

GURJARPADHYE CHINMAY SHEKHAR

Electrical Engineering
Board Games

Yearbook
2020

Bhishma Dedhia : Kasa aahe, Chinmay bhau? Tere saath insti mein bahut bakchodhi and arbit bakar ki hai jo 4th sem mein peak hui thi. Voh bandar ke incident ke baad mein legit ek week tak hasa tha xD Kya fatti thi be teri. You have figured out the secret behind how to be optimally lazy and sab jagah machana. Kisse pata tha ki yeh lukha aadmi itna bada finance fuckboi banne ja raha hai xD H4 junta ke saath LCH to hostel walks bahut yaad ayenge. Apne TAship ki bhi kaafi sahi memories hai be. Ab toh "Beema" bulana band kar! Paise kama le infi and US aa jao masters ke liye jaldi! Keep rocking, being lazy and stay in touch <3

Dhruv Jain : Hi Chinmay, aapse kitna seekhne mila hai is difficult to describe. Throughout the second and third year, I have seen you make decisions that have helped me a lot, and I've grown a lot because of you. Aapka practical attitude to life, "shaihh(Difficult to type that expression of yours)" towards so many things and advice has taught me a lot, both for my tenure and life as well. Damp, Board Games Secy, Intern and Im sure coming soon placements mei aapki help ke bina sab kuch kaafi mushkil hota, thanks a lot for being like you are :)

Vipul Ramtekkar : Chinnyaaaa!!! Im writing this in hindi and English so disappoint hoga in future jab padega :P Meri marathi tolerate and improve karne ke liye thanks ab thodi better ho gayi hai :P Apni midnight chai breaks, H5 jaana, BBT ke episodes dekhna, and all those amazing discussions!!!! Next time kapde khareedne jau toh aana cause that suite we bought together is the best!! Thanks for having faith in me during placements! Lets go to Rustom jaldi and milte rahenge aage bhi!
