy in ourselves. I'll miss all my pre-exam rants in mess with you (during night snacks) and wish we could have danced together, a li'l more. You're one of the coolest person I've met insti, hamesha aise hi chill rehna aur mujhe yaad rakhna 🥰♥ PS- first year ke baad mere kabhi marks nahi aaye 😂 tu wing me rehti to shayad tujhse inspiration leke aajate! :P
