If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Please do not give interviews on orientation day... That shit will haunt you forever

Yearbook
2020

Edwin Saji Uthuppan : You are an asshole on the outside and full of shit on the inside... But I guess I love you because millenials love eating ass. For real though, you are great guy and I think your love for your friends is the purest shit I've seen

Shanya Anand : Most FOMO guy I've ever seen(more than me perhaps), I can literally recognize your voice from miles. But still, after all those disturbances, I guess its really hard to find a guy like, you know you are the one who actually glues people together, you like salt in any dish, essential and if not present then it is just shit. You complete the group man.

Mrigank Ashesh : Dost ho to tujh jaisa. You and Neel make a good couple although Edwin and Ibrahim are the best. 😊 Stay connected Bhai

Shubhankar Mihir Seth : Wadiiiiiiiii! Being your friend is among the craziest things I've done, and I am so glad I did it. Priyanshi introducing us in the mess, then that trip to Surat, then Dehradun, then Goa and then Hyderabad- you would get on my nerves in the beginning, and I can confidently say that nothing has changed. I've always admired the lengths to which you would go for a friend, and the passion you have for you field - it'll take you places! You've taught me to let things go, and to take it easy when things don't go according to plan. Here's hoping our discussions on capitalism and governance never stop, and that you stay as tongue-in-cheek forever!

Yearbook
2020

Nishant Jannu : Yearbook says to write atleast 2-3 lines. I don't know how to stretch this that far. Oh wait, I'm done. Jokes apart, Wadi we've grown very close - from thinking what a dick this guy is (yeah, coming from me) to thinking why do I even know him (countless facepalm moments). We've had great memories together, laughing our way through to graduation. Chunky you light up everyone around you, always stay the same. The more I write this, the more it feels like its turning into a eulogy - so I'll stop. Cheers to many more profound moments and memories in the Mountains!

Ananay Garg : Wadi, kya pyaara insaan hai be. Par phir bhi tu mera laptop churaya! but i guess i deserved it. you dont really give up, do you? Thanks for that, actually - should have said that earlier. Chill max. You are a stress buster which is why i came to your room sm. Its amazing quality. You are a super real person, that shows in the your vibe. Woh legendary and super eventful december month ke baad i felt like i was someone else. You have a nag of making memories wherever you go, with zero sense of public decency and respect for personal space. But tu itna pyaara insaan hai na wadi, chal woh bhi de diya tujhe. Dekh, tu kahin jane toh dega nahi - toh seh hi lenge tereko aur. <3<3<3<3<3 yeh le l*da

Sahil Shah : When I first saw you during KVPY interviews, I never imagined I'd be sharing a tent with you at 11,000 feet some day. I have amazing memories from so many trips - from your house in Surat to Dehradun, from Hyderabad to the trek - and some great talks. Hope our paths cross again!

Sowmya Ravichandran : Hey niggaaa!! Despite all common sense advising me against it, I'm so glad that I chose to hang out with you :P I have had so much fun with you and love those amazing deep conversations that we have. You truly are an amazing person, and thank you for everything <3 I'm gonna miss you so much dude, please keep in touch! Oh also, thank you for not annoying me too much yet, please keep it up :P

Please do not give interviews on orientation day... That shit will haunt you forever

Adane Sahil Ravindra : I will never forget the first walk around Insti with Pankaj and cursing that annoying curly-haired dude who wouldn't shut up. Never thought that annoying dude would be such a good friend now. A lot of time together, no point reliving it alone and picking out favorites. We'll do that together soon. Very selfless, loving and unfiltered. Which reminds me, I will miss my coffee buddy always. Nobody can ever take that spot, you know how important coffee is for us. I remember you saying once, 'Mujhe time to time tera vibe chahiye hota hai' and honestly, I feel the same about you. Your constant dose of inappropriate jokes will be missed. Bas abhi itna kaafi hai. You know this the short version ;)

Arjav Shah : Wadii! Tamne to su kahiye!? Wait - I told her "Tane jau hoi to jaa!" :) It is so much fun to be around you! Really enjoy that constant bakar xD Your approach towards everything in life is so impressive! Will cherish those STC Garba Nights and cricket matches! Surat ma madta rehsu and of course, cricket pan ramsu! Better get my name off your SIM Card soon, if you haven't already. Cheers, Baba

Archiki Prasad : Hey Chunky, I the first time we met I remember thinking 'what is wrong with him?' but then I got to know you better, specially during that Pune trip. I remember how you were staunch wing-man of that insane senior (who I don't remember at this point). For what its worth, some of your behavior came to our rescue in the Goa trip. Thanks to all those drives which would not be possible without you and the abundant and in fact, entertaining drama that you gave rise to. I hope we cross paths again! Cheers!

Sumukh Vaidya : Wadi my boi! From being your DAMP mentor to being a good friend, it's been a great journey. I love your sense of humour and extreme sarcasm really. Don't lose it. Kaafi bakchodi ki hai tere room me apan ne. It's been fun. All the best for the time ahead, aur duaon me yaad rakhna :P

Yearbook
2020

Gurparkash Singh : Bro! We didn't meet very often but whenever we met, you had some exciting anecdote up your sleeves. Tera life pe point of view sabse unique tha. The no-fucks-given attitude makes you the mast banda that you are. Tere saath baat krne me bahut mza ata tha. I really really wish apan aur interact kiye hote. But such is life. Alag dept. Alag hostel. But yep, badhiya banda hai tu and more importantly unique bhi. Freshie interview hmesha yaad rhegi. :P :P

Sahil Saiyad : Kya piece he yaar tu. 1st year me to kya wild tha. Shouting sax sax in a packed theatre. I mean dude that shit was embarassing but so fucking crazy. You saved my ass once in a really tight situation after my leg fractured. Supplied essential commodities to my room after I got bed ridden. Took me around the campus on my wheelchair. Dude you're one crazy mofo, I mean apahij insaan ko wheelchair pe bitha k wheely kon karta he yaar. Need to smoke up more together. Had too much fun with you but we didn't spend enough time together. And try to walk slow bro.

Sanit Gupta : Wadi, tere aur Neel se toh bahut randomly dosti hui thi. I remember hum somehow 7th floor refuge area main mile the and usi raat 3 baje Hiranandani nikal gaye the. Much to our disappointment, that day we learned ki us time pe sab band hota hai. That day 'symmetrical mountains' dikhe the was something special too. Somehow, we didn't end up hanging out on a regular basis but jab bhi randomly milte the I always had a lot of fun talking to you. Take care bhai and stay in touch.

Aadarsh Pratik : Kya hi likhoon tere bare mai..Bhai hai tu. Right from the first year, roaming around in MI and doing so so well in ILS, to final year, climbing the fucking himalayas and all the random shit in between like testing the padding of ur jacket with nunchuks, U've been there(As u said, feels like I've known u forever). Heres to many more crazy adventures!
