Archana Sharma : Bhai tu dost nai family hai meri. Koi bhi problem ho pehla call tujhe. Humsha meri problem sunna and mujhe guide karna. I will miss our late night bakar, H10 ki Maggie, tere aur Sushant ke boring startup ideas, bina socha smjha khi bhi nikal jana. Durga pooja and dominoz incident. Rat m pagalo ki tarah cheesecake shop dhudhna, random movies jo tune 4 bar dkhi ho phir bhi humre sth ana aur usme so jana. Design ke paper vali padaai, philosophy ke course ki bakchodi, tujhe prof ke torture marine drive. Deadline se pehle resume sth baith kar banana aur pure placement time m itna emotional support tu hi kar skta hai. I wish tu Mumbai m hota abhi aur bhut maje karne the tere sth but koi na. Dubai
