Veerupaksh Singla : Bobby L. One of my first friends in insti! Saath me table tennis, saath me ecell, saath me Siddesh ko bt dena :-p. Tu chahe OC ban ja chahe consultant ban ja, mere liye to Bobby hi rahega, sorry not sorry. Bob the Builder, kar ke dikhayenge; Bob the Builder, haan bhai haan ♥

Praveen Saran : Remember those placement prep. days when we used to timepass rather than prepping:)) From Truebil intern to yesterday's chat, it was all fun & I hope it will never end. You're the most sincere, smart, and down to earth person I know in insti. Have a lot of respect for you, keep up the good work!!

Nikhil Choudhary : One of the best OC we could have asked for 😊 Thanks for leading us and giving us fundas for insti life

Kushal Agarwal : Kya hi kaha jaaye us insaan ke liye jiske sath 24 X 366 ghante bitaaye hai. Kismat achi hui toh wapas sath zindagi jeene ka mauka milega!

Nautatava Navlakha : Library^{me} me baith ke ecell ke task ko katane se lekar ecell room me baithke planning karne tak, poore 4 saal dekha hai tujhe. Infii chill banda, kuch bhi bolo sab kuch sportingly lene waala. Placement ke 1 din pehle bahar khaake aate 🍰 hai bolna waala ek booby ke alaawa kaun ho sakta hai. Btw, ecell room me baith kar agar bakchodi se accha thoda kaam kar leta to zyada accha hota 😊

U are one of the most hardworking and sincere person in insti. Your growth has been exponential, I would love to learn multi tasking from u. Can't thank u enough for having my back during my lows. Now that u have gotten into BCG, I ain't gonna pay for dinner ever. Reimburse toh ho hi jaayega na. BCG mn partner banne ke baad bhulna mat merko. Again, thank u for tolerating all my childish tantrums, I will have ur back too as always. Milte hi rahenge apn Mumbai mn, Nooo worries.

Rajat Kadam : I think we both still hate siddesh for sending us to Star India office jaha pe bezaati hui maxxx... But i guess two pehli baar apan acche se interact kiya... I remember our walks speculating who will be manager... Tenure main jhaghde ... But humesha tere liye respect raha hai, though your bad sense of humour brings it down a little XDXD

Rashi Gupta : I do not know where to begin! You've come a loooooooooong way from who you were, when I first met you. Working hard for what you want, you deserved every bit of accomplishments you have made. A friend who's been with me during my tough times, i hope to cherish our friendship forever, and be there for each other!!!

Parag Mundhada : Bobby. Kafi sahi hai be tu 😊. Tune mere se calculators ke liye kya kya karaya hai yaad rehnege humesha. OC tenure + placement kafi sahi tarike se manage kiya hai be tune. Abhi consultant ban gaya hai but milte rehna jab bhi mumbai mei rahe! I feel abhi kisiko batane ki jarurat nahi hai ki tu kitna machata hai! Umang Chhawchharia : Meri jaan hai tu. Definitely the most hard-working person of the team and always ethically correct. Mujhe yaad hai ki jab apan co-manager bane the toh mai kaafi khush tha kyuki I knew ki tu pretty much pura akele hi sambhal lega :p . Sabse zyada maza tab aaya tha jab tune Inox wale aur Dell wale ki maari thi. Dude confidence rakhna life mai aur yaad rakhna tu joh bhi kare, jaha bhi ho I am just a phone call away :)

Pujan Biswas : Chingals over Bobby for me, anyday. Tu H16 mai veeru ke saath humare floor pe aaya hu ek pardesi tha but it is amazing ki tuney kaise khudke epic smile se logon ko ... creep out kar diya XD Tere BC ka dreams ke explanation were epic and how you were convincing me to join DTU, wtf was that dude! SocScey kya hota hai be, masst kaam kiya jhande lagane ka bro XD Also, thanks a lot for NOT following back on the 'gram 🙄 But I will always hope for your epic consulting in BCG. Yours, Bisso

Vikram Aditya Sharma : Yo OC sahab! Kaisa macha lete ho itna? 'Balance' is a word that describes you well, from handling the placement prep+OC tenure to knowing kab hame praise karna hai and kab "Leads kyun nahi hain?" :p Also you're a really caring person in general and have always done a lot for us despite having so many commitments of your own. Machate raho and stay in touch!

Rachana Meena : First year me mere EnB buzz mentor the aap, kise pta tha OC bi aap ho hoge. Throughout tenure chemical ka dukh manane me sath dene k liye dhanyavad XD You are one of the most genuine people I know in insti. Handing over and baap treat dono pe hi kafi pareshaan kar diya apko, sorry about that XD Your words really helped me a lot to get through the itnernship process and ofcourse the constant support during tenure. Bahut supportive rahe ho aap har chiz me, thank you for all of it. I have been lucky to have you as an OC and an amazing senior, will stay in touch. :D Abhi bahut kuch sikhna hai apse. PS: Placement wale din jitne khush the vaise hi rha karo hamesha, keep smiling :D

Harsh Jain : There are few people in life jinko milkr lgta ye bohot aage jayenge, you are one such person in my life. High integrity & always genuine. Seen you grow massively & you deserve everything. Be the same , keep in touch!

