Swati Meena : You made me realise ache dost banane ko time nahi timing lagta hai. Aur apni timing perfect hai, it is evident from the fact that I don't remember any particular moment that made us friends, It was instant! You are supercool and mature at the very same time, which is a very rare connection. All those fun activities with you made me realise we are gonna go long way, be it weeks or months we don't talk, we are still gonna be close the moment we do! And, yes I wish meri bhi banglore joining aati.

Aishwarya Dhandore : Molasses!! You have and always will be the best thing to happen to me in IITB! You are the elder sister that I never had ♥♥ You made hostel life so so so memorable! Late night gossips! Canteen strolls😄 Infinite roomie memories. You know each and everything about me 😄 People we like, People we dislike, people who like us 🤔🤔 Everything! These 700 words on yearbook will fall short for everything we have between us! You will always remain the elder sister you are 😊😊 And am not leaving you alone in Bangalore! I am gonna come real soon😊😊😊. Anmol Gaur you are FAM!! Love you so much. All happiness and luck to you always ♥♥♥

Anurag Choudhury : Yo Leader !!! Deputy-Leader reporting 😂. I still couldn't understand why you got so annoyed when I called you our Group Leader😭well may be I know why 😂😂. But Ankit is equally responsible for your designation. He sent the mail to Prof. I just suggested him to make the most serious one of us as our Leader.....and he chose you, and the rest is history 😊😊 Please don't get angry again. I felt the desperate urge to pull your leg one last time.....or may be not 😊😊

Vinod G U : When we met, i saw you were silent! And i knew right then that we will be great buddies 🤔. You were the only reason i took out the book for placement prep 🧑🏫📖♂️. "Veg biryani does not exist" is always going to be my debate 😊. Long walks have never felt like long walks and every festival needs a dancer like you. Thanks for teaching all the amazing moves, useful for the parties 🤔. I wanted to eat your maggi in the last sem. So you are gonna be busy cooking for me in bangalore 😊. We still have many adventures in front of us! Lets conquer it together ok 😎
