Pujan Biswas : 2nd UP jo uss title pe kalank hai. Fatake fodne se pehele dimaag lagake place karna hota hai. Kaash tu mereko ussey dara paata. Varun Patil ka coding competitor banke kaisa lag raha tha XD H16 ki bakchodiyan iss bakse mai likhna impossible hai, unko baahar laaya toh shayad degree nahi milegi. But uss IMature dino se placement ke agniparikhsa tak kaafi badlao. Insti mai sabse jyada interview dene ka khitaab chura liya hai tune, bhai issme kya jigra dikhaya hai tune. Tere room se biscuit churake maza aaya, kaash yeh din aur jaari rehte kyonki raat 3 baje agar koi jaga hua insaan *kya challa* bolne waala chahiye hota hai sabko. Patte khelne se mana kiya toh kantaap denge. Your bhai, Bisso!

Krishna Wadhwani : Apoorva! Last year neighbor!! Yaar tu har kuch din mein wifi ka password change kar deta tha aur fir Rohitas se puchna padta tha password😂😂. Apni Team Optibois aur Team Hot-air Than Hell kafi entertaining thi. And thank you last year Shubhanshu ko sambhalne k liye 🤗.

Apurv Tiwari : Mera naam bachcha! ♥ Jab bhi galiyare se goliyon ki awaz aati thi pata chal jata tha ye bahar baithke pubg khel raha hai 😂😂 Ab ghar par pubg khelte rehte hoge, par room mein nahi aangan mein baithke 🤗

Harshit Handa : Gangu (Ye naam mene hi diya tha tujhe 🤗) Bhai tere sath infi memories hein. 1st year ke kaando pe to puri book likh sakte he. " B*k***di* 101" Random wings me jake chilana, dusre wing ki electricity kaat dena, washroom ka water supply band karna, hostel me fire-crackers phodna. And sabse epic jab Khatri ka bed and Ranjan ki almirah room se utha kar dusre wing me phak di thi 😂😂. Daman and Alibaug wali trip humesha yaad rahegi 🤗 Baki tere coding skills👏, placement me to alag machaya, infi paisa 🤗. Ab to college bhi khatam ho gya, but tere aur Muley ka relation ab bhi confusing he, kon kiska baap he jaldi sort karlo 🤗🤗. Baki touch me rehna likhne ki need nahi, I know tu rahega.

Siddharth Singh : Yo bhaiya, you were the person who always motivated in the time of need, always showed me the right way without any second thought, plus you always gave me a treat in canteen whenever we met, I will remember those memories.

Sanjay Khatri : Bhatijeeeee!!! Aam nahi khila paaye tum 4 saal me baaki sab badhia tha. Wingies lekin apanne saala atank macha rakha tha H16 me. Kitte bomb fode hein XD XD. Logon ko neend se uthaaya hai and logon ke floor pe power cut kiya hai XD. Apna 'sa', 'sha' abhitak theek nahi hua hai vaise. Uski practice karni hai tumko. XD Bhatije sudhar jao, koi din Muley se maar padgayi toh mai nahi rokunga XD

Himank Jain : Gangu aami, kitne bhatije hai tumhare. Asli daddy toh tumhare Sanjay bhaiya hi rakhenge. Kitni bakchodi karte the bhai freshie year mein, dusre wing mein ja k real bomb foodna, pure wing ki ek sath light band kar dena, kitni TV series dekhne lag gaya hai tu Rohitas k sath reh k. Aero ki aan ho tum miya.

Shubhanshu Gupta : Mera UP wale bakchod bhai bahut yaadein hai tmhare sath😂, woh exams ke baad tumse baat karna, class mein sath baithke prof ko gaaliyan dena. Tum mein ek apni wali vibe aati thi UP wali, backchodi wali mast, badiya alag hi insaan ho tum. tmhare sath biyate hue har lamhayee kafi ache the. 4th year mein bahut time spend kiya hai sath mein, room pr baithkr backchodi wali YouTube video dekhna, pizza sath mein khana 😂, UP bihari songs pr nachna😂😂, canteen jaakr aloo parathe pelna ♥, exams ke time pr tumko pareshan karna 😂. Bhai tum hamesha yaad rahoge ♥ Jo log dil se jude hote hai woh kabhi bhulaye nahi jaate 🙌
