Pujan Biswas : Jab dard ka baadal chaaya, jab gam ka saaya lehraya, jab aasoon palkon tak aaya, jab yeh tanha dil ghabraya, humne dil ko yehi samjhaya, Anusha ka hai chaaya :P LC ke uss meet se Hoppi ke dance show tak, is there anything that we left? Vadapav is better than sev in everything. LEK ne nahi liya toh bartending karlegi na with Vodka and choc-shake 😊 Also, har AIDS & Gyra attend karne ka bhi treat lunga, nahi toh tera dance koi dekhega XD Endsem mai LTPCSA aane ke liye TY for lukkha ,anyway last time you paid attention to an endsem was PH107. Chai lob is real and unn convos ko kabhi nahi bhul sakta. Most imp,I WILL ALWAYS NEED & MISS U. Kaafi rona baaki reh gaya. Your Bhosadya, Bisso! ❤️

Ameya Mittal : Ohho ma'am aap yearbook par aa gaye? Kudos to your break from social and social media distancing. From not knowing you at all to taking over the ISAA duty and Cabinet duty from you, I'm a fan. Love your dance, your tips and how you used to crib about the long hours in consult :P Love how you are sensitive to each and every person in the room. Also, love your dance. An ode to the day when we roasted almost everyting in common at Coffee by Di Bella :P Just a reminder that EnPoWER bachhas await the audition call for the dance video...

Animesh Singhal : The Goddess of expressions _/_ Good that I did AIDS, I got to interact with insane dancers like you. Tabse hi Indori common friends ki vajah se we've been interacting. Really sorry for the experiment that we did in theatre room, next time mauka mila toh we'll switch roles XD Placement sem mein help ke liye shukriya :D Jaldi se treat pe chalte hain!

Tanya Mamgain : Roomie !! You have been my constant since day 1 . Yaad hai day 1 orientation pe when we thought we have so many similarities. You are my home away from home ♥ thanks for always pushing me to do better, always supporting me and taking care of me . I could not have asked for a better roommate or a better friend. I love you !! ♥♥ It's gonna be so hard to say goodbye to you after sharing my whole insti life with you. I am not very good with senti you know but tumhare liye to pura love song likh sakti hu ! ♥ Dhyaan rakhna apna and stay in touch bolne ki jarurat nhi hai I know we will !!! - Your forever roomie

Ayush Dubey : Hmm, it's so difficult to summarise so briefly a journey of so immense value in my life (I know I'm awesome but it's still difficult, and you forgot to mention about bdae poem). Being such a close friend to you was the best of things that happened to me in my entire life. All of the difficult times you've helped me through, it can't be repaid and I'm serious about it. So I'll make you lunchbox if I'm posted in Mumbai. Your immense dedication during exams is just outstanding. You deserve all of the things you've achieved and much more (though my jokes contradict the fact). And yes, we're so similar in so many traits; it's simply astounding! All the best fellow feminist future IIM Indore alum!

Mrigank Ashesh : I had a memorable time working with you as a DRC. Thanks a lot for helping me get out of BOX8 situation. All the best for your future.

Kushal P Yadav : Dude, what senti should I give you! You know what you mean to me. You know what, I won't give you a senti, I'll give you a batch video :p P.S - Why do you lowkey look like Ananya Pandey in the pic? xD

Mrigi Munjal : Thank you for showing us being nice is the new cool. You've got courage to stand up for things that are not right. You're an inspiration. I really can't thank you enough for all the pep talks! Thanks for making me feel more confident about myself. I'm not gonna thank you for the fundae yet because they will have to keep flowing for a long time now :p

