Tushar Uike : Bhai yb choti padh jaegi tere liye senti likhte ♥. Tu wingie na hota toh mai Chemical engg survive na kar pata :p. Kitni memories hai bey 😊 MA prof ke saamne se class se bhaagna, 1st year MI ♥, hiranandani me secret locations etc etc. Infi assignments and quizzes bachaye hai tune bhai 😊 But the way you helped me during placements, I can't thank you enough. Bohra Ankit Narendra : Bhai...first day se jaante hai ek doosre ko...700 words kam padenge. Wing mein infi mazze...hasna khelna chidhana padhna sab kuch. Bhai placements mein agar saath mein nahi hota toh nahi nikalte yaar...woh din bahot crucial the and kaafi support kiya tha tune♥. Of late our secret discussions and secret revelations...discoveries...sab bahot special hai yaar. Mere insti ka aadhe se zyaada hasne ka quota teri wajah se tha 😊. Touch mein toh rahenge hi. ♥ All the Best!!

Arnav Dewan : Woah! Even a better holiday package than our trips?! Especially last waali jaisa?! Dekh zyaada senti toh nahi likhunga, but haan always had the utmost respect for you. Sabse chilled and one of the most dope person I know. One of the few things good things out of our tenure was that we got to know each other better! I know tu jo bhi karega accha karega and things will always work out for you! Baat to hot rahegi to tab senti maar lenge! 😊 PS memes bhejta raha kar!! 🤔🤔

Rishabh Jain : You are not perfect, nobody is, but you are the closest thing I have ever seen. Bhai hum dono kuch bhi kar sakte hai. There is no ceiling to it. We can both make bets to give each other treats in the 1st year, only to pay it off in the 4th year. Hum T2 ke escalators pe knife lekar ulta bhaag sakte hai. Hum suits pehen ke malls mein bhand ho sakte hai. Heck, we can make Mani believe you went on a date with a ___ on a moment's notice. I don't think we have ever fought. I have no regrets with you, apart from the one time I made you feel guilty about Taksh's "attempt", but come on, even you know that was hysterically brilliant. Come to think of it, that's what you are too, just brilliant <3 <3

Abhishek Rawat : Aur beti or should I say my Co-Memer... Bakchodi toh itni karri hai apanne ki log do baar degree mei bhi na kar paaye kaash padh bhi liye hote utna xD..... Chemical sucked but it was waay easier with you along. Kaafi tarakki kari hai tune exta currics mei xD (ifykwim). Bass ye gum rahega ki bc koi bhi life ki bhasad ho H13 ki woh terrace aur woh view roz nhi hoga apne paas. Baaki toh apne woh jugaad chemical labs mei aur apne woh kaand classics mei ginne jaayengey. Bolna ka fayda nhi mjhe pta hai touch mei toh apan rahengey hee, haa bass ab tujhe naman ko haraana hai xD. Memes bnate rahengey aur parampara, pratishtha aur prashasan kaayam rkhengey. P.S- You will always be a Damp Mentor For me xD.

Abhishek Singhal : Bhai bhai bhai!!, I don't remember when we became friends but you are one of most happiest person I know in Insti. Tere jokes(dank wale :p) aur memes kaafi sahi hote hai. Kya mast darta hai tu mujhse aur panda se, tujhe darane mai bada maza aata hai. Aur thanks for teaching me in last moments before exam(specially for Mass Transfer I). Hamesha touch mai rehna aur Neema ke sath kaam karke hame bhul mat jana!!

Yashi Jangid : Humari bus ke super hero.. haha. voh din humesha yaad rahegaA:)))) and cant thank you enough for all the help<3 khush raho machate raho aur yeh smile dete rhena thakurr<3

Sarthak Khandelwal : Bro tu bae hai. There's not enough words to describe how you've made my insti life so so so so GOOOD. If there was any problem in my life, you'd have a solution. No one can ask for a better roomie. Tere saath "mohol" banane mein jo feel hai woh kisi mein nahi. Road pe moo moo chilaane ke mazze, H2 mein barbaadi karne ke mazze xD. I'll miss ordering a regular pizza after dinner just to satisfy pizza craving... everyday XD. I promise to always be a call way, kuch bhi ho, kahi bhi ho, tu bas yaad kar. I'll be there :) PS: our wing still doesn't know we ate all the sweet boxes we got XD

Siddharth Singh : Aapke saath ki saari masti oho, frankly mtlb sabse mast senior chemical department me, yaar treat abhi bhi baaki hai vaise aapki intern wali 😊, khair aise hi maze lete rho life me n wish you a happy life ahead 😊

Rohan Kaushik : Betii. Kya kya likhu. Duniya bhar ki bakchodi kari hai saath baith ke, especially this sem 😊. 4th sem tripling toh insane, kaise manage kiya tha abhi nahi chamakta 😂, but damn if I'm not grateful ♥. TV shows bhi bohot share kiye hai. Forever grateful for introducing me to Michael Scott. Never forget Fanatsy Island, Rishabh ko uss raat hi pelna chahiye tha. Glad I made it to BnB that last night, would've regretted not going. Side note, vo photo sorting app ka abhi bhi enthu hai? 😂 Ab dekh beti yearbook hai, final sem hai, maan le haga tha tune 6th sem mei with that laptop 😊. Baaki toh apna chalta rahega, bas don't forget me when one of your startups takes off. #enjeenir #Rumies4lyf

Thanks for the help bhai, and keep in touch. All the best for ahead!!

