Kumar Saunack : You live like a vampire with closed curtains and no windows during sunlight too. I wonder how you managed to survive in that stuffed room. And your roommate too. P.S.: It wasn't that bad in the wing that you had to leave, was it? You missed it, right? No issues, we forgive you for your mistake :p

Abhro Bhuniya : Sunchu my man. Gonna miss those calm debates, aka brawls we used to have, now reduced to online trash talking :(You spent more time in mine and chundurur room than your own and it was so much fun!! Just need to continue talking about how shit ManU is, how good Leo is, tennis, the world economy and most importantly Half Life 2!!! Hope we meet in US.

Shubham Anand : Sunchu bro! Tere bahut maze liye humne (sometimes extreme ho jaata tha) 😊. I'm sorry that you had to shift in the last year but I think you would have enjoyed more being in the wing. Keep working hard and all the best for future!

Ritesh Goenka : Abe Sunchu! Discussing (read arguing over) grand slams and tennis was really fun with you. And I can never forget the countless times that we have played Table Tennis together (even though towards the end I lost a lot to you :P). Ladne me kitna mazaa aata tha be. I think I have never met someone so dedicated to do whatever they decide to do. And that glass bottles incident was crazy, man -- we didn't complete watching the movie afterwards. I know you will do amazing things in life, and I hope the best for you :D

Rahul chunduru : I can say I won't be what I am today if not you. You introduced me to tennis, helped me during the toughest times (placements, applications etc.). It was funny how you could lose your bicycle during techfest. I will remember our last night talks, the rants, gossips etc. (lol). You got some nice mirror neurons, man, because you played very good tennis with me, on that one and only occasion and tt skills ofc. Wish you all the best in future. It will surely be what you wished for. Let's keep in touch, definitely.

Aman Jain : Yo chunchu!! I have teased and troubled you a lot over the years. It was a fun banter with you and you would always just say "aae saale, kuch bhi bolta hai" in your weird gulti-hindi accent lol. I think now is the right time to say this - sorry if any of my tease/pranks went too far.

Manoj Middepogu : Yo Sunchu, you will be the person with highest attendance in the wing. Helped me many times with your notes before the exams. sorry for the samsung PPO prank, it was my idea so... It was so fun watching your discussions with sathvik and ritesh. I even captured the deadliest fight u and ritesh had, but u guys made me delete it 😞 if u remember. You should have stayed in the wing. Will try to defeat u in TT the next time we play 😊. stay safe bro.
