Aprajita Shukla : Payal, you are very sweet! Dont let anyone affect you, you need to preserve what you've got. You are a kind person :) believe in yourself! And everything happens for a reason, you may not know it now but eventually you might realise how things fall into place! It's like magic! You're taking a lot of memories from iitb. Let them make you strong and confident! :) All the best! ♥

Aosheen Anand : Yo Motti Payal! Beginning from the day we met and realised Destiny endowed us with the same sombre life until the time we got to know that we share the same "Gotar", perceptions weren't the same and hard to accept. :D You are a guileless person, and my rock to rest upon when totally crestfallen. I will always be around you, mind this. Naysayers will always be there, but how to come out and tred on the way you have dreamed of, depends entirely on you. You're a strong girl. I wish you all the goodlucks for your future endeavours. Stay same!! ♥🥺

Chainika Chauhan : Hey moti!!! Cute panda 🐼 Diet conscious 😊 Itni sweet ladki, diabetes mat krdena(I know it's a lame joke) . Neha Chhikara : Hi Payal..you know we have been classmates for nearly two years but didn't get to even talk to each other properly time till our intern...and i still i remember when were ready to go to airport...and i was only wearing a t-shirt you told to get a woolen out so that i won't feel cold and i was like it will be fine it won't be that cold and you still insisted and cared even though we were not that close at that time. But as the time passed & we get to talk to each other, i realized you would one of the persons in my life to whom i would still remember and be in touch for a very long time. You are one of the most honest and caring person i know. So, all the best for whatever you want in future
