Animesh Bohara : Arey Preey sir _/_ Sabse pehle to apan Physics camp me mile the. Tab mujhe lagta tha tujhe TT me koi nahi hara sakta. Since then our friendship grew as did your weight :P and well, abhi bhi tujhe TT me koi nahi hara sakta. I remember freshie year me tu aadha time mere room pe aur baaki aadha apne ghar pe rehta tha. Kaafi time saath rahe hai apan. Silvassa trip was awesome, Matheran was lit and teri Andaman trip reh gayi warna usme bhi kaafi maza aata. Future me bhi abhi jitne phone karte rehna and hopefully mai bhi 1-2 baar call kar lunga :P

Rahul Agrawal : From thinking you're my smartest friend in freshie year, to thinking ye banda kisi din homicide (ahem,ahem :p) karwayega or how can he not know how to tie a shoe lace by now, kafi maze kre hai apan ne. Wing ki baatein wing me rehne dete hai baki, kafi damage ho skta hai vrna :P. And let's continue all of it in SF. Thoda BTP kam krna udhar please :P.

Syamantak Kumar : Yo Preey! Arey sir, apan to pehli baar 9th mein mile they, IJSO camp mein. And uske baad seedha yahan. Sabse memorable to apni Europe trip thi bro, koi imagine bhi nhi kar sakta ki apan ne 10 countries ghoomi thi. Bahut maze kiye they yaar tab. Bahut dedicated banda hai yaar tu, thoda relax bhi kar liya kar. And ye quarantine mein tere weight-loss ki log misaalein denge kayi saalon tak 😊. All the best yaar, stay in touch, and haan chalte trekking pakka 🤪

Kumar Saurav : How was that DX in HS-101 😊?