Mustafa Ali : Yo Anusha. Apan to insti ane ke phele se hi ek dusre ko jante hai. Muje aj bhi yaad hai tere karan muje freshie year me bus ke liye 4km chalna padha tha :p. Yr phecle 4 saal me kaafi memories hai apni sath mai aur wo sari yaha likh bhi nahi paunga. Pata nahi kaise pr apne har topic pe opinion alag alag kaise hote hai muje samaj hi nahi ata. Hamesha pat nahi kaise tu ek Rebel mode pe rehti hai and I know that won't change for lifetime XD. Kaafi bar apne beech cheezo ko leke arguments hue hai but I am happy ki usse kabhi apni friends affect nahi hui. Apni iss saal ki Surat, Alibaug aur Goa trip kaafi lit thi and finally tera Goa jane ka sapna pura hua(all thanks to me :p). I hope age bhi aisi hi trips karte rahe apan. Bas insti me milne ki deri hai. Baki Mumbai me to hai hi tu milte rahenge. Cheers 🍻🍻🍻

Ishita Shah : From one of our first conversations in freshie year when you said 'Ahm ki ladkiyan bohot forward hoti hai na' to consoling you because you couldn't visit me on *my* birthday, insti without you would be so difficult. I miss our late night conversations when we'd keep calculating the time we have left to sleep to attend lectures in the morning. And of course, I would try my best to wake you up but kaun hi utha sakta hai aapko. Eating thagda dosa in the canteen, dancing together (i reaalyy wish we could've performed together in 4th year too and finally make a video), the colaba shopping trip, the chaayos date, walks around insti... and now hopefully working and living together... shaadi karle?

Nutan Megu : Ab mai kya hi bolu Anusha, yearbook me limit hai." i love you" dil se bhot jada. frst year se hi u became my best friend..altho work and other prioities agai but we both love each other as much right,. i have alwys been so jealous of everyone else in yo life because u r that one person in insti jiski mai favourite rehna chahti thi and chahti hu abhi bhi.. u r that one fren jiske liye i m possessive altho dikhaya nai kabhi.. but yes i am. and u knw i am always here chahe kabhi bhi life me whenever u need to detox u can cm to me for CHAMPi and deep talks right.. i have made amazing memories with u and i deeply honestly wish you all the happiness. u r fearless and so forgiving.

Rahul Agrawal : Hello didi :P(I know kaunse politician ko ye bulate hai, still :P). DRC year was fun, both work wise and the occasional bitching :P. I admire how you manage a load of activities, and the senti you give for enpower (:P), bas treat nahi di kabhi uska gussa hai :P. Ab kabhi mumbai aaunga, to behen se treat leke ki jaunga xD. Agli baar kabhi dance krne gaya pardes me, to teeps leke jaunga lol. Have fun, stay in touch and all the best :D

Anmol Gupta : Anushaaa! From not being 100% confident about you, to being super-confident that you'll handle it, you've come a long way in insti. Sorry that you missed some 3rd year dance events because of me/tenure, but you never let me down at any time and managed it all so well! You gave me a heads-up at some very important moments, thank you so much for that :) The square that wasn't? XD Also thanks for being one of the only true Indoris in insti who actually brought grub from home and shared it <3 Rants with you about you-know-who-all were super fun :) You're a very courageous girl who doesn't shy away from standing up for what is *right* (:P) and I respect that a lot! UGAC da best :')

Patel Harsh : Anushaaaa! ♥ Best person I have come across in the insti or in my life may be. Pirates of the Caribbean se ghanta kuchh chamka tha per uske baad se hi Gullu se mandir tak ka walk, mohit ka Birthday (cake mene hi select kiya tha 😊), merwan, marine lines, indori and outdori etc memories ki line lagti gayi.. 😊 EE101, movies, hangouts, treats, dinners, civil cafe, boat house, jail vihar, vikhroli bus stop, Bandra-Indore express, Surat, Garba and aur bhi bahut kuchh h. With your sweet anger and love, Kaafi help ki h tune meri life me. Thanks for always being there to help me and future me bhi rehna always please! Btw log jo bhi bole mujhe tere jokes pe hasi aati h 😊♥ bas ho gaye 700 chars 😊😊

