Pattisapu Divya : The entertainer in the room! I've, in vain, tried not laughing at the jokes you've made on me. But but they're so funny 🤪 I've got plenty of videos of you doing the strangest things, posing with an axe, dancing, calling people names and so many more, enough content for a book. You're also so talented and hardworking. Your jokes will be remembered by all posterity. I'll miss you. Go Meenasses!
