Tanya Gupta : Kavya bro! We were just acquaintances with mutual friends for 4 years and then wham bam slam! Somehow it turned to hanging out almost every day in our last year! I think it started when we went to Lucky together? I will always remember my reaction to you saying pata hai kyaaa, mera stipend aa gaya poora! Like whyyy do you always torture me! And you are the best motivater for sitting and guiding me to paint even when I was thinking of giving up. I still don't know how you managed to convince me to paint a flower :P Thank you for teaching me how to make pani puri, sev puri and explaining food and what not in the mess. I can't wrap my mind around there existing a person who sleeps at 11 even after coming in the final year, but that's you! Did you make any more sketches in your really expensive sketch book? :P All the best for your future, go use all the office skills you learnt at ABInBev!

Kratvesh Pandey : Ayeee kavyaaaa!!! Treat to le hi nhi paye aap hum teeno se xD Thanks for all the mugging tips and constant support. I wish when you read this, you won't ask for treats :p Bacchon se kaun leta hai treat XD Machate raho aise hi and stay happy. Let's catchup soon.

Kiran Dhope : Kavyaaaa.... Yes, you were my support and lucky charm during placements! Your words kept me focused and calm throughout the experience and I'll forever remember it. ♥ I have always admired how focused and committed you were in conquering everything you put your eye on. We are ghati sisters and will forever remember each other for running away as soon as weekends were on the edge 🤪 Maybe we can finally execute our chocolate room plans after this is all over. *Whispers I'll return your file as this is over*

Sanket Agrawal : KayPee! Thank you for not judging me for my rona and instead joining me in it xD You have one of those laughs which I like to call pure happy laughs <3 Always keep laughing. Always had fun whenever I interacted with you (Goa Bus wali bakchodiyaan best thi). Your harkatey are very cute and wholesome, never lose this self of you, I am sure they are a source of good vibes for many people :) I hope you excel in life, GS main jaakar fod de! All the best for future and stay in touch *SRK pose unfolds*

Anmol Gupta : Hello Ms Kavya :P The first image that would come to my mind would always be that photo from the bus trip to Goa, best pic ever XD! I'm amazed at how much you transformed from that first year first-bench maggu to this bubbly version of yourself today _/_ And I really can't thank you enough for saving my ass in EDL haha, fun times though :P Of course, then there's your optimistic attitude and keeping everyone together on the Elec Whatsapp group, kaise matlab? :P Stay the grounded, cheerful person you are (even after earning shit-loads of money in GS :P), and let's definitely stay connected :')

Pranav Sankhe : Kavya ji.. tere saath bahot masti ki FB pe xD and thanks for taking it all in good spirit. I remember tereko prank call kiya tha in 5th sem when I pretended to be your TA of lab and jab chutti thi tab lab bula liya tha xD I don't think you fell for that but teri wing mein ek ladki shikaar ho gayi thi If Anmol is the proverbial good boi of our batch (which he isn't just for the record), then I think it would be safe to say that you are the proverbial good gal of our elec batch. Elec ke WhatsApp group pe sabko aise hi daant lagati rehna. Best wishes!

Shobhna Misra : Brooooo! Yes, all those rants on the mess table were so much fun! Coincidentally having 3 meals together a day, and you exclaiming with great surprise when I used to come for breakfast are some memories I will not be able to forget. :P And thanks for becoming the mailman for once xD (and hey, I wasn't lazy, I was just busy :P)... Yeah, I guess my final semester timetable was a bit screwed and that's why we didn't meet as much. I really admire your strictness to stick to your schedule, and I can only imagine how difficult the post-midnight placements tests would have been for you. But still you aced them! All the best for everything that you wish to do, and yes, we'll stay in touch. <3

Rohan Pathak : Kavyaaa! Bhai tujhe yaad karke wo semester hi yaad aata! Kya pela tha semester. It was awesooooome and tune kaaafi jyada help kari thi yaar tab. Uske bina nikalna mushkil hi ho jaata xD. And you should be thankful for making your Infinity War movie not a waste to me, haha. Lab mein baithke 1 ghanta poora Marvel universe sikhaya tha and tu sirf mujhe Power ka padhane aayi thi endsem ke time _/_ Thank you a looot. Bangalore mein itne kamaye hue paise thode udana ab mere pe :p

R Sucheta : Diii, though we haven't interacted much *sobs*, you've given me a good picture of elec when i first entered the dept and helped me unknowingly. <3 You strike as a jovial, fun-loving and cool senior to me :) And dont worry, I will pester you with my cooking pics xD All the best for GS <3

Pragya Valay : Ayee Kavya! Humesha enthu me rehti, aise hi rehna, Bangalore me kaafi masti kara tha humne, aage bhi karenge. Yuhi muskurate rehna. <3

Devyani Verma : Kavyaaaaaa! What a fun person you are! I love your hardworking and mommy nature dude! Thank you for bearing the elec troubles with me and it has been an absolute pleasure being one of your friends and I hope that we stay in touch :) GS me macha dena goes without saying eh? :p

Neeraj Sohani : Kaaaavvvvyaaaaa! I must say you're one of those few people who I really admire in insti. You're so sweet and with such a pure heart. I haven't ever heard a single complain about you from anyone. I don't know how you managed to keep yourself. But you did go from scolding everyone leaving a running class to later doing that yourself :P Also yes, I do remember our little concerts in the middle of lectures. They actually managed to make the classes a little fun. I hope we remain in touch and have our singing dancing concertos sometime later again. Stay happy, stay blessed. <3

Satyam Mohla : From since sophie year taking fundaes from you about how to go for a forex intern, to third year EDL to just final year gen placement talks, our talks have been spontaneous and all over the place but have you not made them fun! with your quirks goddamn, so many! You've always been jovial and fun to talk to, and I hope you you stay just as amazing. Kripiya sampark banaye rakhe. :) s-dhanya waad.

Mrunal Chavan : Yo Kavyaaa!! Hats off yar tune last sem he sara ddp kaise complete kar liya. 😊 Shayad we interacted a lot more in our final year. Wo cooler nd corridor talks were fun, also d pizza talks when Shah aati thi insti. ♥♥ Tera room bohut confusing jagah hain for me, I always knock d wrong door. 😂😂 I remember ek bar I participated in ur B'day treasure hunt preparations for some time jisme balloons were tied to thread running throughout d hostel. Kafi mast/ crazy chije karta tha tumhara wing. 😂😂 Kafi smart, calm nd sorted person lagti hain tu mujhe. All the very best for everything u wish to achieve in life. Macahte rehna life main nd do stay in touch. ♥♥