Tanmay Garg : Aur faridabad ke hero, bhabhi(s) kaisi hain meri lol :p man you are one hell of a crazy friend. There is no doubt that I wouldn't have been able to survive CoW without you man, impossible tha. Honestly speaking, I never expected that we could become such good friends but somehow we just connected and at another level bro, its rare that such connects are formed (rare in my life at least :p). Anyways, 20 rupay ki coke waala incident to main bhi kabhi bhool nahi paaunga lol. I hope we could have enjoyed more in the last sem, but as we've already talked, apan milte to rahege :) I'll come to whichever place you'd be posted at lol :p Looking forward to even crazier times in the future, stay sane

Naman Chindaliya : koichiwa Senpai. Bhai tujhe itna bola train karde aaj tak nahi kiya. Aap legund ho. Creator of some of the best memes. Foosball overconfidence ki wajh se haare aap :(. Also, you win this part of "the competition" but it's not over yet. Milte rehna and mae VC karte rahunga :p

Pranil Jain : Kya jolly banda hai bhai tuuu. Maza aata hai tere saath baat karne main. Machate reh life main and kabhi kuch ho toh yaad karna. See you bro

Vipul Ramtekkar : Goyal brooooo!!! You are a really amazing friend, extremely selfless, ready to help everyone and anyone! Our brainstorming (read 90% timepass & 10% ultra ultra productive) during and after lab sessions was something I looked forward too :P I'll miss those race against time auto rides, times when we would figure out (forcefully fit) theory, and our countless jokes & crazy crazy laughs and times when you would get that mentos moment of the day to save us!!! I'll try to get better at foosball and next time we meet, I'll win :P Our kalsubai trip was really memorable and the food was just amazing, thanks to your perfect execution! More unproductive lab group video calls to come XD

Adwitiya Rao : Himanshu <3 <3, my Saturndi Co-CG, we were always more than FB frens. First year se you've been one of the most helpful and dependable people that I've ever met. It's been a wonderful journey, seeing you graduate from one dhakkan of whiskey from first year to shots pe shots in your final year. I'm sorry for not being around and no matter what I do won't make up for it :(. I'm glad that we did rainforest this year(PS never seen you that drunk my entire life XD). I hope you achieve the best in your life and always keep smiling and stay strong <3 Cheers to all the conversations, gossip, inside jokes that we have had. Letooooooooo <3<3

Priyesh Gupta : Sabse pehli baat, coaching ho ya kuch aur apna startup to hoga 😂. Infi plans discuss hue hain apne. Matlab nightout pe bhi peace nahi 😂. Vaise Coding karle, par jana to Reliance hi hai 😂😂. Yar kitne match krte hain apne thoughts, be it Modi, Wakanda, cancer city, secular and what not. Yaar ek dusre ki parchaayeen hain apan. Kuch raha to nahi hai zada karne ka, jo plan kia apan ne, sab kuch kar hi lia. Ab ek Bachelor's party videsh me thde paise kamane ke baad ♥ aur baaki sab to chalta rahega. Wakanda aaye bina kaise jee payega tu 😂♥. Yaar tune us bure time me itna saath nibhaya shabd nahi bayaan karne ko. love you bhai ♥♥

Khidir Usama Abdul Karim : One of funny, annoying assholes jiske jokes hamesha (almost never) dank rehte. Bakchodi me sabse aage lekin woh highway pe bus pe naachne me alag hi maja aaya tha, but sabse zyada maja tab aaya tha jab police walo jab gaand maari thi. Bohot sahi hai tu organisation me aur apna cool rakhne me. Tereko toh ping karta rahunga re

Bidish Ghosh : Bhai itna zyada senti ho gya tha just because I told you mazey me "bro tu JSec ke liye ja rha hai? kaise? :O" I will clarify I just meant ki I didn't realize you were interested in the same; rest assured jitna awesome tera tenure tha hardly anyone compares. Department trip was a hell lot of fun (lagbhag 50 log the bus pe :P), aur CoW pe bhai bahut bakchodi kiye. You're a skilled diplomat, aur juniors se bonding to bhai koi tere se seekhe _/_ Latest memory yaad aa rha quest for Diet Coke xD Wish you all the best; milte hai jald hi :D Oh, also your memes; thanks for keeping our WhatsApp group chat spicy!

Sahil Jain : "Baba goyal" hai ye mere, inke pass sari samasya ka samadhan hota hai 😊😊😊. Kaffi helpful , infi machau , most trustworthy senior i have met H12 ka bounvita and cold coffee buddy hai mere. Inki life stories bhi inki tarah kaffi interesting hai(Still wating for the completion of the story, kb baata rhe baaki ?😊😊). Junior se leke senior sbme famous(jyada hogya na :P), though treat dene me bhutt kanjoos(apki infi treats pending😂😂) Stay safe and always be in touch ,bhulna nahi apne is bhakt ko😂😂😂 and haa shadi me jrur bulana Baba ko pranam🙏🙏

Ayush Ankit Singh : Core main hi gaya na 😊. Apne aap ko khush kismat samaj aaj tak kuch kiya nai 🙄. Koi kuch bhi bole, tujhe sabse best describe toh uss police wale n Kiya tha 😂😂😂. Aur pata nai hamre bina tu akele vaha kya karta. Its always so much fun being around with you. Double meaning jokes aur vo meme references. Aur bhai tera meme game 🤖🤖🤖. Best to vo lift main jo tujhe scar kiya hai. Milte rahenge!
