Bharti Arora : Hey unofficial roommate, I want to eat that spicy aalo ki sabzii you cooked again. I envy how diplomatic and flawless you are with people. Ek trip par jana thaa yaar hum sabko saath me. I had to wear "decent" clothes in the middle of my sleep thanks to you. I liked the way tuune merii roomie pataii. Effort...skill...persistence...tact... Tum dono kii shaadi me mai "jiju" se poora first year kaa hisaab vaasulungii. (Also, I am a fan of your sister)

Shubham Pallod : Hey ex-roomie, I like how everybody talks so positively about you. You are really smart and hard-working. It was fun to debate you once about politics and poor people. XD. I wish we had talked more. And thanks for giving me a single room in the first year itself. XD

Sayan Roy : Rahul, I remember our first introduction was based on our common love Himachal. I will cherish our discussions forever. Whenever we made a plan, you were always there to take the lead. Cannot put here how much fun we had in our outings, Mood Indigo, random events... You were ultimate chill before exams and used to read the whole syllabus within a day (and get good grade also). That I really appreciate. Thank you for your effective support in stressful placement days. Hopefully we will be roommates in our job life and ride the waves of life together like we did in Imagica. Hope to meet you soon.

Vijay Patidar : Hey rahul!!!!.....pero player😂...Pubg khele..."haa chal me 2 min me aata hu" aur fir shuru hota he kabhi na khatm hone wala yuddh😂... always plan tera bhai chalayega...aur utarega bhi tera bhai... prison me😂😂... your favourite place 😂.....bhai hum log ahaa pubg khele...lekin sala aaj tak plan udane wali list me mera naam nhi aaya..is baat ka dukh he😂.....mood indigo me hum logo ne bahoot maje kiye...ghum ghum kar ek ek jagah dekhna... participate karna...aur phir raat ko bone fire..sahi time tha yaar vo.♥️...kash aisa time phir Kabhi mile....chalo milte rahna pune jyada door nhi he waise
