Sakshi Pandey : Bro...Tere jaisa khadus ladka andar se itna soft aur emotional hoga nahin socha tha. You always had my back in these two years. Rakhi aur Bhaidooj pe tune ghar ko kabhi miss karne nhi diya. Love you Bhai. Jaisa hai waisa hi rahiyo :-D

Sweta Shaw : Aapko dekh ke lagta tha aap bht serious hoge.. but jab aap se baat hui to pata chala bakchodi to aap bhi karte ho. Jab bhi MTD lab jao to aap milte the. Aur aap se baat bhi hoti thi bada maza aata tha aapse baat karne me. Mai wo AIDS ke practice ke waqt aapka and Gagan ka old sac ke bahar hona aur uss waqt jo gappe ki humne along with Nisha , yaad rahegi humesha. Aur jab jab insti me puja hogi , we will miss our Panditji the most 😭😭. Ab kya hi bolu..1 saal me se 6 mahine humein ghar me hi bitana pad raha hai...jaha bhi rehna mast rehna aur duwao me yaad rakhna. Will miss you Khair 😭

Himanshu Bishwash : I remember that one great team meeting we had in our tenure. I did not know what to say and you stepped up and helped forward the discussions :P It has been great working with you. All the best and have a glorious life ahead of you.

Reshma Sahoo : You are a good person. I mean a lot of things through that. So through ananya, we are connected but I have learnt so many from you.. A concern stick that beats everyone.. jealous kid of arpit, shweta's twin brother, ananya's concerned sister.... But please be careful when you walk...do not look at any girl who can kick u off the stairs (that's what sunny told) Stay that friend for drunkards.. they need you. :-p Or khane chal.. abhi chal, bhul gayi kya... Or acid, alkaline aese adventures karta reh... Bas jinda rehna..aur aese pradarshan karte rehna.. humari dua tumhare sath h...

Shweta Naik : Kai bolu tula. The one who used to always cry ki "Sir mala velach nahi det ani tumhi ek ek tas ghetat". And then the exchange of taunts as usual. We have always spoken in "taunt" language and with top of our voices such that everyone in MTD lab would understand. But that's how we both are. We may shout at each other but accompany each other for Pepsi in Sunny :D Raag jara kami kar nahi tar kasa honar amchya vahinicha, dev jaane :P The knowledge that you have is immense, keep sharing that as always. Zhala gela sagla maf, ani asach nehami taunt madhe ek mekana bolat rahu :P

Ananya Sarangi : Bhai Bhai Bhai Kya hi likhun. Hai tu Baka, gadha, murkh. Yeh sach hai ki maarti bahut hun tujhe. But esa kabhi nahi hua ki mango ice cream khaun aur tera khayal na aye. Chinta toh hai bahut tera but pata hai ki tu apni naaya paar laga hi lega. Dua karti hun ki jo chahe tujhe woh mile. Bas apni yeh behen se naraz kabhi na hona teri behen ki rakhi ki kasam. Dulhan jaldi hi mil jayegi teri, ek mast sa dawat dena. Mujhe na bulaya toh tera haat ke plaster lagane ke liye phir se ready ho jana. Agar abhi sab likh dalungi toh yeh alvida ho jayega. Ishliye adhuri baat hai ki jese tu gadha baat karta hai baad mein bhi. And don't let anyone make you feel bad!!

Priyanka Gogoi : To the person I share the same precious day....You have been a very kind and helping dost although ghussa aajata hai ...I can never forget our Project management discussion "decibel meter 📡"....but those were the days today I can count on...miss those days and humara "Bajrang dal"...miss you all...hope we meet soon.

Divya Singh : Khiraaaaaaa.... Apan next moodl m dil lagake kosis krnge.... Pakkka promise..... Waise tera 1st sem ka wo secret kisiko ni btai hu Ynha batu ky? 🤔🤔🤔 Thda gussa Kam kr de..... Ni to new year m bhi tera gussa hi thnda krna padta h.... Sirf photu k lye..... Itna gussa 😂😂😂

Rohit Kumar Prince : "Kachre bhare jivan me behte hue pani ka sandesh" Accent se to aap bhi Bihari babu ban jaate hain. Baki I was always jealous for you for being with Wagle sir since seminar. Waise bas apna hi panel tha jo pure 2 saal same to same raha xD But there is a lot more things common in us. Perhaps we have done most of the non-academic activities together, even placements :p Thanks for pushing me for things I never wanted to do and putting me in trouble, you know what am I talking about.

Vankudothu Surya Prakash Nayak : Party tho jaroor meliga :). waiting to celebrate your two years birthday. Your loving more academics and doing justice to it but on other hand you gave free hand to your health to rule over you. koye bhi tereko samjega tho they never leave you. iam always felt happy when ever saw smile on your face. may all dreams comes true. hope see you soon.

Swagatika Priyambada : You look very cute with a beautiful smile that reaches till your cheeks. You are hardworking and intelligent and you surely will do well. Only keep cool and keep smiling in every situation. Take care. All the best!

Aman Lonare : Yo Khaire Baba! Bht kam log hote hai jo apne true self ko sabke samne dikhae hai. Unme se tu hai. Tu ek hi insaan hoga pure insti me jo bhale hi kitna bhi jhagda kar le mujhse mujhe bilkul bura nahi lagta. Iss se yeh pata chalta hai ki kuch bhi ho jaye hum dost rahegi. Dil ka bht saccha hai tu aur fundae normally acche deta hai. But jab tu frust hota hai..... tab fundaes jo hote hai uske to notes bana lena chahiye kisi ko. Yaha waise itna khul kar nahi bata pauga. Kabhi chalte hai, maahol banayege aur charcha karege. Aur yaad krte rehna.. Milte to rahege hi :)

Thirumal Reddy Vennam : Dekh ke tho lagtha he kitna sincere bacha he, wo tho he thu. Wagle sir ke shyish, rules ka notepad. Par kitna ghussa karthe ho be. Thoda ghussa kam kar koi chura nhi lega thumhe. Be Happy, keep smiling
