Sarvind Rankawat : You are the go to person whenever one needs a pro hack. Ab hamare kickass ka ka ass kitni baar kick hua hai woh toh kya hi bataayein. Teko kuchh nahi krna hoga toh fir Arya bhee terese woh nahi karwa sakta, baakee the best thing is tu har baar saathh Mein hota hai toh bakchodi toh honi hi hai. I know kee tu apna rant logon ko nahi sunata, par kabhee kabhaar suna diya kar. Thhoda life ko give a fuck de diya kar, tera potential god hai. Ab aapkey Naam ke aagey Gupta laga hai toh uskey bhee alag hi benefits and losses hein 😂 (lykwim). Tuney literally jo bhee video record karee hai woh ab public mein nahi bajayi jaa sakti. Thhoda slow hoja, tu mujhey infi complex deta hai speed ke maamley mein.

Arya Mithu Garg : Bapu Ji, I really want to say "I will miss you" but tu picha chodta hi nai :P Bsdk 4 saal ho gae, saare summers sath hi kaate hai and ab job bhi. Sahime Kushagra Gupta tere jitna responsible and reliable banda nai janta mai, kaafi zada smart hai tu, use it for something you are passionate about. Log jitna bhi bolle ki Gupta senti nai ho sakta, but mai acchese janta hu tujhe. Vo hill pe chadne vala time humesha yaad rahega, thanks bhai. Humesha Sporty rahah hai, I never really thought MAC ho paega. Bhai yaad hai kya train route dekha tha. Besht buddy hai tu, itne pange kiye hai humne but in the end.... ;) Tere liye ladki jaldi dekhna shuru karte hai, Guptaeein hi laenge xD

Arpit Kedia : Last year mein aisa lagta hai wing bada ho gaya, ekdum chehel pehel badh gayi. Sab itni lete hai teri, aur tu haske taal deta hai - ya toh tera dil bahut bada hai ya teko pata hai sab sach bolre hai xD. Trips mein toh sabko sambhalne ke liye koi bada rehta hai woh tu hai, ekdum responsible. Itna chill rehke bhi intern aur placement kaise lete hai ye toh raaz hi rahega :D. Last sem boardgames aur poker kitna khele, tum class jaate nahi the aur meko bhi subah tak khelne baitha dete :D. Aise hi composed aur mature rehke baaki ko sambhalna, warna Tata ko ye log band karwa dege xD. And beech mein apni totli gaaliyan dete rehna :D. Bas teko woh parathe wali galli ke liye maaf nahi karuga :P

Arsh Akhtar Ansari : Gupta ji.. Still remember mere and animesh ke side mein aake baitha tha in convo. Your delhi se bhaag bhaag ke aane wali story was legit funny and terrifying. Your shenanigans with topper are things jispe book likhi jaati h. Apni twitch streaming jab chalu karega to batana tujhe gaali dete hue dekhna was the funniest thing ever :D. And teri melbourne waali photos kaun bhul sakta h bhai. Lets hope that we meet on the trip soon and nayi gaaliyan banate rehna

Yash Lakade : Har line mein gaali, no compromise with this sole ideal of your life. Thoda dhang se GPS chalaya kar trips pe, and next trip pe apan bhand hoke brain test karenge MM khelke. Bhai intern laga li, acads bhi sahi and job laga li, kaise bhai? Bohot talented hai tu, put it to some use. But saare exams jaldi khatam karna is not a talent, its plain stupidity. Job pe milenge apan but fir bhi tere paise wapas nhi de rha mai, bye!

Animesh Singh : KickAss bhaiya ... Tere baare mein koi kuch bhi bole dil ka bahut achha hai tu. Thoda dimaag ganda hai par dil balance kar deta hai. Aur bhai tu toh track rakhta tha har cheez ka trip mein, kya hi bolun main. Itne achhe se toh koi company inventory nahi banati hogi. Aur kya hi bolun ... Aise hi haste khelte rehna bas baal ka thoda dyaan rakhiyon aur chillar na ho toh PayTM karo bas paise bachane ke chakkar mein dubara baal mat katvaiyo bhai xD... All the best to Tata group who is going to receive you...

Kumar Saurav : Always a cuss word in a sentence, and always one with a practical solution to a practical question. Now that I think about it, you were among the least complaining people in the first year wing 🤔 - maybe you already spent all your frustration in those sentences 😊. There's only a handful of people I know who are bigger video game addicts than you, and that's already saying too much.

Praveen Saran : Are Gupta ji! Wing ka splitwise! Bhai tu nhi hota to insti life adhuri rah jati yrr. Tere bhut jyada majje liye hai and the best part is tune kbhi bura nhi mana. Kab tak dimag ke bharose jindgi nikaloge thodi si mehnt bhi krlo ab. Or haan trips pe aate rahna warna calculations kon krega xD. But next time navigate karna sikh ke aana. Baki to machao life mai, all the best!!
