**R Aditya Narayan :** Yoo! Tera bakwas sunke bahut time paas hua. Please don't change. Stay the same brutally honest , I don't care guy you always are ( maybe tone down the creepiness ). Also give me my jacket back!!!

**Pranav Sankhe :** Ufff.... sophomore year ki bakchodiya dude! Prank calls, Prank calls ke bahane actual calls, amazon ke gatte pe high hona, the "horrible" incident, etc etc! I will never forget you and the fun we had! ECell wala voh pitch sunke ab bhi hasta hu mai xD xD Thanks for the amazing postcards from Finland! Have fun in Bangalore and stay in touch. Always!

**Prakhar Jain :** Mohit brooooo! My last 2 years wouldn't have been so much fun and memorable without you in them. I cherish all the time I spent with you. Your hilarious comments and take on everything always made me laugh. Thinking about the time I spent with you: Talking loudly during movies, drifting zoom car, multiple and loud scandals at DMart, GoKarting, nearly dying at rafting, cooking in December, ideating about startups, ridiculing and commenting on everyone and everything in the world, you punching me(:P) etc etc; brings a smile to my face. I wish you all the best for the future and let's keep on meeting up in the future.

**Ravi Kumar Kushawaha :** Tera sense of humour, self confidence, jhol krne ke ideas were awesome. I still remember your driving in Goa. wo skiddddd. Matheran road trip was great. Luckily hum zinda bach gye. Stay the same with your signature smile.

**Pramey Singh :** Hey! I was lucky to be roommates with a person who shares so many common interests. Will definitely miss all the crazy things we came up with to pass time. Thanks for introducing me to Radiohead and when you're done with everything let's become full-time arsonists.

**Mookund Sureka :** Last Sem infi interact kia hai humne almost roz. Hopefully Socio Setu machega :p Baaki you are straight forward and honest. Stay the same and all the best!

**Darshan Tank :** Maddu bhaiya! Infi bakchodi kaati hai ye apan ne jabse mein wing me aaya 3rd year me, you all never let me feel like an outsider. We have had too much fun at Sunny, H7 and H18 terraces xD Placement sem was quite hectic but it helped having someone to learn and understand algorithms. Bas life thoda sort karle, as Bruce lee quotes, 'practice 1 punch 100 times rather than 100 punches 1 time each'. Let's hope our ventures lead to something fruitful :D I will always be grateful of you for teaching basic FIFA tricks. Aur ha, Bade bhaiya ki shaadi me jarur bulana, apna plan yaad hai na?

**Sanket Agrawal :** Maddu Bhaiya! Bhai you a very straight forward, smart and fun person jisse interact krke kaafi maza aata hai. Also your driving skills \_/\_\_ unparalleled bhai. You have the craziest ideas and I guess you are one of the most daring people in the group. Thanks for including me in the wing and the trip :) All the best for future! Stay in touch.

**Ritesh Kumar :** Paaji, bohot maza aaya tere saath AIDS me Bhangra karne me. Teri starting ke enthu ko dekh kar ke hi mujhme enthu aaya. Kitne befikar ho yaar life me. \_/\_\_. I know you'll stay happy aage bhi. Yaad karte rehna bas. <3
