Naman Aggarwal : Bhaai! Just while writing this, it occurred to me ki you're leaving insti. I finally have some closure over that room change incident now that you mention it 😊 We had the best fun in 3rd year Aero labs, really gave us the time to talk and catch up amidst our separate schedules and classes. TU Delft aur Amsterdam main macha dena, all the very best bhai. Really excited for you and what you do in the future! How these four years passed, pata hi nahin chala. Jitne bhi moments the saath main, zyaada kam, sab yaad rahenge ♥ Graduation is incomplete without a final hangover sesh at Sunny (shoutout to Vishnu bhaiyya 😂) and H9 (The Red Room)! #BoBoGang🔥P.S. Touch main rehna bhai

Sriganesh N : One of the coolest people I have seen. I remember you as always being very very calm and smiling (mostly :P), right from the 1st day at Convo. In the 1st year, your ISMP mentor had to rush to the hostel to check on you after you..umm..were not in your best condition :P. We were part of the best lab group eva in 6th sem. Who would have thought we could have so much fun in labs, of all places :D Your deep interest in d subject was evident every time we discussed some concept. After the disturbing things you did in second year, so glad that you came back on track and started blazing through things again :). Do some cool stuff with Prabhu sir and wishing you a great life ahead..

Shubham Khoker : The biggest saanp of the gang. Saale itna kataya h tune, ki ummed hi ni h ab toh tujhse kch :p Still one of the coolest member of the gang and junkiest too. Baaki baatein milke krnge.

Bhatt Maulik Chunilal : Rohan sirr, yaar apna Aero se zyada Controls ki vajah se bonding bana hain! I will always remember you as a cool and chill guy. Saath mai syscon ke assignments mai efforts marne mai kaafi maza aata tha yaar. Bhai MS application mai kitna phoda ki jo ek jagah apply kiya vahi select ho gae. Hume bhi funde dete rehna aur insti chhodne se pehle milke jana pakke se. Will miss you man <3.

Ishita Shah : I would probably have less than half of all the insti stories I have to tell, if not for you. Silently wishing you well. Be good :)

Aniket Ranade : Are bhai kya likhu woh kam hai, kya pata kaise GNLU pohoche mujhe to pata hi ni tha mai kya kar raha tha. Tu carry kiya re mujhe, the stupid decision to help the CO is on me par. Technically tere saath hi peheli baar phuka. Sorry yaar bakwas karne ki adat hi hai yaar meko tune discontent to bataya tera par ab kya kare. Mai hope kar raha ki at least ab tu jyada baat karta hoga. Apan jyada mil ni paaye baad mai bas iska bura lagta hai. Kudos Mate!

Pujan Biswas : Yeh laal laal aankhein, tururu, tururu...Dhruv ko dustbin mai bithaake maza toh aaya hoga 😊 Them Debate skills man, epic. Also, yeh H9 waalon mai first year ke baad bounce back karne ka shauk hai kya 😊 Amsterdam mai machana with the freshie year spirit too 😊 Thanks for the assignments and handling the shitty CFD course together. Always stay this happy. Yours, Bisso!

Vidhan Arya : Are bhai bhai bhai. Insti ke saamp se International saamp tk 😊. I think what started it all was "tera, mera aur Khoker ka wo first sem ka phla daaru session". "Thode se kuch nahi hota h" Sameer KO ye smjhaane se lekr Sameer SE ye smjhne tk 😊 And 225 ka to chill hai 😊 sorry to jo 8th August ko Divyanshu ke room me torture kra tune aur sameer ne meko uske liye bolo 🤔 Sunny me tera mera aur Abhay ka #TruthAndTruth session 🔥😂 Seriously man bda sahi, funny aur genuine banda h tu. Sunny to krna hi hoga one last time. And next time BoboGang ke saath hi Goa jana h 😊 Baaki word limit hai to yahi end krna pdega. Keep in touch brother 😊❤️

Himanshu Goyal : Dr. CowShit! ♥♥♥ Bhai kiitni galiyan di hai hummne ek dusre ko 😂😂, kiitna bola hai ki Dual convert hone ke liye only to realise ki acha hota agar sunn lete ek dusre ki. 🙏♥ Infinite memories, Infinite movies/TV series. ♥♥ Mohammed Ali road se lekr Joey's 😊, Sunny and BnB se lekr Persian Darbar. ♥♥ 4th semester mai Ramu kaka se lekr, 6th sem mai aapna haq maange tak. 😂♥ Sorry tere saare tatti plans and cold coffee orders ktane ke liye. 🙏😂 I am still proud of the fact ki hummne woh Four Roses ki bottle khatam kari ♥, also Goa se bottle sneek karna. 😊♥ Thank you best Christmas (2018) plan karne ke liye. 🙏♥ I love you bhai, bhaut zayedat! ♥ Love from room no. 359! 😊♥