Mukul Jangid : Teri gol shakal pe gol chasma kya cool lagta hai Anusha 😊. Last 6 months ki apni journey was no less than a movie- ladayi(inter IIT offcourse), action(bottle tod di tune 🍷), masti(clubbing was super funn), romance(sirf stage pe 😊), day 1 ka thrill, idhar udhar ki gossips aur bohot kuch. Tumhare saath Om Shanti Om karke kaafi majaa aaya, tum last tak kehti rahi choreo aur achha kardo but hume utna hi aata hai madam maaf kariyega. Also itne amazing photos ke liye bhi thank you. Prank ke liye sorry and welcome kyuki uske wajah se humesha yaad rakhegi tu mujhe. I know tu mere sense of humor ki bohot badi fan hai but kabhi admit nahi karegi. Please mere saare secrets apne tak hi rakhna Sautan♥♥.

Ideologies to apne kaafi match hi karte hai to discussion mai itna maja hai nahi par tumhe jankar accha laga. Lockdown ko thanks bolna chahiye uske liye aur voh Goa trip ko. Late mile bas kaafi nahi toh aur kaafi charche hote apne. Bombay mai hi hai to Mustu ki maareng ek baar toh dono milke :P

Mohit Deshpande : Nuusha ♥♥My Dumbo! Just like the meaning of your name, you have been a constant guiding star in my life. Of all the things that i have done, handing you that letter remains the best. And it's been nothing short of a roller-coaster ride since then. The late night walks, Pizza express, movies in SAC, Skky, trying out all the eateries, endsem lukhas, the gifts & birthday celebrations, fights, inter IITs, the trips, the thousands of photos...and all the memories will be impossible to forget. Thanks for tolerating me all these years and many more that will come. I am so proud of you for everything that you have achieved and for showing everyone that it doesn't cost anything to be kind.

Yeesha Kalal : The machaxx person, dance enthu filled mentor of mine ♥ Well I thought 4thie junta appreciates the lingo 🤔... You've been helpful & approachable since day 1 of meeting all us mentees, and Baaki toh sorry for ditching some weekend meetups with cliché Mumbaikar trait of heading home... Didn't know we'd have non of them in second sem :(Ok ok no senti I'm sure passing out batch got a lot of that... Loved your & Mrunz' choice for treats (cupcakes ♥) , looking forward to one post COVID situation 😊 Will miss you for sure and just... Thanks For Everything! Believe me this, I've always felt like there'll be something for me to subtly learn whenever we've talked over the last couple of years, even if that was extremely rare. Shubham Punjabi : Yooo Dubey mam! You are like the Mrs All rounder of our department yaar- acads/cult se lekar ISA^2 tak sab kar liya tune. Apne first year ke lab group sessions were super fun - tanya, engla sabne saath mein kitna lukkha kata tha. Thanks for those uplifting words on the Placement day, really motivate hua tha usse!! Ek regret reh gayi yaar bas- Insti ki best dancer se choreography seekhna reh gaya, camping time ek do step to sikha diye the vaise. Keep dancing your way through life..and consultancy mein to terko maza aata hi hai Xd. Always stay the kind and heart warming person that you are!!

Lavish Lavish : EnPoWER ki mammi, Lol. Ye baat to hai ki hum charo best coordies the aur 2nd year ke baad jyada bakchodi nahi kar paaye but vo tenure kaafi fun tha, Sahil se treat maangna, Bisso ki panchayat sunna, Nitish ka Lab mein hona, tera dance dekhne aana, tum logo ka mere plays dekhne aana, LCH me kaam ke naam pe bakchodi karna, birthday celebrate karna and what not. Ek baat jo maine tujhse seekhi vo ye ki how to take care of people around you and ye humesha yaad rakhunga mein. I know kuch aur memories bana sakte the jaise convo ki chhat pe ya raat ko lake side ja sakte the, but koi na. Picture abhi baaki hai mere dost. Milte rahenge, bakchodi karte rahenge. Tu aise hi machati reh. Good Luck

