Rajat Kadam : 'Mr Entrepreneur' is the term that best suits you...bhai tere liye inhi respect hai for having your own startup. Tenure mai apan kaafi lade hai, which were probably just ego clashes but I always knew EnB was in good hands. Btw apni pehli team trip pe jab apni story bata raha tha i did not fall asleep bro bas aakhe band hogayi thi 🤪 Hopefully tu Bangalore mai hi hai toh milte rahenge

Akash Sharma : Labs are more fun with you bro..kuch kaam bhi krr lena tha apn ko ..tu kaafi machau hai bhai ..jald hu milenge (convo per 🥺) All the best for future bro ❤️

Arpit Kedia : Bhai last year mein hi interaction hua, par aisa laga wing mein koi add hogaya. Itna business aur practical mind maine nahi dekha kisika, you are meant to succeed. Har cheez mein opportunity dekh leta hai tu, aur uske liye efforts bhi daalta hai utne hi. Trip pe tu hai matlab sab sorted hai, and bargaining toh alag level hai teri. Board games and poker humesha yaad rahege, aur Holi pe toh mujhe pata tha tu kya karega, lol phir bhi main kaise fas gaya ? Itne topics pe discussions kiye hai, especially insti mein woh last night <3. Tera startup unicorn banega tab chal lege Himalayas ki woh helicopter ride mein xD, tab tak next trip budget mein plan karke rakho! All the best!

Abhisek Sahu : Harsh sir! It was great to have you as a co-con. You were just embodiment of pure enthusiasm and fun and you always had practical solutions to things. It was amazing and inspiring to see you grow over years from an enthusiastic person to an entrepreneur! All the best in all your endeavours! ☺

Umang Chhawchharia : The master manipulator Harsh :p. Dude I will always remember you as the guy joh har party mai bhand hoke mujhe encourage karta tha - "Tu bohot bohot upar jaayega Umang, dekhna ek din". I have always admired your skill for making a strong network and using it well. Keep playing on your strengths. Hume thoda trading tips dete rehna. All the best, baaki senti kisi aur party ke liye :p

Redasani Rushabh : Last 15 days toh infi sahi nikle...Tu aur Bohra shyd hi aise insaan hoge jo bc apni exam ki prep chodke mujhe high krne aaye the😂 Abhi toh aur chije krni h sath m...banglore diaries m♥

Kaafi alag fundae sunne mile over that pita bread, hope we meet again like that in a couple of years to see how it turned out for us :D Stay in touch, machao life me :)

Rashi Gupta : Hehe...I remember our first, very awkward meeting in H16😂 And then we met as co-managers. There's been a lot that you taught me, during as well as post tenure. I miss our random but deep conversations at H2 canteen. I really do wish we chilled together more often. Ab tu bhi Rajat ke saath latak ke aa jaaya krna Mumbai 😊😊 All the best for your future ventures 😎 And let's try and stay in touch??

Arsh Akhtar Ansari : July 2016, I was roaming around 3rd floor h-15 when a beaming smile met me followed with basic conversation than a trail to figure out ki kiska naam harsh/arsh hai. Never did I know that four years later I would be missing you so deeply. The talks we had were just epic, too much to follow for the rest of the wing. Just a general advice khayali pulao thoda kam pakaya karo sahab. Last ke 15 days to we just killed it kya nhi kiya. Finally dogs ne tera mask kha liya :D. Baaki bangalore mein milte rehna dude and see you soon at fortune 500

Vishakha Samant : Hello! Kaafi memories hai H2 me 😊 Alag perspective milta hai after a discussion with you. Thank you for the scooty rides, Hiranandani, airport scenes, infi movies and hangouts, Naval's podcasts and bohot saari best memories♥ Tune jo bola hai us haircut me milungi after lockdown. Talking to you and meeting is forever ♥Love

Arya Mithu Garg : First of all, am happy for you bro, we all know that you are very proud of your startup and so are we. Bhai kabhi kabar bas surprise kar deta hai tu, kaafi enthu me rehta tha chahe sports ho yaa koi bhi random sa plan bhi lata tha to tu to in rehta tha. Apne ne kaafi backchodi kar li, sorry bro, kabhi kabar gusse me.... You know, am truly sorry. Baki bhai group me tumhare jaisa element bhi hona chahiye :P I hope apne milte rahenge trips maarte rahenge (Dono trips xD uss mamle me to aapse kaafi sikhe hai). Acche convincing skills hai tere, I wish you good luck for you and your startup. Aur bhai thoda kum phada karo logo ki, bot phatli thi last second day pe jab apne baithe the :P Milte hai jald

