Computer Science & Engineering  
Football | ISCP | PT Cell

Yearbook  
2020

**Nipun Mittal :** The best ISCP mentor I could get. Your sincerity and readiness to help are what I liked the most. Thanks for the Gulmohar party, helping in many academic doubts and many other things ;) Though we wouldn't be able to meet one last time before college, we'll meet again soon :)

**Shivam Sood :** Hey Deep, Getting through 1st year would be very hard if it wasn't for you. I can't thank you enough for your guidance and for your advice. It was great getting to know you. I wish the best for you and hope we meet soon.
