Devyani Verma : Goyal baba, one of the closest people in my life! I cannot stress what an absolute pleasure it has been to know you and being "worthy" to be close to you. I have known you since freshie year and boy you have grown to be this wonderful human being (but aunty to the aur hamesha rahoge :P) Thank you for the gossips, for the "hmmm" texts, for tolerating me, for staying in touch and I already miss your cribbing wtf is happening lmao. You have been there for me in the most difficult moment of my life and I cannot thank you enough dude for just those little texts man! I am going to miss you and I really don't want to go into the category of people you don't talk to anymore so please stay :')

Pranav Thakkar : Abbe Goyal I can't decide whether to call you "sirji" or call you some choice cuss words... how can someone be so stud and so annoying at the same time? I'm so glad we chilled properly in Roorkee and I ended up making a proper DD friend. Ek baat samajh le, mai jitna boomer hoon utna boomer tu hai -_- I love the gossip sessions, the random cake eating XD and tu jaisa react karta hai around Coco or Jenny, that's truly priceless. Tu legit bohot sweet and bohot talented banda hai, I'll always stay in touch to see your artwork if for nothing else. Roz thumbs up aur hmm bhejte rehna <3

Diptashree Banerjee : IE syllabus ka 90 mins mein crash course lene se lekar kd mein itna enthu lane tak. Can't thank you enough for the many many useful fundae, yummy pizza treats (waffle pizza nahi pls 🙏) and naye-naye namkaran xD. Thank you for being so approachable and always available! Eagerly waiting aaplogo ki Taj treat! And ha, chasma pehen ke aaram se so sakte hai 😊

Shantanu Thada : Bhai itna machauness and modesty ek bande me kaise ho sakti hai!! It has been an absolute pleasure knowing you. Apni random bakar and gossip will always be cherished. Tune first year se lekar ISRO interview tak bohot support kiya hai and I cant thank you enough! Bas ab jaldi se milte hai and convo pics khichwate hai bohot saari! And I wish you all the best for all your future endeavours! <3

Aradhya Agarwal : You might not know, but you were infact the second senior (after my ismp) whom I talked to, after coming to insti (in the club orientation of Pixels, if you remember :)) Since then, I really cannot count the number of times you've helped in so many ways. From getting me that room in H2 during winters to always being a very reachable person, I seriously can't thank you enough. Will really miss having a senior like you in the insti, and also, please, Mumbai mein hi rehne ka try karna. ((I hope itni senti ke baad ab toh Taj mein treat mil hi jayegi? :P)) Jokes apart, thank you for everything, I'll always remain indebted :)

Sourabh Surage : Goyal...!!! first year me mile the... giving lots of fundae... aaj b TF vali briefing yaad hai jab itna motivate karne ke baad bhi aapne bola tha .. "avg tha" ... keep up your helping and cheerful nature always ... and keep in touch, your fundaes are really precious

Gali Meghana : Hello Goyal, kahaan chupe hue the itne saal apni gossips ke saath xD I'm glad we share the same enthusiasm for hot goss cause come on, what would life be without some drama. Keep cooking and keep sharing recipes, bas kismat main likha ho toh fir milengey aur sunny main hot goss 2.0 ka maahaul banaengey. Khush raho baalak. Lots of love, Meghana.

Nakul D Gbate : The mere mortals trying to decipher you while reading these posts I pity on them :p you are much more than that. The only persuader in my insti life, helped me take some bold steps and some not so bold steps. The ever enthusiastic 6 AM guy. TBH I don't reckon anyone climbing that stupid hill more often than you did. But yeah while living with you, us villagers got to know the concept of fame and how to handle it (You should probably write a book about it). Being said that I think we kinda grew into each other. I will miss the Ajmer food, those 4 AM maddu escapades, those emotional tortures (aunty -_-) and you waking me up at exactly when i told you to (stop it, its annoying). So thanks for making insti a happy place for me <3 PS - mortals double proof your plan while messing with him, this mofo will remember each and every detail and use it against you PPS - He fast forwards anime and tv series -_- PPPS - Tf will never be the same without you PPPS - I think I broke that 700 word limit, hackermann

Radhika Tibrewala : hello. I just have one thing to say cz kuch memories wagera toh hai ni nostalgic hone ke liye :P I hope jitna last 5 years mei humne baat ni kiya, utni next 5 years mei kar lein. Also, haweli par zaroor bulana kabhi :)

