Siddharth Mehta : Dear Zer0, Since the day we met till the minute you receive this message, I'm 91.7% certain you'll have neither had a single date nor gained a single pound. Although I can think of a few better people in team to room with, my summers with you were very enjoyable, if I were to exaggerate. On a 'heavy' note, I'd forever cherish working with you as leads and fighting against you in meets. It's no secret that you charmed the pants off every one on the team since day one. Stay humble and happy, and please, for hell's sake, stay away from that abominable umbrella of yours. PS. I still have your mattress.

Modi Harshit : Machaxx mentor! I remember our first meet in the ED lab while registering for LDAP Id where I came to know that you are my mentor and also you sticky note tips! And the best till now was your treat! 🍕 All the best for your future!

Aditya Biniwale : Ciru lauuu! Freshie year se jaanta hu jab exam ke ek din pahale mei padhne ata tha aur tu bhaga deta tha. But final year kya sahi tha, faaltu ke discussions, infi backchodi and wing parties (jyada tar jisme tu nhi ata tha, anyway). And bro placement prep, everything from giving me regular updates, motivating me to go for consulting and to the interview ke 20min pahale wala market entry and Pricing case ka prep. You are an amazing person! Bhul mat jaiyyo apne wing walo ko!

Vaibhav Gaikwad : Perfect mentor!! Hum sab log ko yahi lagata hai apki insti life ekdum perfect hai cpi,por and everything other. But hum logo ko abhi bhi vishwas nhi hai ki apki koi bandi nhi thea. Aap ye baat humse chupa raha hai ho.baki agar aap nhi hote toh meri mà105 main lag jati. Aur apki treat bhaot acchi thea. Apni pizza party rahe gayi.hum log toh same town se hai toh milte rahenge 😊

Vihang Wagh : Ciru.....! Saala, idhar mai soch rha tha ki muzhe nashik ke saare rabid kutte aur autistic bacche pata hai, par idk tu us radar mai se kaise choot gya. I never thought I'd make such a great friend from Nashik in insti. You are <3. Apna Robotics project BT yaad rahega, cab waale discussions bhi. Thanks for always listening to my insti bitching. Nashik >>>>> Mumbai. Turf var bhetu. b-bye!

Yash Bhutada : Ciru Bsd! I don't remember how we became friends, but ig roll number played a bigger role here. There would be no more of "Ae Ciru dakhav na." Using Tinder definitely wouldn't have been fun without you. Ohh and also sharing the waffle. Tune bandi nahi patayi final sem mein, iska matlab ab treat milegi. To making travel I really admire how you manage everything be it ghumna, acads, extra curricular, thus making you a constant source of inspiration. Let's plan more treks and trips once job starts.

Aayushi Baheti : Ciruu! You are one of those who always made me feel that I belong. Thanks man! Tu bahut talented h, it was fun working with you during the tenure. Aise hi machaate rehna, wishing you lots of love and luck! <3

Amit Gangurde : Yo Bhole (I guess I'll be the only one calling you that here😂)!!! Most of our insti interaction has taken place on Mumbai-Nashik highway and not in insti xD. Thankkk youuu soooo much for that, tu aur Nandu nahi hote mai toh sahi mai mar jata H16 me 😭😭. We have soo many good memories of the tenure, roj class k bad golu k room jana unhe tang karna, saare portfolios ka kaam discuss karna 😊😊. Maine alumination k tym design portfolio ko bohot tang kiya, especially tujhe uske liye sorry 😊😊. Seriously you were the best CTM of the team, sab kuch itte ache se manage kiya anf har jagah machaya 😊😊. All the best for the future and sath mai apping karenge.. 😊😊😊

Ayushraj Mehrotra : My first proper introduction to you was discussing that iconic Alumination vali comic strip and I still remember being awestruck by how much effort and heart you invested in bringing Skye to life. Rest, all credits to you ki handing over ke baad me us bhand halat me kisi tarah hostel room sahi salamat pahunch gaya XD Regarding that stressful internship period too, thanks for all the day 1 teeps and trikks. No matter what pains we faced during that period, you were always approachable at all times and went out of your way to help us all! Best wishes for your life beyond the insti as well!

Mufaddal Bhanpurawala : YO teammate cum lab partner cum townie cum batchie cum classmate cum tripmate cum junior college mate cum blah blah blah. People owe each other money but I LITERALLY owe you credits. I never got to tell you this but thanks for the trip. Bhai bahut mazaa ayaa yaar atleast MUJHE. Let's go to Ross island next time.

Nishant Jannu : Mahale Bhaili, apni interaction intern time ke around hi limited rahi hai. Kaafi chill banda hai tu. Teri project situation bohot ajeeb ho gayi thi but you only saw the comical side to it. Kravesh, Bilv, Chandan ke saath kaafi maze kiye the apan ne bangalore mai. Jab hum baaki log ITC ko galiyan de rahe the, PPO kab legaya tu pata hi nahi chala lol. Machate rehena bhai, all the best! Baheti aur teri treat due hai, tab tak toh touch me rahenge hi :P

Aman Kumar : Ciru bhadwe! upr se bhola toh bht h, koi gandi aadat bhi ni aur help bhi humsha kiya jab bhi I came to u but kahi na kahi tu bht harami h ye mera gut feeling tha 2 mahine km mile nhi toh expose kr hi dera :) . Acha hua hm roomie bnte bnte reh gye, bc utna magai ni hota mere se. 2nd yr was really special with u kya kam kiye bey, gc ke 2 din continuous nightouts toh yad hi hoga teko, rato rat winning entry bna diya sale aisa dedication dikhaya tu. jab bhi bhokh lagi ciru, kuch doubt hua ciru, motivation chahiye toh ciru, biryani mangani h toh ciru, tinder tips chahiye toh ciru, cash chahiye toh ciruitna dikha nhi par in a subtle way it was ciru ciru ciru all the time. aur likhna tha :

Ayush Ankit Singh : Tune Pehle hi best senti sunn li hai. Abhi ye sober version hai. Pata nai kitne bakwas jokes jhele honge tere. Aur tinder ka kis baat ka ghamand hai, ek bandi se nai mila hai tu. Aur kitne nakhre hai tere ek photo k liy, fake barca fan. Ye sab k baad bhi pura ek tenure jhela, Andamn ki trip ki, infi square pizza khae, one piece p discussion kiya aur kafi late night bakchodiya bhi ki. This means you are the special one. I can't forget any of those things ever. Everyone knows how perfect you are at your job, the right mix of chill and seriousness, and the dedication that you put. You know, after wing you are the next best friend that I got in insti. We will forever be friends ♥

Allen Bose : Ciru bhaiyya !! Starting off, I would never forget that trek where you nearly killed me you lousy guide. Now for the praise (it's honest), frankly I have seen very few individuals who always keep on doing something productive, I have literally never seen you be lazy. You are improving as a person everyday, just like how you have improved your vocabulary since you started reading (i have never seen a person use the word stoic). Always loved your savage comments during the team bakchodi. Keep up the fun man and I guess you will be joining finance or consulting pretty soon. P.S: You are one of my best FIFA disciples. Dono nashik trip infi feel maxx the bhai 😂😂, jab bhi time milta 1-2 aur maarte 😂. Tujhse se jyada sorted bandha lyf me nahi dekha 🙌, har field me alag level phoda 🙌🙌. Bus tinder ko apne achievements me mat gina kar 😂😂. Tune infi help ki placements me, sirf meri nahi puri team ki, day 1 se last tak bhaga ♡.
