Sanyyam Khandelwal : "Susu sun na.. FO" I can't remember a day when I haven't said that statement and heard the same thing back. Lub u baabbezzzz. PS: Ha hu mai wanna be CS wala

Somansh Chordia : Arey SUSHIL. 1st sem ki rank wali galti ke liye maafi😅. Tere jaisa bakchod and ready to handle literally any kind of bakchodi wala insaan nahi dekha. Tinder pe machate raho aur bina puche stories batate raho😅. Thoda slow bol liya kar mere mortals ke liye. Santra barfee zarur launga and I hope you improve from being a skeleton. Baki milte hai Korea/Japan me😅

Phuntsog Wangchuk : Tu ne rona kam nhi kiya to Korea-waalo ne tujhe 2 hafte mein wapas bhej dena hai. Kabhi wapas milna hua to we'll reminisce about the Dua Lipa concert and Malaysia ki ladies, tabtak tharak par kaabu rakh thoda. Glad we had you around, khud pitke sabko hasane waale kam milte hain.

Pranav Sankhe : Susu Don! I super proud of out "wave" streak! It was so much fun hanging out with you in TL. Debugging kam, bakchodiya jyada xD Haan yaar, baadme jyada mil nahi paaye but koi nahi, convo treat karte hai ek mast wali! Korea mein machana aur apne fantasies fulfill karna :p Stay in touch and keep waving!

Anirudh Singhal : Susu Don! Wouldn't have gone to KFC nearly as many time as I did without you xD. You're a fellow appreciator of Dua-ji <3. Andha paise toh tu kamane wala hi hai bas sudharja thoda xD

Aman Mishra : Baabzzzzzzzz! Anda poda? Ille notty. I don't even remember how we came up with this greeting. Though, whenever I hear it I know its time for ultimate bakchodiiii. Susu yaar, spent almost the whole first year together and then did so many things together in the remaining years as well. It seems like you have always been there. If I have to define you in one line - creepiest harkate yet purest heart. How the hell are you so lively? Please stay that way. Public me kayi baar pitwaane vaale kaam kiye hai tune, bhai kasam se ek baar to laga tha aaj pakka pitenge. Sudhar jaa thoda XD. Finally, sangh ka member banane ke liye shukriya babzzzzzzzz, lub you always.

Rahul Manglik : Yo SUSU. Live long and prosper \\\/// .

Drish Mahnot : Literal proof ki constant persistent peeche padhna can indeed wear me out. Still shocked I became your friend despite the retarded "homie my bb lets wear socks" nonsense. An essential part of NKMFNKFT and all my meming adventures. Amsterdam new year confirm, with a Samsung phone. Only person who can bet his own mom on Jesus scoring more than Rashford

Pranil Joshi : Susuuuuuuu! Paagal aadmi hai tu. Public mein kahi bhi kuchh bhi bol deta hai. Kabhi toh pakke se raste pe gande se pitega xD. But love your confidence. Tere weirdness ke binaa BCBzz adhoore hote. Aise hi Pokemon pakadte pakadte random jage jaate rehna. And none of us have forgotten teri PPO treat bachi hai lol (10% of 80 lakhs xD)

Kratvesh Pandey : Susuuu tujhe gali dena bht miss karne wale hein sab sacchi mein. Apna Starbucks period best tha jab both of us had money to go to Starbucks without even thinking twice. Viral Shah : Susu Don !!! Arey woh 2nd sem ke baad mai thoda sudhar gaya mai, Sawaal hai ki tum kab sudhroge !!! Pados me he ho toh aana jaana toh laga rahega. Par jo bhi bolo, ye PP yaar !!!

Shreyas Pimpalgaonkar : sushiiiiiiiiiiii. love the fact that just how weird I get around you and do crazy things. mast hai yaar tu. glad we have done so many things together football, csgo, KFC, kpop, *\$ and you're anything but a loner 4 life, love reading ur tinder chats. dui lappa was fun :) stay happy stay sushil

Naman Jain : Yo susu, kaafi bully kiya maine tujhe pure 4 saal. Hopefully aage bhi aise hi bully krta rahu. On a serious note kaafi maza aata h tujhe bully krne mein

Ishan Tarunesh : Heelo Sushil. Intern mein to alag jagah par the isliye jyada baat nahi kar paaye but is project ne definitely acha dost bana diya. I guess our basis of friendship was mutual hate for hiquad, backing up a backup lol. Jaane se pehle rm -rf to banta hai. If you think ... was the funniest thing just imagine ki main to meta learning hi galat kar raha tha ek saal se. Football khelna kaafi fun tha though tournament complete nahi ho paya. PS - CRAIG padh lo please. PPS - Mina (Twice) > Nancy (Momoland)

Kartik Khandelwal : bRo yOu ArE OnE oF tHE moST eDgy and NOT noRmiE guy in cLg :P. tbh I have always admired your undivided pursuit for what you love, be it fifa, due lappa, creepy tinder lines or your YOLO outlook of life. Love how carefree you are about everything (except hated it during our cv assignments lol). Hopefully ye masti abhi korea mein bhi continue rahegi (I am booking your apt for Seoul weekends btw, idc if you are bringing a date though i don't think vo kabhi issue hone wala hain) P.S. 'ek min ruk' bolna chod de ab.
