

PATEL ADITYA MANOJ

Physics

Edwin Saji Uthuppan : Dude, you are one of the coolest people I have met! You are the best when it comes to interacting with people man. You really have a magical skill when it comes to people. Dude I really hope you end up doing what you love: Keep trying bro, you will get it. Do you remember the time you humbled me when wrestling?

Ananay Garg : Patel bro! Tu toh bhai hai ya roomie bhi hota par woh sad rahega. Chill maxx insaan. You def have a way with people! Tere stories bhi next level hoti thi but tu samjhata tha bro. Love you brother <3

Adane Sahil Ravindra : Pateli bro! Football buddy hai tu. First year se saath mai the. A lot of good discussions. I remember we had coffee together while listening to music and once were talking about your date with a Marathi girl with Nikhil and Neel - just a few of those countless ones. Your laughter and enthusiasm is very infectious. We always more or less understood each other I feel. Hate that you could not join us for any trips. Good luck ahead bro! Stay in touch!
