**Aprajita Shukla :** Garima! You are a wonderful girl! ♥ I've always admired your guts! You have made decisions for yourself. You decided to not go with the flow! You had the guts to sail your ship to your own island! You have stood confident with your thoughts. And under this courage, there is a beautiful heart! :) You are a child at heart garima. Pure :) remember that you have promised to make someone proud 🙏 you wrote it on your wall yourself! Jai shri krishna 🙏♥

**Neha Idnani :** Hello Garima! Writing for you gave me a flashback of all the good times spent together. Did you remember spending whole time in one room in 1st semester? Mano ya na Mano 4th Floor has given us the best memories to cherish. woh tera humesha late hona, woh har jagah sath mai jaana, woh previous year discuss krna, I will remember everything. I will never meet a girl like you ever, a pure soul by heart, who is ready to listen to all your nuisance talk (If I ever did). Thankyou for being a part of my journey at IITB. I know you will make everyone proud of you. Have a great future ahead! Stay in touch! :)

**Subhabrata Dutta :** Pretty lady! Goreema! Tere naam ke saath aise hi chedd chad hua hai pichle 2 saal se! 😂! Sach me we don't know much about each other! But I must say you the most soft spoken person of our class! Aajtak kabhi tujhe gusse me nahi dekha! "Curly hair to straightened one!" Aisa bhi hota h? 😳 Heard a lot of rumours about you! 😏 Usme se kuch sach bhi hai 😊 You were the only girl whom I teased .. dibya hmm 😊.. and you didn't get offended.. That's what I loved the most! Anyways! Good luck! Bohot aage jao! Stay happy! Jald milenge 💜
