Pujan Biswas : To the Kalu Panda, apart from Corona, duniya ki khabre bhi rakh liya karo XD and yes trips are amazing, so enjoy the one year like hell. Uske alawa, sabse fascinating baat toh tera first year acads se DR rise ki baat hai. Haan tune infi mugga but with the expectations from a lot of elements that we now know, it's worth it. Listen to the year chart in your room, but room ke baahar ki zindagi jeena bhi abhi seekhlana ek saal mai. Tere kaadha, hair colors and kachre ke stories elaborate nahi karte. But most importantly, I will miss having you around. Bhulna mat, check socials more often. Your one call away friend, Bisso!

Jinay Patel : Kalu! As bisso said ke room ke bahar bhi zindagi hai (although abhi mat nikalna), its true. However, it's also not easy to achieve what you have achieved past freshie year and believe me it's only result of your sheer hard-work. Tune itne mehnat ki hai ke humari fatti hai tujhe dekh ke. But last year se tune humare jyada time spent karna chalu kiya hai. Obviously, Kutch trip was memorable one and looking forward for more such trips (me nhi chalauga gaadi, bas khush). Mene koi RG nhi ki hai teri, sugle mere bhi grade dekh le freshie year ke. Lastly, me tereko khelne ke, padhne ke, college lyf ke fundae to dete he rahuga. I hope you achieve everything you want and still 1 year left. Yours, Maggu

Varun Sule : Hey Kaplande, I have been a witness of how you've put in so much efforts in insti. It was great to see how you turned things around after the first year, and I'm proud of you for having done that. We connected a lot on the 6th floor of 16A and I'm glad of that time. I'm sure you're going to rock it in life. Stay in touch!
