Harshwardhan Mourya : Anmol boiiiiiii, acche se yaad nahi aarha apni pehli meeting ke baare mai(ye meko yaad dilana😄), par the moments we share is still crystal clear in my mind. I remember the kind of short conversations at every very end of semesters ki kis kis course mai latak rahe hai😄😄. Algo labs finale wala din yaad hai....😄😄😄.. Baaki after the intern kitni cheeje saath kari, yaar lonavala best tha, and Chai and patto ka combination is the deadliest... Apni marine drive tak gaate gaate cycling, beech mai airport and that hotel alag hi hi level pe khatru... Tum kaafi sensible and mature ho re, always caring for friends... And thanks to ou hum bhi thoda inspire hue hai tumse ye qualities seekhne ke liye... Baaki abhi toh same city hai, toh itti jaldi peeche nahi chhodunga.... Abhi aur chai banana baaki hai mere dost😄😄

Prathmesh Shelar : Arey sonpari♥, Multicity ke time toh apan bass kaam ki bate karte the and also never though tu aur kriti👦👦♂ sala surprise surprise de diya tha dono ne😄(dono se anyways tabhi pehchan hui thi:p).. fir gaay ke karan apan jyada ache dost bane😄 tere problems solve karne mai maza ata tha humesha😄(and thanks for helping me too😄) and that pune trip we had was lit af🔥 late night tere room pe aake pade rehna tujhe irritate karna... Faltu bakwaas karna tere sath shopping karne jana(fir treat deta tha tu😄) was fun😄😄 thanks for teaching me squash but ab tujhse better ho chuka mai😄 and obvio abhi toh bass insti life khatam ho rhi😄 but apan milte rahenge aur ghumne challenge... Aur haa bhai north side chalte hai jaldi.. aur bhai ke liye poem toh jaroor likhunga mai♥😄 kapde de dena sale mere😄 new the wo😄 bhul mat jaana is gandu ko love you too gandu♥

Phuntsog Wangchuk : "Aap Ropar mein registration ke liye aaye thae na?" - first thing anyone said to me in the insti. 4 saal mein tu "aap" se "tu" pe utar aaya par andar se abhi bhi utna hi seedha hai. Your progress from "vella banda" to more mature curse words is probably the greatest character development I've seen in years. Will miss apne spontaneous walks and treats (even wo wala jab tu humein dump karke nikal gaya tha kisi aur ke liye). Hopefully kabhi milna bhi ho jayega future mein. Till then, all the best!

Pokkuluri Mohana Madhumita : Hey Anmol! The first impression of you I had during our tuts was that you were a techie(you had some robotics story :P), maggu and a typical CS guy, little did I know about the caring and warm-hearted side of you then. Ooty trip was super fun(especially the prank calls..haha), hope we'll have more such trips(Cakes ko batadena <3). Also you have great birthday surprise party ideas :D ...Wishing you good luck! Stay in touch :)

Yash T Rajan : Anmol Boi! Apne group mein sabse late jaan pehchaan hui tujhse, but jitna jaldi apan dono ek dusre se comfortable hue, that speaks volumes. Kaafi saari cheezen jo kabhi sochi bhi nahi thi common nikli apan mein, jisase apne friendship ka maza multifold ho gaya. Especially Choco ke saath ka time and 3 ghante tere room par zor zor se Green Day aur Linkin Park ke gaane chalaana <3 Sorry room bol diya, chai ka adda sounds better :P. Life mein kaafi mature and sorted hai tu, kaam ke liye tera seriousness and your ever helping nature is the icing on the cake. Keep that up and aage infi machaana. Last day sabke nikalne se pehle raat ke wo card games hamesha yaad rahenge. Hope to meet you guys soon<

Nisha Brahmarkar : Anmool!! We met for the first time when I was part of a well-organised plan (ykwim ;p) I will always be thankful to you for being my support that day and bringing a smile on my face back then. It meant a lot to me <3 You are one of the most honest and patient person I have met in insti. I still have the lucky owl hanging in my room ;p Wishing you good luck in life! Stay the same always and be in touch! :))

Syamantak Kumar : Arey Anmol bro!! You are seriously the most active and cheerful member of our wing. And tere pet kittens kaafi zyaada cute hain 😊. Sab mein machate ho yaar, literally itni saari activities mein part leta rehta. Tujhse zyaada enthu wala banda nhi dekha maine. Kaafi kuch seekha tujhse. Aisey hi hamesha machate reh and smile karte reh 😊. All the best bhai! Keep in touch :)