Prathamesh Patil : arey Anusha madam. Pata nahi kaise apan mile the but tu ek hi ladki hai insti me jis se mai freely baat kar sakta tha. MI sath me kiya hai bas apan ne. Tab to bahut core enthu tha tujhe but baad me non core chali gayi tu😭. But doesn't matter, jaha bhi jayegi waha fod degi tu. Bas isi tarah machate rahe aur stay in contact

Ankit Neema : Hi Didi..I am very lucky that I get to work with you in acad council, thanks for helping me out a lot during my tenure. Thanks for keeping check on me during those placement days ♥. It would have been so great if I even get to be 10% as machau as you 😊. Lockdown ke baad pakke se milte hai Indore me :))

Yash Kothari : Yo Anusha. Maana ki tu achcha garba karti hai but merese achcha nahi 😊 (maybe a faceoff someday would decide 🤔). Trip se return aate time ye to chamak gaya ki kuch bhi karne kaa lekin tere saamne Mafia me cheating nai karne kaa (I hope Pujan also knows it by now) 😊. Tera apne batch ki exclusive trip kaa sapna to puraa nahi hua but chalo batch video to bann gaya. Teri PPO ki treat ke baad pakka baaki saari chhoti moti treats mil jaayegi. But thanks for helping in that photography contest. Insti me to tune kaafi machaaya hi hai be it acads, dancing(Gold in passing out year, not bad), PORs or your GOA trip 😊. From having the same core-noncore confusion to being part of the same clubs and councils, you were always there to share your experience. You have always inspired me and I love that you put your heart and soul into things you really believe in. Even though aapki daant se humesha darr lagta tha, you are one of the sweetest seniors I know. Aapke expressions kaatilana hai and aapke saath dance karna has always been fun, from marine drive to roorkee. Sarthak Nijhawan : Dcab Minister! Trust me, I can never imagine a better person than u to lead such a position (or even as an SMPC). I really admire how u've always stood-up for the right (pun intended :P). Wish we all could've spent more time together, but it what it is. Here's to some of the laughs we derived from AKA's handing-over, all those training sessions (not to mention Shivani ma'am's dance activity :P), DAMPC meets & above all, Sumukh's witty, piercing yet truthful, delightful remarks & rants about everything. I'm sure you're gonna kill it on whatever path u choose to tread on in the future. Btw reg. the treat, we could always do it the Indori way, KK & Sumukh are just a call away! See you around!:D

Aditi Mahajan : Hello coco💛 Freshie year was the absolute best because of Indori junta(people like you). I had so much fun during our late night group insti walks, food outings, small trips, UGAC phase, unplanned Sandhan valley trip and my favourite gyra times with you. I find you very mature and cool, full of happy vibes. Let's stay in touch bro, take care. Loads of Love💛

Raghav Goyal : Hey Anusha! <3 You are definitely one of those im going to miss like crazy! i mean really..we haven't interacted alot! but yr, jitna bhi interaction hua ha, its been amazing! It felt as if i had known you for a very long time you know! You are one the nicest, kindest and sweetest people I've met! Piyush Gupta : Dubey, yar mene bohot parehsan kiya hai tujhe and it was soo much fun tbh xD (I tease only those who im comfortable with ;)) But thank you for tolerating me and my absolute bluntness. I can never forget 15 C mai kya regularly sneakin krke masti krte the apan. I distinctly remember PH107 endsem nightout, the head massage and your dance tutorials <3. Your love for dance is amazing and you are one of the most hardworking person i've come across. I really hope to stay in touch and 2v2 ludo mai humesha mere team mai hona apan tanya, nikunj ko harate rahenge xD Will miss you. All the best :)

Poorvi Hebbar : Yo Anusha! First year dance mania to last year ki gyra tak... saare choreos and jammings k liye thanks yarr and kafi parishan kiya ho aapko, toh sorry. Aap infi pyaare ho yarr, aapki yahi dp dekkhe smile aa gyi. Phatela jeb sil jayega, jo chaahega mil jayega :P Aapke saath nachke bahut maza aata hai sachhi, aur aapke expressions k liye toh I am out of words! We will miss you a lot. All the best <3

