

AJAY DANGI

Aerospace Engineering
NCC | Weightlifting | IITB Student Satellite
Program

Yearbook
2020

Satyaprajna Sarthak Sahoo : Ajay Dangi. Dhokebaaz hai tu. Apna plan tha sab 2021 me graduate honge, "by hook or crook". Tu 2020 me hi bhaag gya. At least Ladakh pe aur paas chala gya. Ab road trip pe challenge to koi excuse nahi de sakta. Hope karta hu PUBG khelna band kardega tu. Tere andar ka chutiya ko kabhi marne mat dena. Tere saath jitne bhi baar bahar gaya hu kabhi regret nahi hua hai. Hope karta hu tu aise hi life bhar chill rahega. Adios. Spy group forever.

Arnav Tapan : Dangiiiiiiii, I can bet ki insti me meri sabhse zyada photos tere saath hain...Tu bahar se jitna seedha dikhta hai andar se utna hi harami hai, bakchodi ka mauka kabhi nhi chod tune NCC me, humari road trips ho ya sessions, ek free supporting aur entertaining material hai tu. Ek baat jo teri humesh yaad rahegi wo hai , har Independence Day par bhang peekr sojana aur wo subah 4 baje wala message "Aaj kuch hai kya??" XD. Sports secy ke tenure me saathme kaam karke maza aaya, jo giveup hota tha bhai SAC office jakr baarbaar XD Kaash hum ek din milkar Ladakh jaayein, road trips ki purani yaadein taaza karein. Bhopal aana hua to zarur tere gharki bell bajaunga ek din! All the best for life bhai<

Prashant Jorwal : Apna same hi scene raha hai (sivay acads ke)..NCC was fun because of you. kabhi serious hone ki zaroorat hi nahi padi apne ko. Jabardasti ke cult head banne ke liye thanks, kyunki merse to wo play sambhal nahi raha tha 😂.. ladakh trip ke liye haan bol dena, baad me kata denge... baki kuch shabd sirf tere liye, ha ha ha..... .
