Whatever may be the reason... You have been such an amazing person with various qualities... which is difficult to find in a person... Super talkative, Stalker(never in a bad taste though), ek ishare pr help krne ko tyaar and fun loving. Tera cheerful andaz is a lesson to all boring ppl out there... I am happy to have u as a friend.... Your constant bugging is an art. I think there is a reason that all your friends were so happy and eagerly waiting for placement.... 😊. But jo bhi ho... Stay like this and all the very be

Vinay Maurya : Yadav Ji !!! Pehli baar mile to laga nhi tha ki itne sharif ho. Uske baad to jo hi machaya hai tumne ki hamesha yaad rahega. Most entertaining person of the batch ka award to tujhe hi jata hai. Wo outings, chemistry ki canteen, electrical ki canteen, aahar bhojnalaya, Mahendra ki chai, VMCC ki bakchodi sabhi mein tu sabse aage rehta tha tu. Kabhi bhi khud ko rok nhi pata tha diet ke naam pe aur ladkiyo ka dulaara!!! Bas aise hi haste rho aur machate rho!!!

Nikhil Pisal : Straight out of Delhi. The Baccha Yadav. the fitness freak (Jada bol Gaya kya 😊). One who knows everything (but I respect your detective skills 😊.) Still I wonder how you found out my home address. Seriously but skills to tere me kut kut ke bhare he. All the best Delhi ke laundhe.

Tarun Soni : Roommate!! Har mehfil ki shan 🥳 apna room aur usme hone wali late-night baithak, rat 12 baje ke bad tere atrangi songs etc etc etc. Yado ka ek lambi line h. H4 me har din kisi yad se kam ni hai. Itta machaya h hum logo ne. Vaise yad h first day when we met and i asked for pub, everyone is like pata ni maine aisa kya puch liye uske liye tum logo ne pure hostel me badnam bhi kar diya.ha vo alg baat h uske bad pata ni kitti hi party apn ne ki.

Abhishek Bilwal : Hello Manish bhaiya aka "Manuaa" aka "Yadavji". Explosive personality, super talkative, kisi ko bhi friend bana lena ka talent (I'm sure H5 k canteen wala abhi bhi tere nam pe order jaldi de deta hoga 😊), agar tumhare sath ho to kabhi bhi bato ki kami nae raheti, pure specialization/department ka gyani, excellent detective and most important amazing friend. You are one of the my go to friend agar kuchh bhi dikkat aa jayeto campus main. Really gonna miss our formality call for breakfast and informal call for late night canteen. Anyways bahot kuchh hai likhne ko but abhi itni tarif thik hai. Don't change, all the best for future

Rajiv Kumar Saw : Manishe... Padoshi in H4. Tumhare andar adhe to delhi wale traits hai jo tumhare jo hoga dekha jayega & stacking me dikhta hai par adhe wo wha sup do wale rah gye islie NCR se ho. Par jo bhi ho aise hi raho aur machate raho. Agar Bombay me tum rahe to aunga to D-mart wale chips ke packets khane jarur aunga.

Mohd Raza : Yadav sahab you are the one who always breaks the ice. You always remember everyone's birthday. Super friendly with everyone. Someone who have hosted my friends more than me whenever they were in room. You are in more touch with zulkarnain than i am lol. We had this unspoken understanding about each other. Always had each others back. Roomie from day one.

Ramakanta Behera : Kya likhoon tumhare bare me, Esa koi banda na hoga M.Tech me jo yadav ji ko na jaanta ho. Our mitra M.Rep. solution toh muh me hi rehta he chahe kuch bhi poocho. Esa koi din nahi hoga 1st year me, jab manish class se aye aur 333 pe na aye. Itna jor se chillata he bhai, ushke saamne koi so hi nahi sakte. Bakchodi toh alag level ka hota he. Bss bhai ko ladki ke naam dedo, wo biodata nikal dega, police ko bhi itni khabar ni hogi. Door, wall kahin bhi dhoondo bsss civil ki notes, equation, etc etc. Kitne minute ke kitne sec me konsi baat kisne batai thi... sab yaad hoga bhai ko Ese byakti ko ases ases pranam 🙏 Hamesa khus raho aur haste raho

Monimoy Paul : Manish tere baare mein kya likhu...tujhe first day dekh kar hi pata chal gaya tha ki ladka kuch alag karega..fir tune apni M.Tech interview ka story bataya ki kaise tune akele 7 professors ka saamna kiya, toh izzat aur badh gyi. Sath khane se lekar movies dekhne, party karne, bohut kuch kiya apne ne. Tere ko Marvel dekhne ke liye majboor karne par bhi apna thoda contribution kiya. Raghav Patil ke room ke bahar khade hokar " Bacche M.Tech kyu karte hain?" sunne se lekar G Patil ke project ko 2 hour mein niptane mein hum dono ne bohut experience gather kiya. Kuch breaking news pate hi "Chal d**ru pite hai" kehne wala tu akela hi hai. IIT mein hi tu place ho gaya, so ab mazey kar.

Debiprasad Bhakta : Sabse machane wala banda hai apna dept ka. Kahi bhi, kuch bhi bolne se nahi darta hai. Yehi hai woh banda jo bedbug palpos k bara karta tha. True bhojpuri song lover 🤪. Ramu aur prabhu k piche lagne se PHO ko mast wala mail bhejne tak, sab me inki contribution shaandar hai😎. Without daaru pike, chicken khaye itna achcha description koi nahi deta hai. Bhot ghume hai eksath aur khaugali wagera. Sabse badi baat hai ki koi bhi tumhare saath byathega toh kabhi chup nahi rhe payega, dil khus kar doge tum. Kabhi bhi kuch bhi hojaye hamesa help karne wala person ho tum. Woh holi wala pic post karne ka mann tha, but kya kare.😂 Keep smiling like that. Aur han, atleast fb aur whatsapp ka dp change

Onkar Kanthale : Hello Manish ♥, kaise ho, hamare M.Tech. Jasmine Lokesh K G : Arey Yadav saab...Aap to logon ke baare me unse zyaada jaante honge! Aapko to CIA agent banna chahiye :) Sometimes when I hear u speak I wonder: "Ye banda saans kab leta hoga?" :P :P But utna hi efforts u put in ur work too. Transpo waalo me u r the person I encounter the most at VMCC. In the 1st year when I told Raza ki wo kitna badbad karta hai, tab sabne bataaya ke Manish ke saamne wo kuch bhi nahi hai. Talking to u and ur transpo guys has always been so random and entertaining!! Waise u creeped us out with ur meme on us -_- P.S. 4 bje tak jagi reh sakti hoo par galti se bhi 4 bje uthne ka durvyavhaar nai kiya hai maine :P U were wrong on that! Peace.

Amar Kant Jaiswal : Sabka pyara H10 ka dulara Manua hamara. Hum ek aassignment krte time mile aur time k sath hamari bonding sbse achi hoti gyi. Jab tak tujhse 10 gali sun na lu aur tujhe 20 galiya de na du tabtak lgta hi ni aaj kuch kiya aur pura din boring lgta hai 😊😊😊 But hum hamesha sath rhe koi bhi baat ho tujhe sab batata hu. Chahe koi problem ho ya phir meri mahila mitro k bare me ,tujhse jyada koi ni janta unke bare me aur tu hamesha mujhe motivate krk koi na koi kand jarur krwa deta hai chahe wo ladki ka bday celebration ho ya phir prty me bulana ho But tu hamesha sath rha aur tera dialouge koi ni dono pitenge.
