**Shweta Naik :** Yeh GSec ke bina hamara kya hota, Bhaisab! That happiness on your face while travelling for the first time in Mumbai local is unforgettable. Tere voh curly hair joh ladkiyon ko bhi complexity de! Hamesha tera haste rehna aur joh hoga voh dekh lenge bolna! MTP ke voh discussion, to sharing your experience in bits and parts, I will always remember them all. The only one who is still in campus when we are dying to come back! And haa tera treat bacha hai, lockdown lift hone ke baad pakka. P.S. - Ek baar Nepal aana hai, bhulna mat hame!

**Himali Mhatre :** Tapai sanchai hunucha ? 🙏 Ha Gsec ko to bahot pareshan kiya hai....karna hi chahiye ! And I am not taking my words back ! 😊 And I had become so used to "Lab mein ho ? Check karo na Sir hai kya ?" Aisehi call karna kabhi ! 😊

**Ananya Sarangi :** Calling you gagan is very odd for me!! i liked the name gagna !! so you will always remain that gagna for me who screams "mummyyyy" when dragged by a girl. yes date toh pending raha par tum bachke kitne dur ja sakte ho. tumhe dundhne toh nepal bhi pahaunch jaun. agar memories bole toh yaad ata hai tera first time sea dekhna. that time i realised ki what i have been taking for granted "SEA". Even when i remember the name gagan, one thing always pops in my mind , you saying " ohhh myy godddd" and " bhaisahab". Bhul toh nahi jaoge na?? itni baar toh dil todha, abhi aur kitni baar dil todoge mujhe bul kar! ;-)

**Sunny Johari :** bhai GIS ke project se aise taar jude ki abb toh bhai jaise hai..tere room par wo saare discussions...hamare wo farji ki baatein..chahe mai kisi se milke aau sabse pehle tujhe hi batata tha fir uspe alag se bakchodi raat bhar..aur wo hamari night mess se lekar tere floor ki balcony pe bakar alag se. mere aadhe project toh teri wajah se hi bane. Aur haa GSec babu thoda vyast kam hua karo aur phone utha lena warna jab bhi miloge bachoge nhi Waise bhai Nepal ki trip pending hai abhi hm teeno ki

**Sakshi Pandey :** Tumhare liye toh hamara dil aur jaan dono haazir hai.. Ek saal ki kya baat!

**Rohit Kumar Prince :** +1 to your post :p I remember you in two phases: 1. Watching a guy walking alone while we were together. Dur se hi I asked "where are you going". But Gagan was quite uncomfortable to talk. -"Gagan doesn't like us" 2. Gagan during 2nd year. Finally some real talk happened. A person who taught me some important lessons. the 3rd phase is what I found real and genuine which I will cherish the most. Kabhi aao hamari haweli fursat me, Kosi wala connection hai hamara.

**Aman Srivastava :** Gagan....who remained GS at CTARA was appeared to me as a dedicated personality serving for us as if we were his brothers. Thanks for your hospitality...and dedication for the department.

**Akash Deo :** I can never forget the telephonic conversation you stating your department name Ka Ta Ra ( CTARA ) hahahaha. Also lots of good memories, discussion about the development of Nepal. Future plans... hope someday will work together

**Swagatika Priyambada :** Gagan, I will miss you a lot. You were a friend, brother and guide for me. Initially, you were the quiet guy sitting in the last bench but later you opened up. We had our endless talks, long walk, football sessions in the campus. We studied together for all our exams and because of you I passed in Waghle Sir's paper. TD609 was so much fun as were a team and we faced good and bad time together. I saw you a happier, peaceful and more productive in village. You are hardworking and I know you will achieve all your dreams and stop boring me with your self praise(haha)

**Tresa Maria :** Birding walks, Sameer hill treks, tree walks and spinning sessions.....we do have a lot to remember a few years from now. Have always enjoyed the long discussions we had. I wish I could be half as patient and calm as you are.