Madhur Sudarshan : I had no clue who you were when we first met in Roorkee but now I've come to know you as literally the coolest senior in Insti. I was always in awe of the inktober work you were doing, your endless stream of gossip, the trip to SoBo among many other experiences we've shared! Thanks for being an eBic friend

Harsh Chandak : Yo Goyal bhai kitna machata hai tu! Koi bhi cheez mey madat chahiye ho toh tere se puch lo, sab pata hota hai tujhe, ya koi na koi pehchan ka toh hota hi hai atleast xD. IE 504 mey nayi theory banane wala banda. Infi baate karne wala, notes maangne wala. Chandak padha de bolke mujhse bhi jyaada marks laata tha aur fir bhi rota tha :P. Humesha aise hi haste rehna aur bhool mat jaana :D

Karan Trichal : Hello chick magnet, since tune itna force kiya YB pe aane ke liye, not going to make what I write an easy-to-read thing for you :) Bhai sahab, maine DDP ke 2 phase milake jitni research nahi kari usse zyada tune tera resume banane mein kari thi xD Can understand that, after all the hard work you put into wooing 'her', what 'she' did to you was despicable, but then 'she' is an outright egoist who can't see beyond purely capitalistic gains. The 'one' you ended up with is hopefully more caring, doesn't have as much ego and will serve your ambitions well :) Khush reh, gossip sunata reh, aur muft ka, bina kuch kiye weight lose karna band kar BC. Also, 'tu tat*i aadmi hai' :))

Shashank Sarvan : While I am writing this for you, I am pretty much sure you're working on that DDP report. Constant rr is half of what comes out of your mouth, the other half being campus goss. You're the facad I never had- guiding me in choosing chill courses and DDP profs :) I can't thank you enough for your help during placements being the hopeless case I was. The walks we had to mark attendance was the only routine I had last sem. The few outings we had unfortunately involved 0 alcohol. Last sem me instead of drinking it all away, I don't know why we started playing tennis early in the morning :) We are far from being done, I look forward to the many parties pending.. (alcohol inclusive)

Aniket Ranade : Hello Goyal, sorry yaar bohot maje liye aapke, par aapne physically maara hai to I guess we are fair and square. har cheej ke baare mai kaise pata hota hai yaar aapko. Placement ka time tha aapne kuch bataya tha aate hue ye jaanke ki aap mujhe uss layak samjhe batane ke tabhi accha laga tha yaar. Thanks for the guidance and apologies for the bakchodi.

Arpit Kedia : Goyal aap sabse mast senior ho insti mein. Kuch bhi info ya help chahiye, aap humesha rehte ho. Aapke room ka vibe toh alag hi tha. Tbh it was a bit intimidating to be in your presence, just cause I didn't wanna bother you with my trivial problems :) Despite your resourcefulness and popularity, it was your kind and cheerful personality that I really looked up to. It really feels cheesy writing this, but you are absolutely an inspiration. Thank you for all the goodies and urging me to take Asim sir's courses! I am sure I'll be reading more about your successes. All the best!

Bhadri Narayanan R : Hi Goyal! The first time I met you was in freshie year when you were taking a CAD help session in H15. From there to TF times, where you were so eager to see us shine, giving everything that you can from your end. I admire how you stood with your principle of pyaar se samjana till the end <3 You blow me away with your friendliness and modesty. In a mysterious way, you have info about everything happening in insti. Baddy khelne mein kaafi maza aaya and our placement rants were a nice let out with your time to time intels.. Oh and we know if not for the passports, we would've definitely been selected in the competition XD I'm glad our paths crossed, keep in touch :)

Arpit Agarwal : I still laugh recollecting the way we first met and had a quarrel in TF room. I guess I messed up 😂😂 Anyways post that things did calm down and we did a not so interesting project in DFM course together. You have amazed me with the way you have grown post our first interaction- a TF manager with an amazing tenure, AP grade, multiple job offers in field of your choice. Aise hi machate reh aage bhi. I could have informed you about that Kamset Paragliding trip I went on. We will do something more challenging later. Thanks for the Catan game and do keep me updated if you come across such competitive games....

