Ayan Choudhary : 1st year me KPK k under project lene wali junta xDD. I really admire how you make good relations with the Professors. You are extremely hardworking and you know how to solve things in general. Had a great time in MRT lab as well as mech lab courses(Don't forget what we witnessed in MTL EDM lab :P). It was great to have a team leader like you coz nobody has done the infra development of the lab like you did. Milte rhenge aur thoda overload krna kum karo yaar :P. Best of luck!

Himanshu Bohra : "Haa bhaiya kyun" this will always be our greeting words even after 10-20 years. 2017 ke elections mai kaafi bonding hui, tab pata chala jdp se ek aur harami hai bilkul apne type ka. Hamesa treats pe paise dene ke liye shukriya. Tumhare Mars Rover, Inter-IIT cult ke kaand mai sambhal kar rakhunga. Log mujhe bahut galiyan dete hai apne pichle ek do mahino ke kaand ke karan lekin tum dost hi itne khaas ho to jhel lenge ♥. Dua karte hai ki khus khabri sunne ko mile jald hi. Aur apni freshie year harkatein (hickeys waali) band karde. Stay the way you have been always (harami), ladkiyon pe kam tharak, pit jayega sach mai kissi din. Baaki baade nek hai apan teeno, jaldi milte ♥

Naman Aggarwal : Khoker yaar, bhai hai tu apna :p Maanta hoon bahut tang kia hai maine first year mein but theeke yaar, bhaiyon main chalta hai. Haraami ne second year mein milna band kardia tha, konsi politics main busy tha be tu? Always waiting for your kachori and samosas. Bhaaaaai, first year main evening roof top sessions yaad hain? Almost har din chale jaate the and tu Jodhpur ki stories sunata tha, main apne school ki <3 I saw you grow from a carefree freshie to a responsible senior, and I am amazed at how you transformed yourself. Bahut dedicated hai yaar tu and I really admire this quality of yours. Pappu ka first year mein katt gaya meri wajah se, uske liye sorry :p Daaru peete hain insti aake <3

Kanishk Sinha : BSDK. Kya hi likhu tere liye. Sab itna controversial content hai bc. Tu mujhe bata Khoker ki tu mera dost kyu nahi hai xD. ICC se hu toh kya? Film contingent ke production guy se dekho kahan pahunch gaya tu. Kaafi kaand kiye ho tum toh. Magar kaafi saath bhi diye ho. Inter IIT toh humesha yaad rakhunga mai Roorkee wala, and yes Filmfest bhi xD. Bas bc ye "dabru" wali bakchodi band kar. Koi sense nahi hai uss baat ki -_-

Sanskriti Shah : Well...first of all let me thank you for bearing with me throughout my rants, and being a good listener when I got too talkative at times.I remember ..when you first joined the team..I didn't even know you were from the same dept..and mistook you for a maggu :p. You are amazing dude! You take up so many things at a time, and still manage to complete them ...you are hard working and sincere with those things ! Learnt a lot from you ... But yr thoda prioritise achese kar liya krna! :p And as Ayan said...I admire how you make good relations with professors. Aise hi machate rehna...and hme bhul mt jaana :p !

Anmol Gupta : Yo! :P I'll be honest, 2018 placements ke time pe I didn't know much about you and was kind of doubtful about the whole thing. But after that, I heard and then even saw how much you had achieved in so many fields - next year ka Gymkhana award ceremony toh alag level tha! Research, Tech, POR sab jagah! Kept on interacting over resumes and manifestos uske baad toh :P Oh, and you perhaps knew but I didn't expect you to come forward for being my runner - was taken by surprise. But phir I trusted you and you did well (sorry for putting you both in the dark for the last 30 minutes though :P) Baaki machate reh aise hi, hope we meet in the future properly again! Cheers, and all the best :P

Rohan Kaushik : Sorry for katao-ing so much 😊. One of the chill-est people in insti, got your fingers in so many pies har banda koi nayi story sunaata hai teri 😂 . Ek dhang ki bhand night toh banti hai apni. #BoboGang

Swapnil Jayant Kumar : Khoker bro ... ye bhand wali baat tab shuru hui, jab maine tujhse hi pucha tha ki 'Are Khoker apne team me ye Shubham kaun hai' :DD. Anyways, I admire how you handle so many different responsibilities, from being the Team leader to the Contingent leader. Insit ki duniya bhar ki chize pata rahti hai tujhe and professors ke saath projects me bhi machata hai. Stay the same and be in touch.

Pragun Badhan : Dono inter IIT main bahut maza aaya khoker sir, thanks for all the fun and support throughout. Sath main color mila dono ko xD. Dabru ke kahaaniyan bhi bahut mast thi. All the best for future!

Mukul Jangid : Khoku ali bagh chalega wapis 😊. Same school aur shehar se hai phir bhi 3rd year mein jaake dhang se mile. Tere saath dono Inter IIT karane mein kaafi feel aayi. Jab sab khatam hone ke baad roorkee mein apn maggi khaane gye the raat ko, toh tune galti se tareef kardi thi meri. Tere muh se accha sunke toh mein emotional hi ho gya tha. Obviously judge bhi infinite kiya hi tune mere karmo ki wajah se. Bhai woh thulla agar checking pe pakad leta na apn ko jo zindagi sawar jaati teeno ki. But maje toh bohot aaye woh last ke dino mein specially apni last flight jo bhi chutne waali hai 3 ghante pehle nikalke bhi 😂. Saath rehna Laala humesha 🧡.
