**Kirtesh Ajay Gadiya :** One of the twins! I had the most wonderful experience staying with you. Leaking your secret to the other twin. Never fell to trap like Loki set for you in the freshie year! Do not go to terrace as well in future!

**Shubham Jain :** Hi Ravi, well we have been a long 3 year lab partner. It was really great knowing you and especially that twin factor make things always interesting. Agar tere saath koi aur na ho, to tu bhaut sahi kaam karta hain, but jaha koi tujhe timepass ke liye mil jaaye phir to kaam kheechna padta hain. I had a lot of fun during our labs as there was always some source of entertainment. And haan, tera transformation last year was phenomenal, just keep the hard work and all the best for future endeavors!! :)

**Luv Nainwal :** Ravi bhai. Tujhse to last 2 saal me jo alag level bonding hui hai. Kitne classes saath me bunk kiye hain yaar humne. Yaad hai, "Profs be like ki ab ye bahar gya and poora class nhi aayega". Apan ne kisi ki nhi suni and sabse pehle nikalte the attendance marke literally 5 minutes be it a prof who's a DEAN IPS. Thanks for teaching me and Saving my ass a hundred times. Kitna khilaya hai yaar tune room pe. Har exam se phele tu hi padhaya tha last year. Insti me tujhse chill banda nhi dekha bro maine. And GYM enthu and tips to epic the tere. Ek last assignment maine finally bhej hi diya tujhe life me. 🤣🤣 Chill rehna bhai and please 2nd floor me calls mat karna. 🤣🤣 Stay in touch bhai. ♥

**Arpit Shashwat :** Ravi .. mess se apna naariyal paani utha le .. you have a great sense of humour . Kapil shama aur sunil grover ka combo hai tu. Cricket thoda seekh le bas, baaki sab chill hai.. aur sun Shaadi usi se karna
