**Vartika Singh :** Hi Mayur, I think we have come a long way now. From not even smiling while crossing the hallways to sharing little details of the day with you! From wandering whom you talk to all day (being an introvert) , to talking to you all day! I feel so lucky that I got to know you, and had a chance to call you my best friend. I remember, my first words to you were,"ab to number save kr lo" and now here we are ♥ . Remember no matter whom you meet and what you do, I should always be your best girl 😊

**Aman Srivastav :** I can't imagine my last year without you ;). From being a casual friend to one of the few people who knows too much about me. From endless discussion on relationships to late night booze on Anjuna, from some the last people for placement to lone trips for weekends, there is lots of memories to relive. Hope to see you soon :).