Yash Lakade : Jiya ho Bihar k laala! ShARE and MI mein bohot kaam kiye apan, kya mast din the woh. Bohot hi utpatang ideas rehte tumhare, but sunne mein bohot maza aata. Kaafi machaye tune, pehle Ecell manager and then startup, taking it where it is in one year. Saare trips pe prabandh karne k liye dhanyawaad, ussi ki wajah se trips lit hui. And last sem outings were nothing less due to same. Next trip pe for sure villa book karenge with swimming pool, but funding department aapke hawale 😊 Jald hi milenge

Animesh Singh : Negotiator baba ... You have gained your maturity through experience I was really fortunate to bear a witness. The way you described how to deal with different people was truly knowledgeable. Apart from these qualities, "party hard, work harder" suits you very well. Manali trip toh hamesha hi yaad rahegi aur bedsheets jalane wala kissa toh folk tale ban jayegi kuch saalon mein xD. All the best for the future of your company which is in extremely capable hands. Bangalore mein milte rahiyo

Kumar Saunack : How do you manage to speak so slowly even after 4 years of college?!

Kumar Saurav : What coincidence that we met in the counselling session, and you turned out to be in the same wing. I still can't figure out your unique mix of seriousness and lightness when talking, you know. You're the only one so far who's asked for my recommendations on what to do and followed up on that (to the extent of now having more knowledge than me on those matters). So much respect for that. There's at least a small collaboration pending for the future, that's for sure.

Kosuri Sandeep : Yo harsh! You are more like a mentor to me than a peer. You know how to motivate and make people work for you. Mera har baar kuch amazing things seekne ka koshish toh rahegi. Hope we will travel together in the entrepreneurship lines someday. I won't forget the kind of hospitality you provided in Bangalore. Milte rahenge bro.

Ayush Mahule : Kafi knowledge wala banda hai bhai tubhut kuch sikhne ko mila tere sbse jada financial freedom.. Bangalore me karte rehenge partytab tak stocks machate hai

R Sucheta : Harshhhhhh, My fav memory of ours is when we went to that restaurant and discussed our life stories for hours. <3 Its amazing how you have done almost everything in insti life and still found time to have chai with your old friends. :D Stay the adventurous and risk-taking person you are and all the best, we shall stay in touch and hopefully I'll be able to understand your complicated startup terms tab tak. :P

Himanshu Bohra : Jitna Maaze tumhare saath Nashe karne Mai aaye hai wo unparalleled hai ♥ Wo submarine Mai kabhi nai bhool paunga bhai xD. Acads se lekar nashe tak sab dikha diya tune. I hope tera startup aur bhi aage jaye. Manali waali trip special banane ke liye thank you Baid ji. Bangalore Mai milna bahut zaruuri hai. Apna best moment wo wing ka moment that jab tu outrage Mai aaya tha xD. Lakdiyon ke maamle Mai bahut Takkar di tumne. Tumhare karname kuch alag hi level pe hai. Jaldi mil Nashe karne hai bahut saare. Be in touch mate ♥

Avish Naredi : You were the first senior in institute jisse itna interaction and who had been so helpful always. I just want to thankyou for all the gyaan, fundae and bakchodi. Also, I had really enjoyed working under you as a orgznizer or being coordinator. Keep in touch!

Aayush Anurag : Insti ke pehle din tum, Arya, Kushagra BasketBall khelte hue mile the. Uss din nhi pata tha, itne bada player niklega ye launda. Kaafi jyaada machaya hai bhai life mein. Startup ke pehle bhi tu mess table pe paise banane ke naye naye ideas ki hi baatein karta tha aur aache views deke jaata tha har baar. Iss sem ki Holi mein mazaa aa gya 🥳. Tune bola tha last day ki “Ye hamara last day ho sakta hai” aur woh ho gya. Milte hai Patna mein jald hi.

Ishan Tarunesh : Jain Sahab, healthy banter to chalta rahega humara. You are really a curious person trying to understand different people's perspective. I find it very inspirational when people take some difficult path rather than the easy one laid out in front of them and you did that so hats off _/_. Milte rahenge humlog ab to patna city se 15 min hi lagta hai 😊 PS - Korea se wapas aayein bangalore to achi post de dena
