Abhijeet Aanand : Yo bhai!! Tere liye jitna likhoo utna kam hai. Heera hai bhai tu!! Thanks a lot for sticking with me throughout the intern season. Tune last moment SOP likhne ko nhi bola hota to Purdue wouldn't have happened. I still remember that discussion when we bonded over so well in our sophie year. Tere jitna dedicated IC shayad hi hoga koi. Kaafi awesome aur sorted aadmi hai bhai tu. Aur kaafi ** bhi. Kita bola teko ki dual krwale. Ek saal aur bakaiti krte saath me but koi na ab mai bhi regret hi krta krwake dual. Aana to bengaluru hi hai agle saal meko bhi tb aaur maje krenge. Acche din aanewale hain!! Milte hai corona ki bt khatam hone ke baad!! P.S: Day 1 teko running krni hai is baar!!

Arya Mithu Garg : Mote sudhar jaa, thoda chill maar life me. I hoped ki tu thoda aur interact karta sabse, bot baar hoga ki kuch logo se nai banegi but don't let that keep you from enjoying. It was good talking to you always in front of H2/3, and tera khana khake (Muffins :P). Bhai tera humesha se message ata tha whenever you felt ki dikkat chalri life me thodi. I am glad ki apan dost the bas thoda regret hai ki tujhe thoda socialise nai kara paya. I knew maybe ki thoda aur force karta to maybe tu aa jata. Strict hai thoda tu but I will always respect you belief in rules. Make some good friends who can get you out of this. Chup chap trip pe aa jana neto gaand maar lunga. Miss karunga tujhe bhai

Poorvi Hebbar : Yo Rollbaap- Baap IC and mere machau mentor. First year se muje motivate krne k liye thanks yarr and sab internship teeps and treeks k liye bahut bada dhanyavad 🥺❤️. Aapka tolerance level must be great mujse Jo deal kr lete the aap first year se:P Humari first meeting vo chess room mai Yaad rhegi, sorry about that :(Wish you all the best yarr and milte rehna:P

Deep Karkhanis : Yo bro!! We probably interacted most during CE712. But kya chill course tha woh. Btw thanks 3rd year intern main help karne ke liye. RWTH ke IAF ke liye you had personally informed me (naito golden opportunity miss ho jaati). You're a great and a really helpful guy. Hope we stay in touch

Sachin Tak : Bhai ... Thoda kam daraya kar yr ...😓😓

Luv Nainwal : Mato!! You've been sticking through all of my thick and thins. Tu nhi hota to kya hota xD Cs ke rone se lekar Civil Club ka discussion is everlasting. Civil ke resume verification ki BT, apne late night discussions, HO, intern pe help <3 Taj ka Guju Food, Roadpainting ka Guitar would not have been fun experiences without you. Mahabaleshwar me Hill ke top pe photoshoot session, Goa last day ki subeh wala beach experience, woh bike wale se almost maar khana xD, to Gurgaon me Pizza Treat (out of all tujhko di yaar treat 😊). I hope apne discussions ese hi chalte rahe. Video Calls pe infi discussions kiye hai. Now that you know the secret too :p BLR trip on hai. Milte rehna bhai. 😊

Bohra Ankit Narendra : Bhai...you've always been a good mate, who just tends to get hyper at moments😂. But honestly tenure kaafi acha raha tha tere saath. You're one whose always been practical while taking decisions. Tere gusse se mujhe bhi darr lagta hai. All the Best. Stay in touch!