Shubhankar Mihir Seth : Anusha ma'am, I got to know you during the SMPC groundwork process; in 3 days, you made me a GSAA candidate. It would've been impossible to survive the internship without you, and tbh, I'm still a little scared (I don't think anybody has scolded me as much for not eating food on time). The drives back to insti, the sunset at Landsend, and eating with our laptops open at the fanciest restaurants - I don't think there's anything I can forget. Thank you for giving me the confidence to dance and for making me eat my first golgappa. Here's to having a no-drinks partner with equally crazy movie choices. And though we'll have the fanciest places to dine at now, I'll still accompany you to Chaayos!

Tanisha Joshi : Heyyy Anusha, the girl I share my birthday with! It was a wonderful time everytime I've been around you. AIDs ke waqt my mentor almost 🤪. "Chill karo, costume change ho jayega. Aap itna tension mat lo. Ladkiya naache nahi to daatna chahiye etc etc". You are one of the most balance minded, fun loving and talented girl I've met in campus. Have a great life ahead and do keep in touch. Parla ana ho kabhi to zaroor milna 😊

Avani Mangal : Dumbusha Dumbey remember freshie year names :p hehe...we've grown from being soo noob in freshie year I've seen you working harder every-time you faced a milestone. Cheers to our fam trip, to H-15 mess lukkha times, to all the fights XD, to cringy stuff, to deep life talks has made an everlasting bond between us. These 700 word can't just suffice what I want to say, since 7 yrs we have trailed the same path and gone through ample ups and downs so bas itna hi kahungi ki this is just the end of our college days... apan aise hi saath mein machaenge and you always have my back <3

Mudita Rana : Ab sab aapne likh hi liya hai, kuch bacha toh nahi. Aapke duet performance ke baad bohot Mann Kiya ek pyaari si jhappi de du, woh fir lockdown ke baad complete karte. You're the only batchmate who shares the same love and respect for dance as I do. Thanks for doing 2nd year inter iit with us :) woh hota toh ek aur memorable time rehta aapke saath. Last year ke gyra ke liye jitna shukriya bolu utna Kam hai. Performance head and dance secy, dono ka role Kya khoob nibhaya aapne. Ek Dil ek jaan me itni fight maari thi hum dono ne. That signature step 😂😂 Fir woi costumes aids bolly me dekhke bohot nostalgic laga. Consultant banke aur phoddna, Meri drama queen 🧡

Kushagra Kacholia : Anusha, you have been a super enthusiastic and hard working person from the first day in the institute. Managing the stress of a plethora of activities along the way had made me always admire you. The interview conversations were fun, making the whole process a little easier. I hope you stop needing ketchup in every meal of the day, which is probably the only hurdle in you achieving great heights! All the best for the future, fellow Indori!

Allen Bose : Hey boss!! You always keep that smile and a joyful expression because of which it was always easy to talk to you. You were a really lovely boss, who never gave us any extra work and saved us from those training sessions (I will be forever indebted to you for that). P.S: stay the same, be the good and kind leader you are and keep on dancing (you are really good at that).

Abhinav Dhakras : Arey Madam Ji. Mujhe bhi aapse baat karne se darr hi lagta tha aur shayad aaj bhi darr toh lagta hi hain 😊. Aapke saath dance karke bohot fun aaya and woh element shayad आपको bohot suit karta hain toh specially daala tha xD. Machate raho jaise insti mein machaya hain. And ek baar nahi aur bohot bahar sab chalte hain Tap and then Mitron.

Arjav Shah : Hey Anusha! I remember getting to know you during the groundwork for Roots conveners! You're someone who has literally done it ALL! I am a big fan of not only the graceful dancer in you but also your amiability! Had fun with you in the Dandiya Nights & remember the recent freshie 'fundae' session? :P I got to learn so much from you then & wished ki thode vo fundae mai bhi adopt kar leta :) Hope you continue to spread happiness & keep inspiring through your versatility! Cheers!
