**Sumitra Barhat :** We were the best convener not in working but timepass karne me...koi break nhi kar sakta apni treats lene ke record ko.. especially "auto me teen log hi aate hai to Kaushal sorry rahega". Bss tu thoda sa 'pagal' hai..pagal is not the word, you get it. And I know re tu pagal hai mere pyaar me but me to sane insaan hu 😊..... Achhaa haan best bhi hu 😊

**Valay Agarawal :** Chat deni maar deli khich ke tamacha Hihi hihi hans delen. Chat deni maar deli khich ke tamacha Hihi hihi hans delen. Hihi hihi hans delen. Hihi hihi hans delen. Rinkiya ke papa. Hihi hihi hans delen Rinkiya ke papa. Hihi hihi hans delen

**Alok Kumar :** Dear Ronnie, Hope your liver is fine and lungs are doing great. It has been almost four years since I got you admitted to IITB hospital in the first semester. Well it seems your relationship with health has been similar to that with ur dates...frequent break-ups with temporary break-downs. You are a man of many talents. As far as I can remember you always claimed to be good with shayaris, girls, crossing the road blindfold, food recommendations and chemistry among other things. I am "left" with a realisation that not more than two such claims stand good. You have been a nice person to hangout with especially before exams. I was about to write something good but it says word limit reached.

**Garima Aggarwal :** Armaani ka lakhon ka suit pehenne vale is bacche ki insti life black and white hi reh gyi. Koi or rang ise ras hi nhi aya :P Vaani ki secy ki post bnane ka itna bada kam kar diya fir uske bad kuch or kar hi nhi paya :D Urdu ki bhari bhari poetry likhke sochta hai m to bht bada shayar hun, serious look m rehna chahiye mujhe :D :D Anyways, Good luck for future. Thoda kam serious raha kar.

**Debanjali Chatterjee :** Yo! Bohot maze aaye tumhare saath intern mein (aaj se exactly ek saal pehle hum police ke van mein ghar laute the XD) Kaafi kuch jaanne ko mila tumhare non-stop babbak se (which I really enjoyed, ngl). Mujhe apni tarah sabziyaan kaatna sikha do plz.

**Pattisapu Divya :** You fooled me with the spooky story about the temple in the insti. But don't worry, I've dutifully spread the story and helped your cause 😊 Thanks for showering us with all the MI coupon food and being the entertainment source to all FA coordies and orgies. We've had long chats, funny chats, informative chats, all kinds of chats. I never understood any of your hindi poems, but they were always beautiful (and convoluted). Do keep in touch, Ronnie!

**Rageshwari Marolikar :** Can you be anymore crazy?! :P You are smart and funny personality with great sense of humour which is beyond my level sometimes.lol You can make a boring class entertaining, be a party initiator coz I do remember your baraat dance during orientation (:P that was really awesome) a great poet who also helps people in need. I'll really miss your presence on campus so stay connected. Sab sort ho jaaega <3

**Vasu Tantia :** The guy who told me - bhai! Guitar waghera se nhi pat ti bandiyaan, shaayaro se pat ti... FUCK YOU!!!! Iss insaan ke chakkar mei 2 saal se tenure chal rahaa... Passing out treat tenure end treat se mehngi hogi... Nawaab Rani se Ranu Mondal ke safar ko hi shaastro mei aapki insti life kahaa gyaa hai... BT to nahut diye aap... Par gyaan bhi... Jitna marzi chutiya nom the... Humaare nom the... Thanks for bringing poetry to my life... Once again... FUCK YOUUUUU!!!

**Mehta Meet Amitkumar :** Hamare pehle aur sab chiz mai itna effort dalne wale norm jinke wajase addat pad gayi hame bhi har chiz mai neend kurban karke bhi machaneki. Aur yaad rahengi woh treats aur woh random lukha kaatna. Jeevan ke liye bohot gyan pelte raho, har random chiz mai kyuki kabhi kabar galti se logo ke kaam aa jati hai. Mana ki helping banna avoid karte he par kafi help kar lete he.
