Vivek Sharma : Dil se bihari, khata h ye mutton biryani, agri ki Idkiyan h jispe diwani, suno is fresh solver ki kahani---Agri agri sb kiye koi na smjha iska dukh, keh ke Inge sbki bola ye "sala kahinka" ab tu ruk. I think purbey is the perfect example of "work hard in silence, let your success make the noise". People underestimated him big time, but he proved that if you work hard day in day out, u can achieve glorious things. He is an ideal to all those u come out of agri backgrnd hoping to achieve something big. Having a caring attitude towards his family, he is known mostly for his out of the box comment on any conversation (though his comments r mostly shitty, but it shows his interests and luv for friends).

Sanoj Prasad : Lagta h tu mera pseudo roommate tha kyuki apne room m to tujse tika nahi jaata tha :p. hmare batch ka hardworking launda. Will miss tere sath mess jaana.. sath hi jaate the almost har time.. or haan .. khaane ki speed badha le bhai :D. Apne swimming sessions b yaad rahenge. It was great to see your keenness to learn. Will miss your visits to my room :)

Vivek Yadav : Vicky bhai.. always a fun guy.. Bihari babu.. Bhai tera dedication aur hardwork gajab ka h.. always ready to learn something new.. 2-2 MTP krne wala :D, Mtech lab me hm log ek saath baithte the.. Matheran jaane se phle bathroom ke bahar wala kissa nhi bhulunga :D, Tune kabhi gussa nhi kiya, hmesha chehre pe smile.. Tere "Hey Bro" moments, I'll miss that jb tu mere room ke door pe aake mjhe irritate krta tha.. End me peena bhi start kr diya tune bhle hi stone ke liye hi sahi :D, aur Marine drive pe tmhare Jeevat uncle ko kaun bhul skta h, sbke has has ke petdard ho gya tha :D.. Ab to mere saath hi chl rha h Bangalore, SOLV me rock kr denge.. Milenge jldi hi Mumbai ya Bangalore me.. Take Care.
