Naman Chindaliya : Let's discuss this in our new flat colleague :)

Bhishma Dedhia : Broooo <3 Apan D2-T2 mein mile the and immediately hit it off due to the close proximity of our interests. First year ki infinite memories hai tere saath with freshie year MI being the highlight. Jab bhi teri yaad ayegi I'll randomly message you "Bro kal subah baddy?" Third year mein dono busy ho gaye the but 4th year made up for it. Thank you for all the fundae and banger recommendations throughout insti life. Tera placement fight in 4th year is stuff of legend. Wallstreet aaja, east coast mein majje karenge :p . Until then lets make a pact to meetup in a new country every new year's eve and run 10K !

Aryan Agal : Yo Punjabi! Bhishma ka dost hai isliye talked to you a little bit. Badminton khela tha first year mein. You greet me everytime with a smile and enthusiasm, love your energy. We didn't hang out a lot, but jitna interact kiya it was <3. Let's see if we can hangout sometime post lockdown! You inspired me to lose weight and kabhi bhi doubt hota hai toh bata deta hai. Thanks bro 🙌 milte hai soon :)

Kushal P Yadav : You said in my freshie year: "Tu SilverScreen convener nahi banega." I didn't. You said in my final year: "Bro tera Rakuten me hoga, Barca jersey chahiye meko" I did. Are you a part-time fortune-teller? :p

Allen Bose : I joined the wing pretty late, but you Engla and the rest of the gang of our aero wing always made me feel welcome. The small gossiping sessions during the placement time, our department football match, the football games we saw together and then later discussing tactics in the mess are very fond memories. I will always remember you as a fun, hard-working individual with a clear vision and goal.

Beni Madhav Agrawal : from coaching mates to class mates to mates, we have had a long journey bro, gonna miss the study sessions with you , the train rides from ujjain to mumbai, and all the times we hung out with vazir , all the movies , the mi sammer hill climb, and all the rest of the physical activity that you made me do, urgh, thanks yaar ,for everything, just keep shining yaar. :D

Luv Nainwal : Punjabi bro, HDFC Life filled our boring lives with 'Life'. That time in the conference rooms from bitching about Thomson, Abey, to sleeping on random corners to coffee breaks to infi dinner and lunch plans to mini militia and our return journey! Your passion for the work and your transformation last sem <3 Please, chalte hain when the menu will be fresh xD. Keep in touch! :D

Siddharth Mehta : Brooo, the sophie year! Be it running around the campus with DSLRs or spending late nights to plan tech events in Sat Lab, juggling the responsibilities was fun because we did it together. I'm gonna miss those days. We should definitely catch up, if only for the fact that we haven't had a single Ham Radio Club treat yet.

Ritik Bilala : Shubham, You are too dedicated to your work. I am happy to work with you have always shown interest and excitement by bringing innovative ideas to the table. You are always eager to learn things and apply them to give life to plans. There is a lot to learn from you. I wish you the success in every pursuit of life

Varun Sule : If someone asks me what's the best way that Shubham Punjabi has changed over these 4 years, my answer would be "dusro ko aaloo bolna band kar diya". Just kidding :) What should I thank you more for, lending me your ears for all my rants, tantrums, gossips or being an inspiration for me to keep working hard no matter what comes up. Now that I think more about it, it should be for always opening your door (literally) for me. We are still up for that Europe trip, iss baar sochenge nahi jyada seedhe tickets book karenge. And remember, don't dwell on one city, you may find better fortunes in another.

Naman Aggarwal : Comrade Punjabi! It's so funny, sometimes you just come across people and hit it off. We were cordial since the first year itself, main 16C 2nd floor pe Khoker se milne aata tha and tu bhi ussi wing main hota tha, but we really got to know each other during our stay in Pune. I didn't know this side of you, you were really determined and disciplined, subah 6 baje uth jaata tha. Yaad hai saath main teri placement craxx karne ke fundae dekhte the summers main? Agent Jack's main entry nahin mili thi but :p I am really happy and proud of you for getting into your dream company, I've seen you work for it. Also, kya video recording dikhaayi thi bhai :p :p All the best man and keep in touch.

Pujan Biswas : City hate forever. Apart from that, Football definitely changed us for the better. I cannot literally imagine how much you helped, supported and backed me in the NTU fiasco and even before that. I clearly remember you backing me amongst the 4 to talk to the NTU head. Department ki saari yaadein flashback ho gayi, from the first book that you won from Pant to the "Sir, all others are doing a simple 2 hours code" All the Structures ka <3 to this amazing journey to cracking the top IB, GS I mean :P is simply mesmerizing. PLEASE stay in contact and share romcoms and movies and music forever. Your midfielder, Bisso!

Krishna Wadhwani : Shubham!!! Our partnership puts that of Messi-Suarez to shame 😂😂. OptiBois toh sabse entertaining aur epic course team thi ♥... Shevare was blown away by our Opti-presentations jisko banane mein sabse jyada time theme aur kahan opti prefix dalna hai usmein jata tha 😂. Really cherished the increased interaction time in H18 in the last year♥. And regarding RL101, I honestly did not do much 😊. You aced it and am sure you will continue to ace everything else in the future as well. Definitely need to continue with epic convos (Lord Jlingz is the best 😊) !!