Sarthak Khandelwal : Damn bro, reading your YB post brings back so many memories! I almost forgot about the room tripling and was wondering what this is XD. It's been a crazy journey man, from being super rude to you in the tut (apparently) to being roommates! I owe you for life for pushing me to the gym and starting this habit. Gonna miss random midnight plans and hogging all over insti with Himanshu. Have fun in Netherlands! Hopefully see you soon.

Saman Siddiqui : I would have given up on debating if it wasn't for you! I did stop after a while, so I guess it was a lost cause :P but preparing with you for ABP (?) was a lot of fun. I thought we got really good at that self prep game :P I saw you transition into someone who started to live and plan your days through a calendar and I saw you put everything into chasing something you were passionate about (Even though it was strangely aero core :P) You're an incredibly nice person and I'm really glad that I got to know, even if it was for a brief period! <3

Adithya Iyer : I think I first met you in my freshie year, when you forcing me to go for GNLU, now that I look back jana chahiye tha mujhe. Aint gonna forget you, coz fantasy island is a scar which will never heal XD. Netherlands me chill maar, although I'm pretty sure room no 359 H9 wasn't very different from Amsterdam ;) .Keep in touch!

Tanmay Garg : Rohan broski, mera secy tenure tere bina kaise nikalta :p third year was far too amazing to actually believe bro. You are such a chill and calm person bro. I still remember how I broke one of your wine glasses and you were like "chill, koi na" lol. Bro I had never expected that you would push me to such crazy limits in drinking that I'd end up puking all over my room man, but yeah, fuck you hahaha. Don't worry bro, we will always stay in touch and have many more seshs :) stay the same!

Rishith P Agarwal : Senti to mein marunga nahi tujhe, but you are my bro forever man... Jo hua voh fuck that shit... So glad that you are moving forward after so many speed brakers... I would say you the most sane and smart if the #gallesus and i really hope you get everything and more... Stay green, stay in touch

Deep Karman Pal Singh : I didn't think we'd be such close friends back in Chandigarh, but there's no way I would have survived freshie year without Gallesus. Have fun in Europe, I know you'll love it. Maybe I'll come visit and to help you realise how good you have it.

Pragun Badhan : Damn man we've been together since that weirdo Arvind Chauhan sir xD. Humesha se you've had a chill and nice homie vibes. Deep ki bhi shuru se hi lete the. Remember the one time uski itni BT huyi at Sunny he went back alone xD? Machate rehna life main aise hi, the best! Milte hain zaroorall the

Mustafa Ali : Yo Rohan, muje yaad nahi apan kb mile. Pr ab har bar milne ka karan pata hai 🌿. Bhai tera gym ke liye dedication ❤️. 3rd year winter kya epic tha jab mai aur rishith daily ate the h9 and ek bar tu aur sathak sunny se aye to aur wing me ake tune ultiya ki tha XD. Tanya Mamgain : Hey ! We haven't been in touch lately. But it was always great seeing you around:) . Thank you for being so hospitable and serving water :P And hanging out with you in Bangalore was fun too K bie ! All the best.

Allen Bose : Yo dude!! We were " the best lab group ever". Random bakchodi and chilling during the lab sessions, we didn't even realize how time flew by. There was this one trait I liked about you the most, even though you were one of the most smart people I have met in insti, you never show off or even have the tiniest bit of arrogance about it (trust me that's rare). Stay the same man, keep chilling and improving yourself.

Bidish Ghosh : Bruh I never understood Deep and Rishith's logic in clubbing you with me for being a 'Bong" but yeah those were fun days. The quest for Diet Coke was legendary, and I thank you for sharing some forbidden fruit after the same :P Gotta jam some more to Pink Floyd man, lets schedule a sesh soon :D

Adwitiya Rao : Hey Kau'Sick', I've always had fun partying with you except that one time XD, But Rohan, you're honestly one of the chilliest and the CLEANEST guy that I've ever met. I hope you have tons of fun in Delft. Jaane se pehle ek baar homies?