Mookund Sureka : Saari Gaaliyan tere lie kam hai. Last year mei kaafi bakchodiyani kari, maza aaya kaafi, hotlisting karne mei bhi :P (sad reacts only) . Thori gossip idhar bhi pass on karte rehna beech beech mei :p. Baki all the best and

Bhuyashi Deka : Considering how long I have known you we haven't talked much. Tbh I was scared of you thodu sa in the first year. But came to realise kaafi approachable and entertaining (:p) ho aap in the lukkhe sessions and KD. Sorry for not being an active member of chawl. Please don't banish me. Also thanks for giving him the push to msg me. Without you nothing might have started :p. Quarantine cooking mein kaafi inspiration mili aapse. But aapke jaise MasterChef level mein pohochne mein bohot time hai mujhe. Hopefully the day will come jab hum teeno treats wasool karne challenge. Finally I'll get to see you guys drunk.

Aditi Yadav : Hi Shubham! The only good thing happened with me in this lockdown is a new friend. :p (credit goes to your junior who thinks "you are the best sketcher in the insti"). We started with hari puttar, changing my dslr settings and you teaching me some photography, and here we are with tanya, adha etc etc. xD Stop showing off your cooking skills, sketching skills, photography skills, editing skills, time management skills , counseling skills...etc etc skills. I am glad that we became friends. Stay the same. Best wishes. (Kafi sabhya likha hai :/). O.K. Bye

Ashutosh Kumar : First of all Goyal, how do you manage knowing every single gossip of insti and itna info aapka mind process kaise karta hai 😊. You are that one person who used to make club sessions always more happening and entertaining, KD ke time late night singing and playing, those birthday treats, "Sunona" wale songs and aapke aur Ankur ke fights. But above everything, I really want to thank you for being so helpful throughout my tenure, you were always available and just a message away. A few days before KD jab aapne milke timeline wagera discuss ki thi, tbh, I can't say how much that had touched me. Thanks for guiding always in so many things. All the best, aise hi machate raho aap♥

Sanket Agrawal : Goyal! Forever Aunty! Jaante toh ham dono ek dusre ko freshie year se hain but pehchaan toh intern k time pr hi hui. It would have been really difficult to survive the intern and the people without you! We really got to know a lot about each other at that time about each other's thoughts, opinions about insti and it's life specially IBs and careers. Itni PR and Gossips kaise handle krte ho sir? 50 chats at a time xD Accept krle ki kanhaiya hai tu :P Sorry, if unknowingly kbhi BT diya hun tujhe toh xDYou wouldn't expect this but you are one of the few people who I don't talk to much but would really like to stay in touch with! Arsh Akhtar Ansari : First interaction wing wash basin ke pass tha apna and after dat aapne pucha 'tu Arsh Ansari h'. Aapke room ki vibes alag hi thi. Itna chill and sorted attitude insti mein rare hi milta h. We were really grateful to have you in wing. Apko wing se nhi Jaana chahiye tha humaari placement much better hoti aapki prep dekh kar. Big Thanks for helping me sort my shit out during tenure. Aise hi apne bacchon ki mentorship jaaye rehna aur touch mein rehna. Bombay aao jab Ajmer se to milna zaroor

Piyush Gupta : Goyal. Stalking God _/_ Joe Goldberg ke Guru, god photographer and s sweet sweet senior. Wing mai 2 saal was very much fun you were just few steps away. Apne homemade cooking sessions, early morning merwans and marine drive trips, Nakul ke ka khamba khatam krke Maddu, aapka billion ka dar, aapke hanth ki lemon tea, ROORKEEE mai kya mast food joints dhundhe aapne. You have been very helpful since the very start thanks for always being there. Stay in touch (Stalk to krte hi rahoge waise bhi xD) Milte hain jald hi.

Sanjeet Sahoo : People fear NSA and FBI when they should actually be fearing Goyal. Goyal's stalking skills are something out of this world. Roorkee ki luka chhupi, main gate ka chicken, woh humare Zomato level 1000 ban ke sapne, woh mera placement process se give up ke time mere resume legit bana dena, nahin bhulunga mein. You are one of those friends I am glad I made. Hum donon hi itne social hain ki ek dusre ke saath aur hangout nahin kar paye. Bin daaru ke itna hi. Golu . : For the initial couple of semesters I always thought of you as an overenthusiastic kid trying to build his PR until the last couple of semesters when I realized how much you care for your hobbies; this deserves a lot of respect because I know I lost some of mine. Although we hadn't had a perfect start to our friendship, but now even after a year of my graduation, I guess you are the only one whom I can shamelessly bother at any time of the day with all kinds of stuff. It was for your selfless nature that we've made so far, and to this point, I know I have a friend for life. We will make sure we implement our early retirement plan. Phew, it felt so weird writing all these stuff for you, but chal koi na, you deserved some of it :P Chal bye!
