Sooryaprakash G : Hello Saurab. You were generous and acted in my very first film. Your good at mimicing russian accent. we played badminton once outdoor with barefoot. spent newyear night at IDC terrace having pizza and wine (it was awkward but fine). being at Home due covid quarantine, i'm scrolling through the pictures in phone, kind of having a feel of regret "Should have enjoyed the times at idc a bit more and should have made most out of it". what to do? we had assignments.... Got to basket few times out of many tries in the last game we played together at hostile 12 basketball court.