Abhishek Rawat : Punjabbbiiii lol ye word limit toh itni nunnu si hai mai toh puri kitaab likhdu apne experiences pe.....Usme se aadhe toh yaha public mei bolna allowed bhi nahi hoga.....Wow first year punjabi to 4th yeat punjabi dekha kitna jyada badal diya tum loggo ko maine.....Bahar se cool banna aur andar se boht bada maggu hona koi terse seekhe.....Tere Study Room se special lagaav xD woh toh beta kabhi nahi bhulunga mai.....Aur kch bolunga nahi mai kyuki mjhe pta hai apan aagey bhi roz baat krne waale hai.....

Sarthak Sharma : Yo Punjabi brooo! apne last year ke mess wale daily discussions about Football is something that I'll cherish forever. Bhai tere hardworking attitude ke liye infi respect hai, be it placements air your inspiring fitness journey tune bahut machaya hai :D Let's continue our constant discussions on football (Barca forever <3) and B99. Omkar Ingale : Kyaaaa!!!! Like I you heard it in your sound. Group ka sabse enthu wala banda....be it basketball in the rain, cricket or anything that's got to do with physical activity for that matter XD. One of the most disciplined, maggu and hardworking guy I have met in my life. Hardcore nine-nine and now the office fan. Cheers to all of the BnB conversations and many more to come!!! P.S - Daaru ki bottle kholke dene ke liye Thanks!!!

Bhatt Maulik Chunilal : Punjabi sirr, aap se bahot kuch sikhna tha yaar. Bahot jaldi ja rahe ho dur. Going out of insti for no reason, fitness and exploring random places and are definitely the three thing which units us 😊 now I won't have anyone with whom I can go to Hiranandani for no reason. Remember that park beside insti jaha diwal kud k gae the? Aisi jagah pe jane k liye adventures banda bhi koi nahin hoga ab 😞 aur ab direct marathon bhagenge sath mai bro, pain na lena. Your determination in life is something I will always take inspiration from. There is a lot to write but baaki sab jab tu saaman lene insti aaega tab baatein kar lenge. Jate time ek baar pakke se milke jana. I still can't digest ki now I won't have anyone to compare my 5k timings with. Will definitely miss you bro. Insti aate rehna jab bhi time mile. Aur haan bade log banke bhul mat jana humko 🥺

Patel Sayan : Alum ka ek football match rakhenge dept me. Aur main CAM khel rha baaki tum log dekhlo :p

Syed Zakiuddin : Punjabi!, Allrounder in all sorts of skills, there are so many adjectives I would like to assign to you but I will go with this "There is a great heart pumping inside your chest". First time i came to genuinely know about you is from your stories which usualy went viral, like koi kehta tha "Punjabi gir gaya" phir sab log hansne lagte the..xD. Tu bhai group ki raunak hai. from Sports, Athletics to Acads and placements sub jagah hi phoda hai, and yet so humble. Bro, always be like you are, never change. Love you! take care!

Himanshu Prakash : Yo aalu... mujhe abhi bhi yaad hai day 1 jb teri voice suni thi tb thoda ajeeb laga tha aur teri gaaliyon ka level toh bhut hi upar tha.😂 But u are very dedicating and hardworking person. Since, first year till final year u have improved alot man. Your coding skills, writing skills are too good. Apart from that, we were the best gym partners😎... Baaki banglore m milte hain jldi hi

Sriganesh N : "Abey alooo", yo Shubom! In the 1st year, u were a classic example of Mumma's boy. But that has changed over the years. Hamesha enthu me rehta hai aur kuch na kuch karte rehta hai. Tu idhar udhar apne style me bhataкта rehta hai toh wing me energy bani rehti hai. You are a guy who actually enjoys discipline, and it has worked out for you many times. 3rd year me Gadgil k midsem se pehle waali raat me maza aya tha, it wouldn't be possible without you xD. Continue to be as bubbly as u are and I'm sure you will have a great life ahead

Vipul Ramtekhar : Brooo! First year mein enthu se baddy khelte jaate hua dekha tha. Koi bhi year same wing mein nahi the but still wingies forever! Citi ke time saath hi decide kiya tha and then summer together was fun too! Placement sem was so much fun too with all going for tests. Love your dedication and hardwork. Apne random dance practices, infi discussions on topics ranging from movies to serial killers to murder mysteries and a brief period of workout too! Ek trip toh pakka karte hai har saal!

Yash Kothari : Yo Pun-jaa-bee. I won't forget the gossip sessions we've had with Sule. 2nd year waale trek me paani jugaad liyaa tum dono ne nahi to kaise utarte pataa nahi. Only your message can lead to a 1000 more messages and a so called Aero War and so much entertainment involved in that. Infi cricket khele apan saath me and finally tu Cricket GC bhi khel hi liyaa♥️. Fielding to teri god level hai hi bas dive thoda dhyaan se maara kar😂. Teri playlist kaafi sahi hai be jo last year aero trip waali raat ko bajaayi thi. Subah vihaar lake bhi ho ke aaye(Pata nahi kaise 15 log 6:30 baje jaane ke liye uth gaye) aur football match bhi khel liye saath me. Bas wo wing treat miss ho gayi. Usme infi naachte sab.
