Shubham Gorase : Wo Rajasthan tourism ka slogan tha "N jane kya dikh jaye", terepe wo bohot suit karta hai manchu! Kabhi tu class ke sbse studios bande ki tarah ghum sakta hai, kabhi duniyabhar ki creative galiya dete ghum sakta hai, kabhi kumbhkaran ki tarah kha sakta hai to kabhi 2-3 din bina khaye rehta hai, kabhi sardar khan se gehri stalking kar sakta hai etc etc(The list of talents is infinite). Tere ajibo-gareeb kisse, KANDs, kahaniya nai hoti to ye journey boring si lagti bhai. Bas itna samaz le, jisko dekh ke gali aur pyar sath me aa sakta hai aisa insan hai tu!! (And i still stand by my prediction I made about you on first ISCP meeting)

Ankit Kumar Kanodia : Manchu bhai group se culti maarna koi tujhse sikhe matlab group ko pta bhi nhi chlta ki banda chla bhi gya hai. Ek akela banda jiski khaniya kabhi khatam hi nhi hoti hai or saari khani same monologue se start hoti hai (bhai tum maanoge nhi yaar mera ek dost hai 🤔🤔). Lekin yaar to pure Mtech second year ki night canteen bahut yaad aayegi or wo 6 month ka time library jane wala bahut yaad aayega. 2 sabse acchi aadt hai teri ki Bura nhi maanta jyda or galtiyo ko accept kr leta hai or 1 sabse buri aadt hai ki har cheej ka nasha kr leta hai which make you completely different from the group.

Nishikant Kumar : Bhai jb tu nhi rhta tha to mujhe khud pe doubt hota tha ki mai etna kam bolta hun or Shubham shok rhta tha. Tu confidence ki trh tha mere liye like sources of energy. Or Sab ye v dekh ke shok rhte the ki sala ye har chhoti bat pe ladte kaisa rhta hi 🤔🤔. English se start hui thi apni journey or desi pe aa gyi thi😊. Hamrai (Tu, kanodia, Gorase, Ghausi, jha, Kadu, pisal) journey mast krne me tere old stories jo tu alag andaj me pes krta tha, ahem bhumika nibhaiyi hi.

During hostel allotment when I asked u ur specialization ur response was hilarious. That fake attitude/ ego u showed during the first week of clg beginning was amazing. Badme saccha rup dikhna start hua tera. The one who has been greatly benefited by hostel mess is you ..from sukhi bhindi to pumpkin...journey must have been amazing for you😂. Work hard and all the best for ur future

Manish Yadav : Vo Maharashtra sampark kranti train 17 ghante late na hui hoti, na tera phone chori hota, aur na hi pta chalta ki tu bhi civil main hai😂😂😂😂, bhai tu insti ka eklauta banda hai jisko mere papa jaante hai aur bahut sareef samajhte hai but tu asliyat main to bakchodo ka king hai, breakfast table par din ki suruat jab bhi tere saath hui hamesa majedar bakwaas se din start hua, festival koi bhi ho agar kisi bande ko front row main dekha to mitti patel dikha, Mitti ka laal hai tu aur ase hi rahna, jada western mahol main mat mil jana😂😂😂

Debiprasad Bhakta : Starting se manish bataya tha ki ek maze wala banda hai, 1st year holi me 1st mile the. H12 me toh parosh ban gaye. Tumhare baat karne ka tarika aur woh sab ta wala discussions, alag hi tha. Khus raho. 😊

Your ability to connect even a small happy moments of ur life with ur father inspires me too. I hope u will do something very great which make ur father proud of u. Best wishes for ur future.

Sarosh Alam Ghausi : Bhai, whenever i will remember my iitb life u will always be among the firsts who will come to my mind. You have a golden clean heart. We have laughed together for 2 years and those are priceless moments which i can not define. U are also one of the most corny ,sorry *h person i knw 🤪. But the reason "we can make fun of each other and yet laugh the most when the joke is on us" defines our bond. Will always miss u brother!! Stay connected