**Nilesh Vadgave :** Hamare Gaggi bhaiyya!! Project management ki backchodi yaad rahegi! The way we utilized those 2000 Crores was awesome!! Our views match to good extent..be it Development, ethics, life or love!! Saaf dil insaan. Ab pataa nahi kab phursat mai charcha hogi!

**Satish Dulla :** Gagan.. I thought you were an introvert but u r not. I can't forget ur dialog regarding dept council election. It showed me confidence and dedication towards it. Ur cooperation is appreciable in the tough times like election. I must agree that, it wouldn't be possible to bag championship without u in the team. Thank you for bearing my anger, understand my situation, share the work load and support my views at council as well as at court. I wish you all the best for ur future and keep supporting each other in future as well

**Thirumal Reddy Vennam :** The only foreign student in our batch but not foreign to our deeds. Always had to wonder how diplomatic you are, but end mei u have taken out ur frustration...pitfalls happen, never let them down u. I admire ur dedication, I feel its definitely going to help a lot of people. Gsec ki jai ho...

**Vankudothu Surya Prakash Nayak :** Mera bhai, i felt good by seeing your happyness. you gave your best to CTARA. keep loving everyone even opponent doesnt deserves it. If god allows me to spend more time with you iam always ready. thanks bhai for your warm wishes.

**Aman Lonare :** Yo Gagan! I will be very honest with you in this one. The first year was very terrible for us, if you know what I mean. However I realised that you are the person who will always stay honest and stay by your friend's side. In our first year I saw a Gagan who is shy, helping and honest. You were the one who was passionate about your goal. However in second year (don't worry you still had some qualities you had in first year), but I saw a different Gagan who is a more normal like us, a good friend who can adapt in any environment, a leader :p and most of all responsible. Thanks for being there. I just remember that you were the first person in CTARA I had talk with. Best Wishes. Good Luck :)

**Lahari Yaddanapudi :** Deceived me all of first year, making me believe you don't know Hindi, because of which I always spoke to you in English. :P And now that I know you DO speak very fluent Hindi, I still can't switch to Hindi.. out of habit!

**Swapnil Labade :** Yes, its nice feeling to work with you. We manage all the departmental program successfully with full co operation from our classmates. I like your dedication towards any work and Nepal me to zaroor anaa he....

**Reshma Sahoo :** Tere bare me kya hi likhun...tune bht pareshan kiya hai..or itna bolta h ye kar dega wo kar dega...bhai ko gyan de raha tha... Khud k uper ajma le..ladkiya toh line me h hi as u said... Or achi chijein kya likhun... Sab log itna sara likhe h...but I miss 1st year gagan sometimes, jo har chote chote chijon me khus hota tha... Local train k bhid me, "What happened, you know..tum na believe nai karogi, aesa hua" You are a good listener... And don't compromise with the honesty you have... Nothing is worth it.. Bas keep exploring..

**Shailesh Holkar :** Tere saath rahke itna to pata chal gaya ki nepal desh nahi indian state hai. 'Vai' wo tumhara khudse to kuchh hota nahi par dusro ko motivation dena (MI me) hamesha yaad ayega. Vai mt Everest ke paas ghar hai tumhara saath me challenge chadhai karne..

**Aditya Chalishazar :** It was really interesting to interact with you over the course of the last year. All the best for whatever is to come! :)

**Gaurav Kishore Dubey** : Saleeeeeeee..... Boat house me jake kaun Malaria se bimar hota hai. Waise humara neta jaisa bhi ho GSEC aisa hi ho..... Tere dono confession video and audio recording abhi bhi mere pass hai 😊

**Mukul Yambal** : Gangu.. ..you were first person in our batch with whom I interacted in auditorium. Although we could not able to talk much in first year, situation changed a lot after 609. Your experience and dreams made me more connected with you. Sath me karenge kuch.. Charkha was I guess one thing which brought us together again .. all the best and may your dreams come true.

**Sameer Kulkarni** : Football match was indeed fun:) It was the only match in the history of CTARA team that we managed to restrict the opponent to one goal only (acc to Aniket). It was honour working with you under your leadership.:)