Aayushi Pankaj Agrawal : Chirag, you don't know how inspiring and motivating you've been to me this entire year. Thanks for all the support you provided the entire tenure! For those long discussions and walks I needed when I felt everything was messed up, and for those messenger discussions on random topics, for making me feel at home when I felt adrift. Aapki stories bhi miss karungi 😊😊 You've always provided a new perspective to things, and I was left thinking, haan esa bhi ho sakta hai. I love how you break down all the complicated matters to simpler things that make taking decisions so easy. Aap ke saath 'bhakt' ko roast karna miss karungi, aur bohot saare topics pe random discussion ke liye ping karti rahungi, and advice ke liye toh humesha. You've been a person I really look up to, and I know you'll do great wherever you are. All the best 🍀

Kosuri Sandeep : Yo Chirag!! I have seen you grow from being a naive guy to successful head a big team successfully. I will miss those late night bike rides in insti with you 😭. No need to mention about your marketing skills. Thanks for everything. Milte rahenge bro!!

Vedarth Choksi : Chirag! Marki sath me machaya hai aur tu nahi hota toh marki nahi hota 😂. Wo Paytm wali meet yaad hai jo puri disaster nikli thi 😂. Uske alawa bhi kaafi meets sath me hi gaye. Waha se tujhe bohot grow karte hue dekha hai. Apan toh abhi kaafi touch me rahenge. BCG me jaake machade 🔥. Marki bros for life!

Akash Khonde : Hi Chirag from your so called casual bacha xD! Thank you for picking my infi calls and clearing all my doubts calmly. I respect you a lot for the person you are and have inspired me every time I interacted with you. Sincerity, ethical(HDFC), genuinity maxx. I remember the way you came to me during mentor's meet and told slot 1 nhi hua, and I was just cursing companies till I return E-Cell room to see your text of selection. Also, that night when you challenged itna aur la, Taj le chaluga(waiting for that :')) I wanted to spend more time with you but this covid thing messed up. Aapka jitna sunna hai utna kisika nhi suna insti mein. Thank you for everything brother and be happy!

Himank Jain : Bobby the builder, apna safar toh Kota se shuru hua tha. Jisko hamesa instructor se class mein doubts puchne se daar lagta tha jo aaj kisi se nhi darta :P except Sahil. I have seen you how you managed everything so sincerely be it academics, tenure work and personal life and I always got inspired by that. But you have to admit that Handa was a better than you :p xD (That was the reason why I never seen at room) Tereko pareshan karne mein jitna maja aata hai utna shyad hi kisi aur ko pareshan karne mein aata hai puri insti mein :P. Never ever let your enthusiasm and courage die for doing extraordinary things in life. And, yeah you will always remain a bobby for all of us.

Bidish Ghosh : Kaafi intermittent interactions rahi hai apni; first year me it was great to see you and Aniket end up as one of the final duos on salsa night xD For quite some time ig my major interaction with you was as CR, uske baad apan ek semester saath me the lab me bhi (I hope I was not too much of a disappointment :P) Uske baad we went our own separate ways for a while; I remember talking to you before you went for Ecell OC and being inspired by your perspective on things back then. Last we met was probably when you were walking with Rashi and you just non-chalantly took a few puffs from my cig; that was a testament to our friendship ig. Hope we catch up proper in person soon sometime :D

Aniket Bhatia : How to start!? The guy who used to live just below my room. First year me infi time spend kiya hai tere room pe :D. Phir saath me RC plane banaya and that was soo fun!! I still remember you, me and Veeru dancing in your room! This brings me to us getting Salsa King & King and we didn't even know till the next day xD. Bohot maze kiye hai first year me yaar! You're such a hard working and machau (in every sense :P) person!! Bhool mat jaana and stay in touch <3.

Sanjay Khatri : Bobby!!! First year se same same wing ka machau bacha. Bhai apan lade 2-3 baar honge lekin I know we have one hell of a friendship. First year se we have seen you transforming. First bench pe baithne waala sincere bacha in the first year to machau E-cell OC. Bobby bade sab ho gaye hein apan lekin rahega tu wing ke liye bobby hi. Machau londe jaldi milo and milte rehna hai tumko bobby.

Milind Vijay Chandnani : Needless to say ki aapse infi seekha hai whether it is your team managing skills ya placements kaise machate hai. I am sure aage bhi seekhta rahunga. P.S Daman kab wapis chalna hai batao :P
